DEPARTMENT OF EDUCATION

Privacy Act of 1974; System of Records—Financial Management System (FMS)

AGENCY: Federal Student Aid, Department of Education.

ACTION: Notice of a New System of Records.

SUMMARY: In accordance with the Privacy Act of 1974, as amended (Privacy Act), (5 U.S.C. 552a), the Department of Education (Department) publishes this notice of a new system of records entitled the “Financial Management System (FMS)” (18-11-17).

FMS interfaces with other Federal Student Aid systems and consolidates and centralizes all Federal Student Aid accounting and financial data into one system. FMS is a conduit (pass-through system) containing personally identifiable information that is obtained from other Federal Student Aid systems. FMS has been in operation since October 2001. However, because FMS maintains Privacy Act records and discloses these records to the United States Department of the Treasury and to loan holders, a management decision was made to treat FMS as an official system of records under the Privacy Act.

DATES: The Department seeks comment on the new system of records described in this notice, in accordance with the requirements of the Privacy Act. We must receive your comments on or before February 1, 2008.

The Department filed a report describing the new system of records covered by this notice with the Chair of

the Senate Committee on Homeland Security and Governmental Affairs, the Chair of the House Committee on Oversight and Government Reform, and the Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget (OMB) on December 27, 2007. This new system of records will become effective at the later date of—(1) The expiration of the 40-day period for OMB review on February 5, 2008, or (2) February 1, 2008 unless the system of records needs to be changed as a result of public comment or OMB review.

ADDRESSES: Address all comments about this new system of records to John Hurt, Director, Financial Management Group, Office of the Chief Financial Officer (OCFO), Federal Student Aid, U.S. Department of Education, 830 First Street, NE., Union Center Plaza (UCP), room 54C3, Washington, DC, 20202-5345. If you prefer to send your comments through the Internet, use the following address: *comments@ed.gov*.

You must include the term “Financial Management System of Records” in the subject line of your electronic comment.

During and after the comment period, you may inspect all public comments about this notice at the U.S. Department of Education in room 54C3, UCP, 5th Floor, 830 First Street, NE., Washington, DC, between the hours of 8 a.m. and 4:30 p.m., eastern time, Monday through Friday of each week, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Introduction

The Privacy Act (5 U.S.C. 552a(e)(4)) requires the Department to publish in the **Federal Register** this notice of a new system of records. The Department's regulations implementing the Privacy Act are contained in the Code of Federal Regulations (CFR) in 34 CFR part 5b.

The Privacy Act applies to a record about an individual that is maintained in a system of records from which information is retrieved by a unique identifier associated with each individual, such as a name or social security number. The information about each individual is called a “record,” and the system, whether manual or computer-based, is called a “system of records.” The Privacy Act requires each agency to publish a system of records notice in the **Federal Register** and to submit, whenever the agency publishes a new system of records or makes a significant change to an established system of records, a report to the Administrator of the Office of Information and Regulatory Affairs, OMB. Each agency is also required to send copies of the report to the Chair of the Committee on Oversight and Government Reform of the House of Representatives, and to the Chair of the Committee on Homeland Security and Governmental Affairs of the Senate.

The Director may disclose records from this system of records to that researcher solely for the purpose of carrying out research related to the functions or purposes of this system of records. The researcher shall be required to maintain Privacy Act safeguards with respect to the disclosed records.

(4) *Disclosure for Use by Other Law Enforcement Agencies.* The Department may disclose information to any Federal, State, local, or foreign agency or other public authority responsible for enforcing, investigating, or prosecuting violations of administrative, civil, or criminal law or regulation if that information is relevant to any enforcement, regulatory, investigative, or prosecutorial responsibility within the receiving entity's jurisdiction.

(5) *Enforcement Disclosure.* In the event that information in this system of records indicates, either on its face or in connection with other information, a violation or potential violation of any applicable statute, Executive order, regulation, or rule of a competent authority, the Department may disclose the relevant records to the appropriate agency, whether foreign, Federal, State, Tribal, or local, charged with the responsibility of investigating or prosecuting that violation or charged with enforcing or implementing the statute, order, regulation, or rule, issued pursuant thereto.

(a) *Introduction.* In the event that one of the following parties listed below is involved in litigation or ADR, or has an interest in litigation or ADR, the Department may disclose certain records to the parties described in paragraphs (b), (c), and (d) of this routine use under the conditions specified in those paragraphs:

(i) The Department or any of its components.

(ii) Any Department employee in his or her official capacity.

(iii) Any Department employee in his or her individual capacity if the U.S. Department of Justice (DOJ) has been requested to or has agreed to provide or arrange for representation for the employee.

(iv) Any Department employee in his or her individual capacity where the Department has agreed to represent the employee.

(v) The United States where the Department determines that the litigation is likely to affect the Department or any of its components.

(b) *Disclosure to the DOJ.* If the Department determines that disclosure of certain records to the DOJ is relevant and necessary to litigation or ADR, the Department may disclose those records as a routine use to the DOJ.

(c) *Adjudicative Disclosure.* If the Department determines that it is relevant and necessary to the litigation or ADR to disclose certain records to an adjudicative body before which the Department is authorized to appear, to an individual, or to an entity designated by the Department or otherwise empowered to resolve or mediate disputes, the Department may disclose those records as a routine use to the adjudicative body, individual, or entity.

(9) *Congressional Member Disclosure.* The Department may disclose the records of an individual to a member of Congress or the member's staff in response to an inquiry from the member made at the written request of that individual.
