**PROPOSED REGULATORY LANGUAGE FOR
ISSUE PAPER 11, LOANS GROUP**

Subpart A—Purpose and Scope

**§ 682.100 The Federal Family Education
Loan programs.**

(a) This part governs the following four programs collectively referred to in these regulations as “the Federal Family Education Loan (FFEL) programs,” in which lenders used their own funds to make loans to enable a student or his or her parents to pay the costs of the student's attendance at postsecondary schools prior to July 1, 2010:

(1) The Federal Stafford Loan (Stafford) Program, which encouraged making loans to undergraduate, graduate, and professional students.

(2) The Federal Supplemental Loans for Students (SLS) Program, as in effect for periods of enrollment that began prior to July 1, 1994, which encouraged making loans to graduate, professional, independent undergraduate, and certain dependent undergraduate students.

(3) The Federal PLUS (PLUS) Program, which encouraged making loans to parents of dependent undergraduate students. Before October 17, 1986, the PLUS Program also provided for making loans to graduate, professional, and independent undergraduate students. Before July 1, 1993, the PLUS Program also provided for making loans to parents of dependent graduate students. The PLUS Program also provided for making loans to graduate and professional students on or after July 1, 2006 through June 30, 2010.

(4) The Federal Consolidation Loan Program (Consolidation Loan Program), which encouraged making loans to borrowers for the purpose of consolidating loans: under the Federal Insured Student Loan (FISL), Stafford loan, SLS, ALAS (as in effect before October 17, 1986), PLUS, Perkins Loan programs, the Health Professions Student Loan (HPSL) including Loans for Disadvantaged Students (LDS) Program authorized by subpart II of part A of Title VII of the Public Health Services Act, Health Education Assistance Loans (HEAL) authorized by subpart I of Part A of Title VII of the Health Services Act, Nursing Student Loan Program loans authorized by subpart II of part B of title VIII of the Public Health Service Act, and existing loans obtained under the Consolidation Loan Program, and William D. Ford Direct Loan (Direct Loan) program loans, if the application for the Consolidation loan was received on or after November 13, 1997 through June 30, 2010.

(b)(1) Except for the loans guaranteed directly by the Secretary described in paragraph (b)(2) of this section, a guaranty agency guarantees a lender against losses due to default by the borrower on a FFEL loan. If the guaranty agency meets certain Federal requirements, the guaranty agency is reimbursed by the Secretary for all or part of the amount of default claims it pays to lenders.

(2)(i) The Secretary guarantees lenders against losses—

(A) Within the Stafford Loan Program, on loans made under Federal Insured Student Loan (FISL) Program;

(B) Within the PLUS Program, on loans made under the Federal PLUS Program;

MEETING 2
FEBRUARY 13-17, 2012

(C) Within the SLS Program, on loans made under the Federal SLS Program as in effect for periods of enrollment that began prior to July 1, 1994; and

(D) Within the Consolidation Loan Program, on loans made under the Federal Consolidation Loan Program.

(ii) The loan programs listed in paragraph (b)(2)(i) of this section collectively are referred to in these regulations as the "Federal Guaranteed Student Loan (GSL) programs."

(iii) The Federal GSL programs ~~were~~are authorized to operate in States not served by a guaranty agency program. In addition, the FISL and Federal SLS (as in effect for periods of enrollment that began prior to July 1, 1994) programs ~~were~~are authorized, under limited circumstances, to operate in States in which a guaranty agency program ~~does~~not serve all eligible students.

§ 682.102 Obtaining and Repaying a loan.

MEETING 2
FEBRUARY 13-17, 2012

~~(a) *Stafford loan application.* Generally, to obtain a Stafford loan a student requests a loan by completing the Free Application for Federal Student Aid (FAFSA), and contacting the school, lender or guarantor. The school determines and certifies the student's eligibility for the loan. Prior to loan disbursement, the lender obtains a loan guarantee from a guaranty agency or the Secretary and the student completes a promissory note, unless the student has previously completed a Master Promissory Note (MPN) that the lender may use for the new loan.~~

~~(b) [Reserved]~~

~~(c) *PLUS loan application.* (1) For a parent to obtain a PLUS loan, the parent completes an application and submits it to the school for certification. After the school certifies the application, the application is submitted to a participating lender. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary. Prior to loan disbursement, the parent completes a PLUS MPN, unless the parent has previously completed a PLUS MPN that the lender may use for the new loan.~~

~~(2) For a graduate or professional student to obtain a PLUS loan, the student applies for a PLUS Loan by completing a Free Application for Federal Student Aid (FAFSA) and contacting the school, lender or guarantor. The school determines and certifies the student's eligibility for the PLUS loan. After the school certifies the application, the application is submitted to a participating lender. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the~~

~~Secretary. Prior to loan disbursement, the student completes a PLUS MPN, unless the student has previously completed a PLUS MPN that the lender may use for the new loan.~~

~~(d) *Consolidation loan application.* Generally, to obtain a Consolidation loan, a borrower completes an application and submits it to a lender participating in the Consolidation Loan Program. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary.~~

~~(ae) *Repaying a loan* —(1) *General.* Generally, the borrower is obligated to repay the full amount of the loan, late fees, collection costs chargeable to the borrower, and any interest not payable by the Secretary. The borrower's obligation to repay is cancelled if the borrower dies, becomes totally and permanently disabled, or has that obligation discharged in bankruptcy. A parent borrower's obligation to repay a PLUS loan is cancelled if the student, on whose behalf the parent borrowed, dies. The borrower's or student's obligation to repay all or a portion of his or her loan may be cancelled if the student is unable to complete his or her program of study because the school closed or the borrower's or student's eligibility to borrow was falsely certified by the school. The obligation to repay all or a portion of a loan may be forgiven for Stafford loan borrowers who enter certain areas of the teaching or child care professions.~~

~~(2) *Stafford loan repayment.* In the case of a subsidized Stafford loan, a borrower is not required to make any principal payments on a Stafford loan during the~~

MEETING 2
FEBRUARY 13-17, 2012

time the borrower is in school. The Secretary pays the interest on the borrower's behalf during the time the borrower is in school. When the borrower ceases to be enrolled on at least a half-time basis, a grace period begins during which no principal payments are required, and the Secretary continues to make interest payments on the borrower's behalf. In the case of an unsubsidized Stafford loan, the borrower is responsible for interest during these periods. At the end of the grace period, the repayment period begins. During the repayment period, for the subsidized and unsubsidized Stafford loan, the borrower pays both the principal and the interest accruing on the loan.

(3) *SLS loan repayment.* Generally, the repayment period for an SLS loan begins immediately on the day of the last disbursement of the loan proceeds by the lender. The first payment of principal and interest on an SLS loan is due from the borrower within 60 days after the loan is fully disbursed unless a borrower who is also a Stafford loan borrower, but who has not yet entered repayment on the Stafford loan, requests that commencement of repayment on the SLS loan be deferred until the borrower's grace period on the Stafford loan expires.

(4) *PLUS loan repayment.* Generally, the repayment period for a PLUS loan begins on the day the loan is fully disbursed by the lender. The first payment of principal and interest on a PLUS loan is due from the borrower within 60 days after the loan is fully disbursed.

(5) *Consolidation loan repayment.* Generally, the repayment period for a

Consolidation loan begins on the day the loan is disbursed. The first payment of principal and interest on a Consolidation loan is due from the borrower within 60 days after the borrower's liability on all loans being consolidated has been discharged.

(6) *Deferment of repayment.* Repayment of principal on a FFEL program loan may be deferred under the circumstances described in §682.210.

(7) *Default.* If a borrower defaults on a loan, the guarantor reimburses the lender for the amount of its loss. The guarantor then collects the amount owed from the borrower.

(G) Payment of Federal default fees in accordance with the Act;

(H) Purchase of a loan made by another lender at a premium;

(I) Other benefits to a borrower under a repayment incentive program that requires, at a minimum, one or more scheduled payments to receive or retain the benefit or under a loan forgiveness program for public service or other targeted purposes approved by the Secretary, provided these benefits are not marketed to secure loan applications or loan guarantees;

FEBRUARY 13-17, 2012

(7) An eligible lender may not make or hold a loan as trustee for a school, or for a school-affiliated organization as defined in this section, unless on or before September 30, 2006—

(i) The eligible lender was serving as trustee for the school or school-affiliated organization under a contract entered into and continuing in effect as of that date; and

(ii) The eligible lender held at least one loan in trust on behalf of the school or school-affiliated organization on that date.

(8) As of January 1, 2007, and for loans first disbursed on or after that date under a trustee arrangement, an eligible lender operating as a trustee under a contract entered into on or before September 30, 2006, and which continues in effect with a school or a school-affiliated organization, must comply with the requirements of §682.601(a)(3), (a)(5), and (a)(7).

Master Promissory Note (MPN). A promissory note under which the borrower may receive loans for a single period of enrollment or multiple periods of enrollment.

Nationwide consumer reporting agency. A consumer reporting agency as defined in 15 U.S.C. 1681a.

Nonsubsidized Stafford loan. A Stafford loan made prior to October 1, 1992 that does not qualify for interest benefits under §682.301(b) or special allowance payments under §682.302.

Origination relationship. A special business relationship between a school and a lender in which the lender delegates to the school, or to an entity or individual

affiliated with the school, substantial functions or responsibilities normally performed by lenders before making FFEL program loans. In this situation, the school is considered to have “originated” a loan made by the lender.

Origination fee. A fee that the lender is required to pay the Secretary to help defray the Secretary's costs of subsidizing the loan. The lender may pass this fee on to the Stafford loan borrower. The lender must pass this fee on to the SLS or PLUS borrower.

Participating school. A school that has in effect a current agreement with the Secretary under §682.600.

Period of enrollment. The period for which a Stafford, SLS, or PLUS loan is intended. The period of enrollment must coincide with one or more bona fide academic terms established by the school for which institutional charges are generally assessed (e.g., a semester, trimester, or quarter in weeks of instructional time, an academic year, or the length of the student's program of study in weeks of instructional time). The period of enrollment is also referred to as the loan period.

Post-deferment grace period. For a loan made prior to October 1, 1981, a single period of six consecutive months beginning on the day following the last day of an authorized deferment period.

(2) For unsubsidized Stafford loans, the period that begins on the day after the expiration of the applicable grace period that follows after the student ceases to be enrolled on at least a half-time basis and ending no later than 10 years or 25 years under an extended repayment schedule, from that date, exclusive of any period of deferment or forbearance. However, payments of interest are the responsibility of the borrower during the in-school and grace period, but may be capitalized by the lender.

(3) For SLS loans, the period that begins on the date the loan is disbursed, or if the loan is disbursed in more than one installment, on the date the last disbursement is made and ending no later than 10 years from that date, exclusive of any period of deferment or forbearance. The first payment of principal is due within 60 days after the loan is fully disbursed unless a borrower who is also a Stafford loan borrower but who, has not yet entered repayment on the Stafford loan requests that commencement of repayment on the SLS loan be delayed until the borrower's grace period on the Stafford loan expires. Interest on the loan accrues and is due and payable from the date of the first disbursement of the loan. The borrower is responsible for paying interest on the loan during the grace period and periods of deferment, but the interest may be capitalized by the lender.

(4) For Federal PLUS loans, the period that begins on the date the loan is disbursed, or if the loan is disbursed in more than one installment, on the date the last disbursement is made and ending no later than 10 years, or 25 years under an extended repayment schedule, from that date, exclusive of any period of deferment or forbearance. Interest on the loan accrues and is due and payable from the date of the first disbursement of the loan.

(5) For Federal Consolidation loans, the period that begins on the date the loan is disbursed and ends no later than 10, 12, 15, 20, 25, or 30 years from that date depending upon the sum of the amount of the Consolidation loan, and the unpaid balance on other student loans, exclusive of any period of deferment or forbearance.

(3) The required full monthly payment amount may not be more than is reasonable and affordable based on the borrower's total financial circumstances. Voluntary payments are those payments made directly by the borrower, and do not

MEETING 2
FEBRUARY 13-17, 2012

include payments obtained by income tax off-set, garnishment, or income or asset execution. On-time means a payment received by the Secretary or a guaranty agency or its agent within 15 days of the scheduled due date. **[SEE ALSO ISSUE PAPER #17 FOR ADDITIONAL NEW PARAGRAPH (4)]**

School. (1) An “institution of higher education” as that term is defined in 34 CFR 600.4.

(2) For purposes of an in-school deferment, the term includes an institution of higher education, whether or not it participates in any title IV program or has lost its eligibility to participate in the FFEL program because of a high default rate.

(B) The applicant has been the subject of a default determination, bankruptcy discharge, foreclosure, repossession, tax lien, wage garnishment, or write-off of a Title IV debt, during the five years preceding the date of the credit report.

(iii) Nothing in this paragraph precludes the lender from establishing more restrictive credit standards to determine whether the applicant has an adverse credit history.

(iv) The absence of any credit history is not an indication that the applicant has an adverse credit history and is not to be used as a reason to deny a PLUS loan to that applicant.

(v) The lender must retain a record of its basis for determining that extenuating circumstances existed. This record may

§ 682.206 [Reserved] Due diligence in making a loan.

(a) General. (1) Loan-making duties include determining the borrower's loan amount, approving the borrower for a loan, explaining to the borrower his or her rights and responsibilities under the loan, and completing and having the borrower sign the promissory note (except with respect to subsequent loans made under an MPN).

(2) A lender that delegates substantial loan-making duties to a school on a loan thereby enters into a loan origination relationship with the school in regard to that loan. If that relationship exists, the lender may rely in good faith upon statements of the borrower made in the loan application process, but may not rely upon statements made by the school in that process. A non-school lender that does not have an origination relationship with a school with respect to a loan may rely in good faith upon statements of both the borrower and the school in the loan application process. Except as provided in 34 CFR part 668, subpart E, a school lender may rely in good faith upon statements made by the borrower in the loan application process.

(b) Processing forms. Before disbursing a loan, a lender must determine that all required forms have been accurately completed by the borrower, the student, the school, and the lender. A lender may not ask the borrower to sign any form before the borrower has provided on the form all information requested from the borrower.

MEETING 2
FEBRUARY 13-17, 2012

(c) Approval of borrower and determination of loan amount. (1) A lender may make a loan only to an eligible borrower. To the extent authorized by paragraph (a)(2) of this section, the lender may rely on the information provided by the school, the borrower, and, if the borrower is a parent, the student on whose behalf the loan is sought, in determining the borrower's eligibility for a loan.

(2) Except in the case of a Consolidation loan, in determining the amount of the loan to be made, in no case may the loan amount exceed the lesser of the amount the borrower requests, the amount certified by the school under §682.603, or the loan limits under §682.204.

(d) (1) The lender must ensure that each loan is supported by an executed legally-enforceable promissory note as proof of the borrower's indebtedness.

(e) Security, endorsement, and co-makers. (1) A FFEL Program loan must be made without security or endorsement, except as provided in paragraph (c)(2) of this section.

(2) A Federal PLUS Program Loan may be made to an eligible borrower with an endorser who is secondarily liable for repayment of the loan.

(3) A Federal Consolidation loan, based on an application received prior to July 1, 2006, may be made to two eligible spouses provided both borrowers agree to be jointly and severally liable for repayment of the loan as co-makers.

(f) Additional requirements for Consolidation loans. (1) Prior to making any

payments to pay off a loan with the proceeds of a Consolidation loan, the lender shall—

(i) Obtain from the holder of each loan to be consolidated a certification with respect to the loan held by the holder that—

(A) The loan is a legal, valid, and binding obligation of the borrower;

(B) The loan was made and serviced in compliance with applicable laws and regulations; and

(C) In the case of a FFEL loan, that the guarantee on the loan is in full force and effect; and

(ii) Consistent with the requirements of §682.205(i)(7), notify the borrower, upon receipt of all information necessary to make the Consolidation loan, of the borrower's option to cancel the Consolidation loan, and the deadline by which the borrower must notify the lender that he or she wishes to cancel the loan. The lender must allow the borrower no less than 10 days from the date of the notice to cancel the loan.

(2) The Consolidation loan lender may rely in good faith on the certification provided under paragraph (f)(1)(i) of this section by the holder of a loan to be consolidated.

(ii) The outstanding balance of the loans;

(iii) Information concerning the repayment status of the loan, no less frequently than every 90 days or quarterly after a change in that status from current to delinquent;

(iv) The date the loan is fully repaid by, or on behalf of, the borrower, or discharged by reason of the borrower's death, bankruptcy, or total and permanent disability, within 90 days after that date;

(A) Notify the consumer reporting agency ~~credit bureau~~ of its determination; and

(B) Comply with §§682.300(b)(2)(ix) and 682.302(d)(1)(viii).

(1) To provide for graduated or income-sensitive repayment terms. The Secretary strongly encourages lenders to provide a graduated or income-sensitive repayment schedule to a borrower providing for at least the payment of interest charges, unless the borrower requests otherwise, in order to make the borrower's repayment burden commensurate with his or her projected ability to pay; or

(2) To provide a single repayment schedule, as authorized and if practicable, for all FFEL program loans to the borrower held by the lender.

(e)(1) If the assignment or transfer of ownership interest of a Stafford, PLUS, SLS, or Consolidation loan is to result in a change in the identity of the party to whom the borrower must send subsequent payments, the assignor and assignee of the loan shall, no later than 45 days from the date the assignee acquires a legally enforceable right to receive payment from the borrower on the assigned loan, provide, either jointly or separately, a notice to the borrower of—

MEETING 2
FEBRUARY 13-17, 2012

(3) For purposes of this paragraph, the term “assigned” is defined in §682.401(b)(17)(ii).

(ii) The day after withdrawal as determined pursuant to 34 CFR 668.22; or

(iii) 60 days following the last day for completing the program as established by the school.

(5) For purposes of establishing the beginning of the repayment period for Stafford and SLS loans, the grace periods referenced in paragraphs (a)(2)(iii) and (a)(3)(i) of this section exclude any period during which a borrower who is a member of a reserve component of the Armed Forces named in section 10101 of title 10, United States Code is called or ordered to active duty for a period of more than 30 days. Any single excluded period may not exceed three years and includes the time necessary for the borrower to resume enrollment at the next available regular enrollment period. Any Stafford or SLS borrower who is in a grace period when called or ordered to active duty as specified in this paragraph is entitled to a full grace period upon completion of the excluded period.

(6)(i) The repayment schedule may provide for substantially equal installment payments or for installment payments that increase or decrease in amount during the repayment period. If the loan has a variable

FEBRUARY 13-17, 2012

interest rate that changes annually, the lender may establish a repayment schedule that—

(A) Provides for adjustments of the amount of the installment payment to reflect annual changes in the variable interest rate; or

(B) Contains no provision for an adjustment of the amount of the installment payment to reflect annual changes in the variable interest rate, but requires the lender to grant a forbearance to the borrower (or endorser, if applicable) for a period of up to 3 years of payments in accordance with §682.211(i)(5) in cases where the effect of a variable interest rate on a standard or graduated repayment schedule would result in a loan not being repaid within the maximum repayment term.

(ii) If a graduated or income-sensitive repayment schedule is established, it may not provide for any single installment that is more than three times greater than any other installment. An agreement as specified in paragraph (c)(1)(ii) of this section is not required if the schedule provides for less than the minimum annual payment amount specified in paragraph (c)(1)(i) of this section.

(iii) Not more than six months prior to the date that the borrower's first payment is due, the lender must offer the borrower a choice of a standard, income-sensitive, income-based, graduated, or, if applicable, an extended repayment schedule.

(iv) Except in the case of an income-based repayment schedule, the repayment schedule must require that each payment

equal at least the interest that accrues during the interval between scheduled payments.

(v) The lender shall require the borrower to repay the loan under a standard repayment schedule described in paragraph (a)(6)(vi) of this section if the borrower—

(A) Does not select an income-sensitive, income-based, graduated, or, if applicable, an extended repayment schedule within 45 days after being notified by the lender to choose a repayment schedule;

(B) Chooses an income-sensitive repayment schedule, but does not provide the documentation requested by the lender under paragraph (a)(6)(viii)(C) of this section within the time period specified by the lender; or

(C) Chooses an income-based repayment schedule, but does not provide the income documentation requested by the lender under §682.215(e)(1)(i) within the time period specified by the lender.

(vi) Under a standard repayment schedule, the borrower is scheduled to pay either—

(A) The same amount for each installment payment made during the repayment period, except that the borrower's final payment may be slightly more or less than the other payments; or

(B) An installment amount that will be adjusted to reflect annual changes in the loan's variable interest rate.

(vii) Under a graduated repayment schedule—

MEETING 2
FEBRUARY 13-17, 2012

(A)(1) The amount of the borrower's installment payment is scheduled to change (usually by increasing) during the course of the repayment period; or

(2) If the loan has a variable interest rate that changes annually, the lender may establish a repayment schedule that may have adjustments in the payment amount as provided under paragraph (a)(6)(i) of this section; and

(B) An agreement as specified in paragraph (c)(1)(ii) of this section is not required if the schedule provides for less than the minimum annual payment amount specified in paragraph (c)(1)(i) of this section.

(viii) Under an income-sensitive repayment schedule—

(A)(1) The amount of the borrower's installment payment is adjusted annually, based on the borrower's expected total monthly gross income received by the borrower from employment and from other sources during the course of the repayment period; or

(2) If the loan has a variable interest rate that changes annually, the lender may establish a repayment schedule that may have adjustments in the payment amount as provided under paragraph (a)(6)(i) of this section; and

(B) In general, the lender shall request the borrower to inform the lender of his or her income no earlier than 90 days prior to the due date of the borrower's initial installment payment and subsequent annual payment adjustment under an income-sensitive repayment schedule. The

income information must be sufficient for the lender to make a reasonable determination of what the borrower's payment amount should be. If the lender receives late notification that the borrower has dropped below half-time enrollment status at a school, the lender may request that income information earlier than 90 days prior to the due date of the borrower's initial installment payment;

(C) If the borrower reports income to the lender that the lender considers to be insufficient for establishing monthly installment payments that would repay the loan within the applicable maximum repayment period, the lender shall require the borrower to submit evidence showing the amount of the most recent total monthly gross income received by the borrower from employment and from other sources including, if applicable, pay statements from employers and documentation of any income received by the borrower from other parties;

(D) The lender shall grant a forbearance to the borrower (or endorser, if applicable) for a period of up to 5 years of payments in accordance with §682.211(i)(5) in cases where the effect of decreased installment amounts paid under an income-sensitive repayment schedule would result in a loan not being repaid within the maximum repayment term; and

(E) The lender shall inform the borrower that the loan must be repaid within the time limits specified under paragraph (a)(7) of this section.

(ix) Under an extended repayment schedule, a new borrower whose total outstanding principal and interest in FFEL

MEETING 2
FEBRUARY 13-17, 2012

loans exceed \$30,000 may repay the loan on a fixed annual repayment amount or a graduated repayment amount for a period that may not exceed 25 years. For purposes of this section, a "new borrower" is an individual who has no outstanding principal or interest balance on an FFEL Program loan as of October 7, 1998, or on the date he or she obtains an FFEL Program loan after October 7, 1998.

(x) Under an income-based repayment schedule, the borrower repays the loan in accordance with §682.215.

(xi) A borrower may request a change in the repayment schedule on a loan. The lender must permit the borrower to change the repayment schedule no less frequently than annually, or at any time in the case of a borrower in an income-based repayment plan.

(xii) For purposes of this section, a lender shall, to the extent practicable require that all FFEL loans owed by a borrower to the lender be combined into one account and repaid under one repayment schedule. In that event, the word "loan" in this section shall mean all of the borrower's loans that were combined by the lender into that account.

(7)(i) Subject to paragraphs (a)(7)(ii) through (iv) of this section, and except as provided in paragraph (a)(6)(ix) a lender shall allow a borrower at least 5 years, but not more than 10 years, or 25 years under an extended repayment plan to repay a Stafford, SLS, or PLUS loan, calculated from the beginning of the repayment period. Except in the case of a FISL loan for a period of enrollment beginning on or after July 1, 1986, the lender shall require a borrower to

fully repay a FISL loan within 15 years after it is made.

(ii) If the borrower receives an authorized deferment or is granted forbearance, as described in §682.210 or §682.211 respectively, the periods of deferment or forbearance are excluded from determinations of the 5-, 10-, and 15- and 25-year periods, and from the 10-, 12-, 15-, 20-, 25-, and 30-year periods for repayment of a Consolidation loan pursuant to §682.209(h).

(iii) If the minimum annual repayment required in paragraph (c) of this section would result in complete repayment of the loan in less than 5 years, the borrower is not entitled to the full 5-year period.

(iv) The borrower may, prior to the beginning of the repayment period, request and be granted by the lender a repayment period of less than 5 years. Subject to paragraph (a)(7)(iii) of this section, a borrower who makes such a request may notify the lender at any time to extend the repayment period to a minimum of 5 years.

(8) If, with respect to the aggregate of all loans held by a lender, the total payment made by a borrower for a monthly or similar payment period would not otherwise be a multiple of five dollars, except in the case of payments made under an income-based repayment plan, the lender may round that periodic payment to the next highest whole dollar amount that is a multiple of five dollars.

(b) Payment application and repayment. (1) Except in the case of payments made under an income-based repayment plan, the lender may credit the

MEETING 2
FEBRUARY 13-17, 2012

entire payment amount first to any late charges accrued or collection costs and then to any outstanding interest and then to outstanding principal.

(2)(i) The borrower may prepay the whole or any part of a loan at any time without penalty.

(ii) If the prepayment amount equals or exceeds the monthly payment amount under the repayment schedule established for the loan, the lender shall apply the prepayment to future installments by advancing the next payment due date, unless the borrower requests otherwise. The lender must either inform the borrower in advance using a prominent statement in the borrower's coupon book or billing statement that any additional full payment amounts submitted without instructions to the lender as to their handling will be applied to future scheduled payments with the borrower's next scheduled payment due date advanced consistent with the number of additional payments received, or provide a notification to the borrower after the payments are received informing the borrower that the payments have been so applied and the date of the borrower's next scheduled payment due date. Information related to next scheduled payment due date need not be provided to borrower's making such prepayments while in an in-school, grace, deferment, or forbearance period when payments are not due.

(c) Minimum annual payment. (1)(i) Subject to paragraph (c)(1)(ii) of this section and except as otherwise provided by a graduated, income-sensitive, extended, or income-based repayment plan selected by the borrower, during each year of the

repayment period, a borrower's total payments to all holders of the borrower's FFEL Program loans must total at least \$600 or the unpaid balance of all loans, including interest, whichever amount is less.

(ii) If the borrower and the lender agree, the amount paid may be less.

(2) The provisions of paragraphs (c)(1)(i) and (ii) of this section may not result in an extension of the maximum repayment period unless forbearance as described in §682.211, or deferment described in §682.210, has been approved.

(d) Combined repayment of a borrower's student PLUS and SLS loans held by a lender.

(1) A lender may, at the request of a student borrower, combine the borrower's, student PLUS and SLS loans held by it into a single repayment schedule.

(2) The repayment period on the loans included in the combined repayment schedule must be calculated based on the beginning of repayment of the most recent included loan.

(3) The interest rate on the loans included in the new combined repayment schedule must be the weighted average of the rates of all included loans.

~~**(e) Refinancing a fixed-rate PLUS or SLS Program loan to secure a variable interest rate.** (1) Subject to paragraph (g) of this section, a lender may, at the request of a borrower, refinance a PLUS or SLS loan with a fixed interest rate in order to permit the borrower to obtain a variable interest rate.~~

(4) The refinancing lender may charge the borrower an insurance premium on a loan made under paragraph (f)(1) of this section, but may not charge a fee to cover administrative costs.

(5) For purposes of deferments under §682.210, the refinancing loan—

(i) Is considered a PLUS loan if any of the included loans is a PLUS loan made to a parent;

(ii) Is considered an SLS loan if the combined loan does not include a PLUS loan made to a parent; or

§ 682.210 Deferment.

(a) General. (1)(i) A borrower is entitled to have periodic installment payments of principal deferred during authorized periods after the beginning of the repayment period, pursuant to paragraph (b) and paragraphs (s) through (v) of this section.

(ii) With the exception of a deferment authorized under paragraph (o) of this section, a borrower may continue to receive a specific type of deferment that is limited to a maximum period of time only if the total amount of time that the borrower has received the deferment does not exceed the maximum time period allowed for the deferment.

(2)(i) For a loan made before October 1, 1981, the borrower is also entitled to have periodic installments of principal deferred during the six-month period (post-deferment grace period) that begins after the completion of each deferment period or combination of those periods, except as provided in paragraph (a)(2)(ii) of this section.

(ii) Once a borrower receives a post-deferment grace period following an unemployment deferment, as described in paragraph (b)(1)(v) of this section, the borrower does not qualify for additional post-deferment grace periods following subsequent unemployment deferments.

(3)(i) Interest accrues and is paid by—

(A) The Secretary during the deferment period for a subsidized Stafford loan and for all or a portion of a Consolidation loan that qualifies for interest benefits under §682.301; or

(B) The borrower during the deferment period and, as applicable, the post-deferment grace period, on all other loans.

(ii) A borrower who is responsible for payment of interest during a deferment period must be notified by the lender, at or before the time the deferment is granted, that the borrower has the option to pay the accruing interest or cancel the deferment and continue paying on the loan. The lender must also provide information, including an example, on the impact of capitalization of accrued, unpaid interest on loan principal, and on the total amount of interest to be paid over the life of the loan.

(4) As a condition for receiving a deferment, except for purposes of paragraphs (c)(1)(ii), (iii), and (iv) of this section, the borrower must request the deferment, and provide the lender with all information and documents required to establish eligibility for a specific type of deferment.

(5) An authorized deferment period begins on the date that the holder determines is the date that the condition entitling the borrower to the deferment first existed, except that an initial unemployment deferment as described in paragraph (h)(2) of this section cannot begin more than 6 months before the date the holder receives a request and documentation required for the deferment.

MEETING 2
FEBRUARY 13-17, 2012

(6) An authorized deferment period ends on the earlier of—

(i) The date when the condition establishing the borrower's eligibility for the deferment ends;

(ii) Except as provided in paragraph (a)(6)(iv) of this section, the date on which, as certified by an authorized official, the borrower's eligibility for the deferment is expected to end;

(iii) Except as provided in paragraph (a)(6)(iv) of this section, the expiration date of the period covered by any certification required by this section to be obtained for the deferment;

(iv) In the case of an in-school deferment, the student's anticipated graduation date as certified by an authorized official of the school; or

(v) The date when the condition providing the basis for the borrower's eligibility for the deferment has continued to exist for the maximum amount of time allowed for that type of deferment.

(7) A lender may not deny a borrower a deferment to which the borrower is entitled, even though the borrower may be delinquent, but not in default, in making required installment payments. The 270- or 330-day period required to establish default does not run during the deferment and post-deferment grace periods. Unless the lender has granted the borrower forbearance under §682.211, when the deferment and, if applicable, the post-deferment grace period expire, a borrower resumes any delinquency status that existed when the deferment period began.

(8) A borrower whose loan is in default is not eligible for a deferment on that loan, unless the borrower has made payment arrangements acceptable to the lender prior to the payment of a default claim by a guaranty agency.

(9) The borrower promptly must inform the lender when the condition entitling the borrower to a deferment no longer exists.

(10) Authorized deferments are described in paragraph (b) of this section. Specific requirements for each deferment are set forth in paragraphs (c) through (s) of this section.

(11) If two individuals are jointly liable for repayment of a PLUS loan or a Consolidation loan, the lender shall grant a request for deferment if both individuals simultaneously meet the requirements of this section for receiving the same, or different deferments.

(4) In the case of a FFEL borrower, the lender shall treat a certified loan application or other form certified by the school or for multiple holders of a borrower's loans, shared data from the Student Status Confirmation Report, as sufficient documentation for an in-school student deferment for any outstanding FFEL loan previously made to the borrower that is held by the lender.

(i) If the borrower is teaching in a State in which the Chief State School Officer has complied with paragraph (q)(3) of this section and provides an annual listing of designated teacher shortage areas to the State's chief administrative officers whose schools are affected by the Secretary's designations, the borrower may obtain a certification that he or she is teaching in a teacher shortage area from his or her school's chief administrative officer.

(ii) If a borrower is teaching in a State in which the Chief State School Officer has not complied with paragraph (q)(3) of this section or does not provide an annual listing of designated teacher shortage areas to the State's chief administrative officers whose schools are affected by the Secretary's designations, the borrower must obtain certification that he or she is teaching in a teacher shortage area from the Chief State School Officer for the State in which the borrower is teaching.

(4) If a borrower who receives a deferment continues to teach in the same teacher shortage area as that in which he or she was teaching when the deferment was originally granted, the borrower shall, at the borrower's request, continue to receive the deferment for those subsequent years, up to the three-year maximum deferment period, even if his or her position does not continue to be within an area designated by the Secretary as a teacher shortage area in those subsequent years. With respect to private nonprofit schools included in the recommendation, the Chief State School Officer shall consult with appropriate officials of the private nonprofit schools in the State prior to submitting the recommendation.

(ii) In identifying teacher shortage areas to propose for designation under paragraph (q)(6)(i) of this section, the Chief State School Officer shall consider data from the school year in which the recommendation is to be made, unless that data is not yet available, in which case he or she may use data from the immediately preceding school year, with respect to—

(iv) If the total number of unduplicated FTE elementary and secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation exceeds 5 percent of the total number of elementary and secondary FTE teaching positions in the State, the Chief State School Officer shall submit, with the list of proposed areas, supporting documentation showing the methods used for identifying shortage areas, and an explanation of the reasons why the Secretary should nevertheless designate all of the proposed areas as teacher shortage areas. The explanation must include a ranking of the proposed shortage areas according to priority, to assist the Secretary in determining which areas should be designated. The Secretary, after considering the explanation, determines which shortage areas to designate as teacher shortage areas.

(7) A Chief State School Officer may submit to the Secretary for approval an alternative written procedure to the one described in paragraph (q)(6) of this section, for the Chief State School Officer to use to

select the teacher shortage areas recommended to the Secretary for designation, and for the Secretary to use to choose the areas to be designated. A lender must resolve any discrepant information before granting a deferment under paragraph (s)(1)(iii) of this section.

(v) A lender that grants a deferment under paragraph (s)(1)(iii) of this section must notify the borrower that the deferment has been granted and that the borrower has the option to pay interest that accrues on an unsubsidized FFEL loan or to cancel the deferment and continue to make payments on the loan.

(8) A lender that grants a military service deferment based on a request from a borrower's representative must notify the borrower that the deferment has been granted and that the borrower has the option to cancel the deferment and continue to make payments on the loan. The lender may also notify the borrower's representative of the outcome of the deferment request.

(9) Without supporting documentation, a military service deferment may be granted to an otherwise eligible borrower for a period not to exceed the initial 12 months from the date the qualifying eligible service began based on a request from the borrower or the borrower's representative.

(u) Post-active duty student deferment.

(1) Effective October 1, 2007, a borrower who receives a FFEL Program loan and is serving on active duty on that date, or begins serving on or after that date, is entitled to receive a post-active duty student deferment for 13 months following the conclusion of the borrower's active duty military service and any applicable grace period if—

(3) If the borrower returns to enrolled student status, on at least a half-time basis, during the 13-month deferment period, the deferment expires at the time the borrower returns to enrolled student status, on at least a half-time basis.

MEETING 2
FEBRUARY 13-17, 2012

The notice required by §682.210(c)(2) must inform the borrower that the in-school deferment on a PLUS loan first disbursed on or after July 1, 2008 will end six months after the day the borrower ceases to be enrolled on at least a half-time basis.

(2) Upon the request of the borrower, an eligible parent PLUS borrower must be granted a deferment on a PLUS loan first disbursed on or after July 1, 2008—

(2) Subject to paragraph (g) of this section, a lender may grant forbearance of payments of principal and interest under paragraphs (b), (c), and (d) of this section only if—

(i) The lender reasonably believes, and documents in the borrower's file, that the borrower or endorser intends to repay the loan but, due to poor health or other acceptable reasons, is currently unable to make scheduled payments; or

(ii) The borrower's payments of principal are deferred under §682.210 and the Secretary does not pay interest benefits on behalf of the borrower under §682.301.

(3) If two individuals are jointly liable for repayment of a PLUS loan or a Consolidation loan, the lender may grant forbearance on repayment of the loan only if the ability of both individuals to make scheduled payments has been impaired based on the same or differing conditions.

(4) Except as provided in paragraph (f)(10) of this section, if payments of interest are forborne, they may be capitalized as provided in §682.202(b).

(b) A lender may grant forbearance if—

(1) The lender and the borrower or endorser agree to the terms of the forbearance and, unless the agreement was in writing, the lender sends, within 30 days, a notice to the borrower or endorser confirming the terms of the forbearance and records the terms of the forbearance in the borrower's file; or

(2) In the case of forbearance of interest during a period of deferment, if the lender informs the borrower at the time the deferment is granted that interest payments are to be forborne.

(c) A lender may grant forbearance for a period of up to one year at a time if both the borrower or endorser and an authorized official of the lender agree to the terms of the forbearance. If the lender and the borrower or endorser agree to the terms orally, the lender must notify the borrower or endorser of the terms within 30 days of that agreement.

(d) A guaranty agency may authorize a lender to grant forbearance to permit a borrower or endorser to resume honoring the agreement to repay the debt after default but prior to claim payment. The terms of the forbearance agreement in this situation must include a new signed agreement to repay the debt. **[SEE ALSO ISSUE PAPER #6 FOR NEW LANGUAGE]**

(A) On the day after the grace period expires for a Stafford loan that has not entered repayment; or

(B) On the day after the borrower ceases at least half-time enrollment, for a FFEL loan in repayment.

(3) *Forbearance agreement.* After the lender determines the borrower's or endorser's eligibility, and the lender and the borrower or endorser agree to the terms of the forbearance granted under this section, the lender sends, within 30 days, a notice to the borrower or endorser confirming the terms of the forbearance and records the terms of the forbearance in the borrower's file.

(B) Certify the borrower's intent to satisfy the requirements of §682.215(c).

(i) Mandatory administrative forbearance. (1) The lender shall grant a mandatory administrative forbearance for the periods specified in paragraph (i)(2) of this section until the lender is notified by the Secretary or a guaranty agency that the forbearance period no longer applies. The lender may not require a borrower who is eligible for a forbearance under paragraph (i)(2)(ii) of this section to submit a request or supporting documentation, but shall require a borrower (or endorser, if applicable) who requests forbearance because of a military mobilization to provide documentation showing that he or she is subject to a military mobilization as described in paragraph (i)(4) of this section.

(2) The lender is not required to notify the borrower (or endorser, if applicable) at the time the forbearance is granted, but shall grant a forbearance to a borrower or endorser during a period, and the 30 days following the period, when the lender is notified by the Secretary that—

(i) Exceptional circumstances exist, such as a local or national emergency or military mobilization; or

(ii) The geographical area in which the borrower or endorser resides has been designated a disaster area by the president of the United States or Mexico, the Prime Minister of Canada, or by a Governor of a State.

This term also includes the assignment of other members of the Armed Forces to duty stations at locations other than the locations at which they were normally assigned, only if the military mobilization involved the activation of the National Guard or Reserves.

(5) The lender shall grant a mandatory administrative forbearance to a borrower (or endorser, if applicable) during a period when the borrower (or endorser, if applicable) is making payments for a period of—

(i) Up to 3 years of payments in cases where the effect of a variable interest rate on a standard or graduated repayment schedule would result in a loan not being repaid within the maximum repayment term; or

(ii) Up to 5 years of payments in cases where the effect of decreased installment amounts paid under an income-sensitive repayment schedule would result in the loan not being repaid within the maximum repayment term.

(6) The lender shall grant a mandatory administrative forbearance to a borrower for a period not to exceed 60 days after the lender receives reliable information indicating that the borrower (or student in the case of a PLUS loan) has died, until the lender receives documentation of death pursuant to §682.402(b)(3).

(a) Definitions. As used in this section—

(1) *Adjusted gross income* (AGI) means the borrower's adjusted gross income as reported to the Internal Revenue Service. For a married borrower filing jointly, AGI includes both the borrower's and spouse's income. For a married borrower filing separately, AGI includes only the borrower's income.

(2) *Eligible loan* means any outstanding loan made to a borrower under the FFEL and Direct Loan programs except for a defaulted loan, a FFEL or Direct PLUS Loan made to a parent borrower, or a FFEL or

Direct Consolidation Loan that repaid a FFEL or Direct PLUS Loan made to a parent borrower.

(3) *Family size* means the number that is determined by counting the borrower, the borrower's spouse, and the borrower's children, including unborn children who will be born during the year the borrower certifies family size, if the children receive more than half their support from the borrower. A borrower's family size includes other individuals if, at the time the borrower certifies family size, the other individuals—

(i) Live with the borrower; and

(ii) Receive more than half their support from the borrower and will continue to receive this support from the borrower for the year the borrower certifies family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs.

(4) *Partial financial hardship* means a circumstance in which—

(i) For an unmarried borrower or a married borrower who files an individual Federal tax return, the annual amount due on all of the borrower's eligible loans, as calculated under a standard repayment plan based on a 10-year repayment period, using the greater of the amount due at the time the borrower initially entered repayment or at the time the borrower elects the income-based repayment plan, exceeds 15 percent of the difference between the borrower's AGI and 150 percent of the poverty guideline for the borrower's family size; or

(ii) For a married borrower who files a joint Federal tax return with his or her spouse, the annual amount due on all of the borrower's eligible loans and, if applicable, the spouse's eligible loans, as calculated under a standard repayment plan based on a 10-year repayment period, using the greater of the amount due at the time the loans initially entered repayment or at the time the borrower or spouse elects the income-based repayment plan, exceeds 15 percent of the difference between the borrower's and spouse's AGI, and 150 percent of the poverty guideline for the borrower's family size.

(5) *Poverty guideline* refers to the income categorized by State and family size in the poverty guidelines published annually by the United States Department of Health and Human Services pursuant to 42 U.S.C. 9902(2). If a borrower is not a resident of a State identified in the poverty guidelines, the poverty guideline to be used for the borrower is the poverty guideline (for the relevant family size) used for the 48 contiguous States.

(b) *Repayment plan.* (1) A borrower may elect the income-based repayment plan only if the borrower has a partial financial hardship. The borrower's aggregate monthly loan payments are limited to no more than 15 percent of the amount by which the borrower's AGI exceeds 150 percent of the poverty line income applicable to the borrower's family size, divided by 12. The loan holder adjusts the calculated monthly payment if—

FEBRUARY 13-17, 2012

includes loans not held by the loan holder, in which case the loan holder determines the borrower's adjusted monthly payment by multiplying the calculated payment by the percentage of the total outstanding principal amount of eligible loans that are held by the loan holder;

(ii) Both the borrower and the borrower's spouse have eligible loans and filed a joint Federal tax return, in which case the loan holder determines—

(A) Each borrower's percentage of the couple's total eligible loan debt;

(B) The adjusted monthly payment for each borrower by multiplying the calculated payment by the percentage determined in paragraph (b)(1)(ii)(A) of this section; and

(C) If the borrower's loans are held by multiple holders, the borrower's adjusted monthly payment by multiplying the payment determined in paragraph (b)(1)(ii)(B) of this section by the percentage of the total outstanding principal amount of eligible loans that are held by the loan holder;

(iii) The calculated amount under paragraph (b)(1), (b)(1)(i), or (b)(1)(ii) of this section is less than \$5.00, in which case the borrower's monthly payment is \$0.00; or

(iv) The calculated amount under paragraph (b)(1), (b)(1)(i), or (b)(1)(ii) of this section is equal to or greater than \$5.00 but less than \$10.00, in which case the borrower's monthly payment is \$10.00.

(2) A borrower with eligible loans held by two or more loan holders must request income-based repayment from each loan holder if the borrower wants to repay all of

his or her eligible loans under an income-based repayment plan. Each loan holder must apply the payment calculation rules in paragraphs (b)(1)(iii) and (iv) of this section to loans they hold.

(3) If a borrower elects an income-based repayment plan, the loan holder must, unless the borrower requests otherwise, require that all eligible loans owed by the borrower to that holder be repaid under the income-based repayment plan.

(4) If the borrower's monthly payment amount is not sufficient to pay the accrued interest on the borrower's subsidized Stafford Loans or the subsidized portion of the borrower's Federal Consolidation loan, the Secretary pays to the holder the remaining accrued interest for a period not to exceed three consecutive years from the established repayment period start date on each loan repaid under the income-based repayment plan. On a Consolidation Loan that repays loans on which the Secretary has paid accrued interest under this section, the three-year period includes the period for which the Secretary paid accrued interest on the underlying loans. The three-year period does not include any period during which the borrower receives an economic hardship deferment.

(5) Except as provided in paragraph (b)(4) of this section, accrued interest is capitalized at the time the borrower chooses to leave the income-based repayment plan or no longer has a partial financial hardship.

(6) If the borrower's monthly payment amount is not sufficient to pay any principal due, the payment of that principal is postponed until the borrower chooses to

MEETING 2
FEBRUARY 13-17, 2012

leave the income-based repayment plan or no longer has a partial financial hardship.

(7) The special allowance payment to a lender during the period in which the borrower has a partial financial hardship under an income-based repayment plan is calculated on the principal balance of the loan and any accrued interest unpaid by the borrower.

(8) The repayment period for a borrower under an income-based repayment plan may be greater than 10 years.

(c) Payment application and prepayment. (1) The loan holder shall apply any payment made under an income-based repayment plan in the following order:

- (i) Accrued interest.
- (ii) Collection costs.
- (iii) Late charges.
- (iv) Loan principal.

(2) The borrower may prepay the whole or any part of a loan at any time without penalty.

(3) If the prepayment amount equals or exceeds a monthly payment amount of \$10.00 or more under the repayment schedule established for the loan, the loan holder shall apply the prepayment consistent with the requirements of §682.209(b)(2)(ii).

(4) If the prepayment amount exceeds the monthly payment amount of \$0.00 under the repayment schedule established for the loan, the loan holder shall apply the prepayment consistent with the

requirements of paragraph (c)(1) of this section.

(d) Changes in the payment amount. (1) If a borrower no longer has a partial financial hardship, the borrower may continue to make payments under the income-based repayment plan but the loan holder must recalculate the borrower's monthly payment. The loan holder also recalculates the monthly payment for a borrower who chooses to stop making income-based payments. In either case, as a result of the recalculation—

(i) The maximum monthly amount that the loan holder may require the borrower to repay is the amount the borrower would have paid under the FFEL standard repayment plan based on a 10-year repayment period on the borrower's eligible loans that were outstanding at the time the borrower began repayment on the loans with that holder under the income-based repayment plan; and

(ii) The borrower's repayment period based on the recalculated payment amount may exceed 10 years.

(2) If a borrower no longer wishes to pay under the income-based repayment plan, the borrower must pay under the FFEL standard repayment plan and the loan holder recalculates the borrower's monthly payment based on—

(i) The time remaining under the maximum ten-year repayment period for the amount of the borrower's loans that were outstanding at the time the borrower discontinued paying under the income-based repayment plan; or

MEETING 2
FEBRUARY 13-17, 2012

(ii) For a Consolidation Loan, the applicable repayment period remaining specified in §682.209(h)(2) for the total amount of that loan and the balance of other student loans that was outstanding at the time the borrower discontinued paying under the income-based repayment plan.

(e) Eligibility documentation and verification. (1) The loan holder determines whether a borrower has a partial financial hardship to qualify for the income-based repayment plan for the year the borrower elects the plan and for each subsequent year that the borrower remains on the plan. To make this determination, the loan holder requires the borrower to—

(i)(A) Provide written consent to the disclosure of AGI and other tax return information by the Internal Revenue Service to the loan holder. The borrower provides consent by signing a consent form and returning it to the loan holder;

(B) If the borrower's AGI is not available, or the loan holder believes that the borrower's reported AGI does not reasonably reflect the borrower's current income, the loan holder may use other documentation provided by the borrower to verify income; and

(ii) Annually certify the borrower's family size. If the borrower fails to certify family size, the loan holder must assume a family size of one for that year.

(2) The loan holder designates the repayment option described in paragraph (d)(1) of this section for any borrower who selects the income-based repayment plan but—

(i) Fails to renew the required written consent for income verification; or

(ii) Withdraws consent and does not select another repayment plan.

(f) Loan forgiveness. (1) To qualify for loan forgiveness after 25 years, the borrower must have participated in the income-based repayment plan and satisfied at least one of the following conditions during that period—

(i) Made reduced monthly payments under a partial financial hardship as provided under paragraph (b)(1) of this section. Monthly payments of \$0.00 qualify as reduced monthly payments as provided in paragraph (b)(1)(ii) of this section;

(ii) Made reduced monthly payments after the borrower no longer had a partial financial hardship or stopped making income-based payments as provided in paragraph (d)(1) of this section;

(iii) Made monthly payments under any repayment plan, that were not less than the amount required under the FFEL standard repayment plan described in §682.209(a)(6)(vi) with a 10-year repayment period;

(iv) Made monthly payments under the FFEL standard repayment plan described in §682.209(a)(6)(vi) based on a 10-year repayment period for the amount of the borrower's loans that were outstanding at the time the borrower first selected the income-based repayment plan; or

(v) Received an economic hardship deferment on eligible FFEL loans.

MEETING 2
FEBRUARY 13-17, 2012

(2) As provided under paragraph (f)(4) of this section, the Secretary repays any outstanding balance of principal and accrued interest on FFEL loans for which the borrower qualifies for forgiveness if the guaranty agency determines that—

(i) The borrower made monthly payments under one or more of the repayment plans described in paragraph (f)(1) of this section, including a monthly amount of \$0.00 as provided in paragraph (b)(1)(ii) of this section; and

(ii)(A) The borrower made those monthly payments each year for a 25-year period; or

(B) Through a combination of monthly payments and economic hardship deferments, the borrower made the equivalent of 25 years of payments.

(3) For a borrower who qualifies for the income-based repayment plan, the beginning date for the 25-year period is—

(i) For a borrower who has a FFEL Consolidation Loan, the date the borrower made a payment or received an economic hardship deferment on that loan, before the date the borrower qualified for income-based repayment. The beginning date is the date the borrower made the payment or received the deferment, but no earlier than July 1, 2009;

(ii) For a borrower who has one or more other eligible FFEL loans, the date the borrower made a payment or received an economic hardship deferment on that loan. The beginning date is the date the borrower made that payment or received the

deferment on that loan, but no earlier than July 1, 2009;

(iii) For a borrower who did not make a payment or receive an economic hardship deferment on the loan under paragraph (f)(3)(i) or (ii) of this section, the date the borrower made a payment under the income-based repayment plan on the loan; or

(iv) If the borrower consolidates his or her eligible loans, the date the borrower made a payment on the FFEL Consolidation Loan that met the conditions in (f)(1) after qualifying for the income-based repayment plan.

(4) If a borrower satisfies the loan forgiveness requirements, the Secretary repays the outstanding balance and accrued interest on the FFEL Consolidation Loan described in paragraph (f)(3)(i), (iii), or (iv) of this section or other eligible FFEL loans described in paragraph (f)(3)(ii) or (iv) of this section.

(5) A borrower repaying a defaulted loan is not considered to be repaying under a qualifying repayment plan for the purpose of loan forgiveness, and any payments made on a defaulted loan are not counted toward the 25-year forgiveness period.

(g) Loan forgiveness processing and payment. (1) No later than 60 days after the loan holder determines that a borrower qualifies for loan forgiveness under paragraph (f) of this section, the loan holder must request payment from the guaranty agency.

(2) If the loan holder requests payment from the guaranty agency later than the

MEETING 2
FEBRUARY 13-17, 2012

period specified in paragraph (g)(1) of this section, interest that accrues on the discharged amount after the expiration of the 60-day filing period is ineligible for reimbursement by the Secretary, and the holder must repay all interest and special allowance received on the discharged amount for periods after the expiration of the 60-day filing period. The holder cannot collect from the borrower any interest that is not paid by the Secretary under this paragraph.

(3)(i) Within 45 days of receiving the holder's request for payment, the guaranty agency must determine if the borrower meets the eligibility requirements for loan forgiveness under this section and must notify the holder of its determination.

(ii) If the guaranty agency approves the loan forgiveness, it must, within the same 45-day period required under paragraph (g)(3)(i) of this section, pay the holder the amount of the forgiveness.

(4) After being notified by the guaranty agency of its determination of the eligibility of the borrower for loan forgiveness, the holder must, within 30 days, inform the borrower of the determination and, if appropriate, that the borrower's repayment obligation on the loans for which income-based forgiveness was requested is satisfied. The lender must also provide the borrower with information on the required handling of the forgiveness amount.

(5)(i) The holder must apply the proceeds of the income-based repayment loan forgiveness amount to satisfy the outstanding balance on those loans for which income-based forgiveness was requested; or

(ii) If the forgiveness amount exceeds the outstanding balance on the eligible loans subject to forgiveness, the loan holder must refund the excess amount to the guaranty agency.

(6) If the guaranty agency does not pay the forgiveness claim, the lender will continue the borrower in repayment on the loan. The lender is deemed to have exercised forbearance of both principal and interest from the date the borrower's repayment obligation was suspended until a new payment due date is established. Unless the denial of the forgiveness claim was due to an error by the lender, the lender may capitalize any interest accrued and not paid during this period, in accordance with §682.202(b).

(7) The loan holder must promptly return to the sender any payment received on a loan after the guaranty agency pays the loan holder the amount of loan forgiveness.

§ 682.216 Teacher loan forgiveness program.

(a) General. (1) The teacher loan forgiveness program is intended to encourage individuals to enter and continue in the teaching profession. For new borrowers, the Secretary repays the amount specified in this paragraph on the borrower's subsidized and unsubsidized Federal Stafford Loans, Direct Subsidized Loans, Direct Unsubsidized Loans, and in

MEETING 2
FEBRUARY 13-17, 2012

certain cases, Federal Consolidation Loans or Direct Consolidation Loans. The forgiveness program is only available to a borrower who has no outstanding loan balance under the FFEL Program or the Direct Loan Program on October 1, 1998 or who has no outstanding loan balance on the date he or she obtains a loan after October 1, 1998.

(2)(i) The borrower must have been employed at an eligible elementary or secondary school that serves low-income families or by an educational service agency that serves low-income families as a full-time teacher for five consecutive complete academic years. The required five years of teaching may include any combination of qualifying teaching service at an eligible elementary or secondary school or an eligible educational service agency.

(ii) Teaching at an eligible elementary or secondary school may be counted toward the required five consecutive complete academic years only if at least one year of teaching was after the 1997–1998 academic year.

(iii) Teaching ~~for~~ an educational service agency may be counted toward the required five consecutive complete academic years only if the consecutive five-year period includes qualifying service at an eligible educational service agency performed after the 2007–2008 academic year.

(3) All borrowers eligible for teacher loan forgiveness may receive loan forgiveness of up to a combined total of \$5,000 on the borrower's eligible FFEL and Direct Loan Program loans.

(4) A borrower may receive loan forgiveness of up to a combined total of \$17,500 on the borrower's eligible FFEL and Direct Loan Program loans if the borrower was employed for five consecutive years—

(i) At an eligible secondary school as a highly qualified mathematics or science teacher, or ~~for~~ an eligible educational service agency as a highly qualified teacher of mathematics or science to secondary school students; or

(ii) At an eligible elementary or secondary school or educational service agency as a special education teacher.

(5) The loan for which the borrower is seeking forgiveness must have been made prior to the end of the borrower's fifth year of qualifying teaching service.

(b) Definitions. The following definitions apply to this section:

Academic year means one complete school year at the same school, or two complete and consecutive half years at different schools, or two complete and consecutive half years from different school years at either the same school or different schools. Half years exclude summer sessions and generally fall within a twelve-month period. For schools that have a year-round program of instruction, a minimum of nine months is considered an academic year.

Educational service agency means a regional public multiservice agency authorized by State statute to develop, manage, and provide services or programs to local educational agencies, as defined in section 9101 of the Elementary and

MEETING 2
FEBRUARY 13-17, 2012

Secondary Education Act of 1965, as amended.

Elementary school means a public or nonprofit private school that provides elementary education as determined by State law or the Secretary if that school is not in a State.

Full-time means the standard used by a State in defining full-time employment as a teacher. For a borrower teaching in more than one school, the determination of full-time is based on the combination of all qualifying employment.

Highly qualified means highly qualified as defined in section 9101 of the Elementary and Secondary Education Act of 1965, as amended.

Secondary school means a public or nonprofit private school that provides secondary education as determined by State law or the Secretary if the school is not in a State.

(i) Is in a school district that qualifies for funds under title I of the Elementary and Secondary Education Act of 1965, as amended;

(ii) Has been selected by the Secretary based on a determination that more than 30 percent of the school's or educational service agency's total enrollment is made up of children who qualify for services provided under title I; and

(iii) Is listed in the *Annual Directory of Designated Low-Income Schools for Teacher Cancellation Benefits*. If this directory is not available before May 1 of any year, the previous year's directory may be used. The Secretary considers all elementary and secondary schools operated by the Bureau of Indian Education (BIE) or operated on Indian reservations by Indian tribal groups under contract with the BIE to qualify as schools serving low-income students.

(2) If the school or educational service agency at which the borrower is employed meets the requirements specified in paragraph (c)(1) of this section for at least one year of the borrower's five consecutive complete academic years of teaching and fails to meet those requirements in subsequent years, those subsequent years of teaching qualify for purposes of this section for that borrower.

(3) In the case of a borrower whose five consecutive complete years of qualifying teaching service began before October 30, 2004, the borrower—

(i) May receive up to \$5,000 of loan forgiveness if the borrower—

(A) Demonstrated knowledge and teaching skills in reading, writing, mathematics, and other areas of the elementary school curriculum, as certified by the chief administrative officer of the eligible elementary school or educational

(B) Taught as a special education teacher on a full-time basis to children with disabilities at an eligible elementary or secondary school or ~~for~~ an educational service agency and was a highly qualified special education teacher whose special education training corresponded to the children's disabilities and who has demonstrated knowledge and teaching skills in the content areas of the elementary or secondary school curriculum.

(iii) Teaching service performed ~~for~~ an eligible educational service agency may be counted toward the required five years of teaching only if the consecutive five-year period includes qualifying service at an eligible educational service agency performed after the 2007–2008 academic year.

(4) In the case of a borrower whose five consecutive years of qualifying teaching

service began on or after October 30, 2004, the borrower—

(i) May receive up to \$5,000 of loan forgiveness if the borrower taught full time at an eligible elementary or secondary school or ~~for~~ an educational service agency and was a highly qualified elementary or secondary school teacher.

(ii) May receive up to \$17,500 of loan forgiveness if the borrower—

(A) Taught mathematics or science on a full-time basis at an eligible secondary school, or taught mathematics or science on a full-time basis to secondary school students ~~for~~ an eligible educational service agency, and was a highly qualified mathematics or science teacher; or

(iii) Teaching service performed ~~for~~ an eligible educational service agency may be counted toward the required five years of teaching only if the consecutive five-year period includes qualifying service at an eligible educational service agency performed after the 2007–2008 academic year.

(5) To qualify for loan forgiveness as a highly qualified teacher, the teacher must

MEETING 2
FEBRUARY 13-17, 2012

have been a highly qualified teacher for all five years of eligible teaching service.

(6) For teacher loan forgiveness applications received by the loan holder on or after July 1, 2006, a teacher in a private, non-profit elementary or secondary school who is exempt from State certification requirements (unless otherwise applicable under State law) may qualify for loan forgiveness under paragraphs (c)(3)(ii) or (c)(4) of this section if—

(i) The private school teacher is permitted to and does satisfy rigorous subject knowledge and skills tests by taking competency tests in applicable grade levels and subject areas;

(ii) The competency tests are recognized by 5 or more States for the purposes of fulfilling the highly qualified teacher requirements under section 9101 of the Elementary and Secondary Education Act of 1965; and

(iii) The private school teacher achieves a score on each test that equals or exceeds the average passing score for those 5 states.

(7) The academic year may be counted as one of the borrower's five consecutive complete academic years if the borrower completes at least one-half of the academic year and the borrower's employer considers the borrower to have fulfilled his or her contract requirements for the academic year for the purposes of salary increases, tenure, and retirement if the borrower is unable to complete an academic year due to—

(i) A return to postsecondary education, on at least a half-time basis, that is directly related to the performance of the service described in this section;

(8) A borrower's period of postsecondary education, qualifying FMLA condition, or military active duty as described in paragraph (c)(7) of this section, including the time necessary for the borrower to resume qualifying teaching no later than the beginning of the next regularly scheduled academic year, does not constitute a break in the required five consecutive years of qualifying teaching service.

(9) A borrower who was employed as a teacher at more than one qualifying school, ~~for at~~ more than one qualifying educational service agency, or at a combination of both during an academic year and demonstrates that the combined teaching was the equivalent of full-time, as supported by the certification of one or more of the chief administrative officers of the schools or educational service agencies involved, is considered to have completed one academic year of qualifying teaching.

(10) A borrower is not eligible for teacher loan forgiveness on a defaulted loan unless the borrower has made satisfactory repayment arrangements to re-

FEBRUARY 13-17, 2012

establish title IV eligibility, as defined in §682.200.

(11) A borrower may not receive loan forgiveness for the same qualifying teaching service under this section if the borrower receives a benefit for the same teaching service under—

(i) Subtitle D of title I of the National and Community Service Act of 1990;

(ii) 34 CFR 685.219; or

(iii) Section 428K of the Act.

(d) Forgiveness amount. (1) A qualified borrower is eligible for forgiveness of up to \$5,000, or up to \$17,500 if the borrower meets the requirements of paragraphs (c)(3)(ii) or (c)(4)(ii) of this section. The forgiveness amount is deducted from the aggregate amount of the borrower's subsidized or unsubsidized Federal Stafford or Federal Consolidation Loan obligation that is outstanding after the borrower completes his or her fifth consecutive complete academic year of teaching as described in paragraph (c) of this section. Only the outstanding portion of the consolidation loan that was used to repay an eligible subsidized or unsubsidized Federal Stafford Loan, an eligible Direct Subsidized Loan, or an eligible Direct Unsubsidized Loan qualifies for loan forgiveness under this section.

(2) A borrower may not receive more than a total of \$5,000, or \$17,500 if the borrower meets the requirements of paragraphs (c)(3)(ii) or (c)(4)(ii) of this section, in loan forgiveness for outstanding principal and accrued interest under both

this section and under section 34 CFR 685.217.

(3) The holder does not refund payments that were received from or on behalf of a borrower who qualifies for loan forgiveness under this section.

(e) Authorized forbearance during qualifying teaching service and discharge processing. (1) A holder grants a forbearance—

(i) Under §682.211(h)(2)(ii)(C) and (h)(3)(iii), in annual increments for each of the years of qualifying teaching service, if the holder believes, at the time of the borrower's annual request, that the expected cancellation amount will satisfy the anticipated remaining outstanding balance on the loan at the time of the expected cancellation;

(ii) For a period not to exceed 60 days while the holder is awaiting a completed teacher loan forgiveness application from the borrower; and

(iii) For the period beginning on the date the holder receives a completed loan forgiveness application to the date the holder receives either a denial of the request or the loan discharge amount from the guaranty agency, in accordance with paragraph (f) of this section.

(2) At the conclusion of a forbearance authorized under paragraph (e)(1) of this section, the holder must resume collection activities and may capitalize any interest accrued and not paid during the forbearance period in accordance with §682.202(b).

MEETING 2
FEBRUARY 13-17, 2012

(3) Nothing in paragraph (e) of this section restricts holders from offering other forbearance options to borrowers who do not meet the requirements of paragraph (e)(1)(i) of this section.

(f) *Application and processing.* (1) A borrower, after completing the qualifying teaching service, requests loan forgiveness from the holder of the loan on a form approved by the Secretary.

(2)(i) The holder must file a request for payment with the guaranty agency on a teacher forgiveness discharge no later than 60 days after the receipt, from the borrower, of a completed teacher loan forgiveness application.

(ii) When filing a request for payment on a teacher forgiveness discharge, the holder must provide the guaranty agency with the completed loan forgiveness application submitted by the borrower and any required supporting documentation.

(iii) If the holder files a request for payment later than 60 days after the receipt of the completed teacher loan forgiveness application form, interest that accrued on the discharged amount after the expiration of the 60-day filing period is ineligible for reimbursement by the Secretary, and the holder must repay all interest and special allowance received on the discharged amount for periods after the expiration of the 60-day filing period. The holder cannot collect from the borrower any interest that is not paid by the Secretary under this paragraph.

(3)(i) Within 45 days of receiving the holder's request for payment, the guaranty agency must determine if the borrower

meets the eligibility requirements for loan forgiveness under this section and must notify the holder of its determination of the borrower's eligibility for loan forgiveness under this section.

(ii) If the guaranty agency approves the discharge, it must, within the same 45-day period, pay the holder the amount of the discharge, up to \$17,500, subject to paragraphs (c)(11), (d)(1), (d)(2) and (f)(2)(iii) of this section.

(4) After being notified by the guaranty agency of its determination of the eligibility of the borrower for the discharge, the holder must, within 30 days, inform the borrower of the determination. If the discharge is approved, the holder must also provide the borrower with information regarding any new repayment terms of remaining loan balances.

(5) Unless otherwise instructed by the borrower, the holder must apply the proceeds of the teacher forgiveness discharge first to any outstanding unsubsidized Federal Stafford loan balances, next to any outstanding subsidized Federal Stafford loan balances, then to any eligible outstanding Federal Consolidation loan balances.

(g) *Claims for reimbursement from the Secretary on loans held by guaranty agencies.* In the case of a teacher loan forgiveness discharge applied to a defaulted loan held by the guaranty agency, the Secretary pays the guaranty agency a percentage of the amount discharged that is equal to the complement of the reinsurance percentage paid on the loan. The payment of up to \$5,000, or up to \$17,500, may also include interest that

FEBRUARY 13-17, 2012

accrues on the discharged amount during the period from the date on which the guaranty agency received payment from the Secretary on a default claim to the date on which the guaranty agency determines that the borrower is eligible for the teacher loan forgiveness discharge.

(D) "Sole owner" means the entity that has all the rights described in paragraph (f)(3)(vi)(C) of this section, which may be subject to the rights and limitations described in paragraph (f)(3)(vi)(C), to the exclusion of any other entity, with respect both to a loan and the income from a loan.

(ix) For purposes of paragraph (f)(3) of this section, if a State or non-profit entity, its related special purpose entity, or a trustee acting on behalf of any of these entities, grants a security interest in, or otherwise pledges as collateral, a loan, or the income from a loan, to secure a debt obligation for which such State or non-profit entity, or its related special purpose entity, is the issuer of that debt obligation, none of these entities shall, by such action—

(3) A loan is refinanced when an Authority that has pledged the loan as collateral for an obligation of that Authority retains an interest in the loan, but causes the loan to be released from the lien of that obligation and pledged as collateral for a different obligation of that Authority.

(4) References to an Authority include a successor entity that may not qualify as an Authority under §682.200(b).

MEETING 2
FEBRUARY 13-17, 2012

§ 682.303 [Reserved]

§ 682.304 Methods for computing interest benefits and special allowance.

(a) General. The Secretary pays a lender interest benefits and special allowance on eligible loans on a quarterly basis. These calendar quarters end on March 31, June 30, September 30, and December 31 of each year. A lender may use either the average daily balance method or the actual accrual method to determine the amount of interest benefits payable on a lender's loans. A lender shall use the average daily balance method to determine the balance on which the Secretary computes the amount of special allowance payable on its loans.

(b) Average daily balance method for interest benefits. (1) Under this method, the lender adds the unpaid principal balance outstanding on all loans qualifying for interest benefits at each actual interest rate for each day of the quarter, divides the sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily balance for qualified loans outstanding at each actual interest rate.

(2) The Secretary computes the interest benefits due on all qualified loans at each actual interest rate by multiplying the average daily balance thereof by the actual interest rate, multiplying this result by the number of days in the quarter, and then dividing this result by the actual number of days in the year.

(c) Actual accrual method for interest benefits. (1) Under this method, the lender computes the total unpaid principal balance outstanding on all qualified loans at each actual interest rate on each day of the quarter, multiplies this result by the actual interest rate, and divides this result by the actual number of days in the year, or, alternatively, 365.25 days. A lender who chooses to divide by 365.25 days must do so for four consecutive years.

(2) The interest benefits due for a quarter equal the sum of the daily interest benefits due, computed under paragraph (c)(1) of this section, for each day of the quarter.

(d) Average daily balance method for special allowance. (1) To compute the average daily balance outstanding for purposes of special allowance, the lender adds the unpaid principal balance outstanding on all qualified loans at each applicable interest rate for each day of the quarter, divides this sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily balance for the quarter for qualifying loans at each applicable interest rate.

(2) To compute the average daily balance of unpaid accrued interest for purposes of special allowance on loans covered by §682.215(b)(7), the lender adds the unpaid accrued interest on such loans for each eligible day of the quarter, divides this sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily balance for the quarter

MEETING 2
FEBRUARY 13-17, 2012

for qualifying loans at the applicable interest rate.

(3) The Secretary computes the special allowance payable to a lender based upon the average daily balance computed by the lender under paragraphs (d)(1) and (2) of this section.

[57 FR 60323, Dec. 18, 1992, as amended at 73 FR 63254, Oct. 23, 2008]

§ 682.305 Procedures for payment of interest benefits and special allowance and collection of origination and loan fees.

(a) General. (1) If a lender owes origination fees or loan fees under paragraph (a) of this section, it must submit quarterly reports to the Secretary on a form provided or prescribed by the Secretary, even if the lender is not owed, or does not wish to receive, interest benefits or special allowance from the Secretary.

(2) The lender shall report, on the quarterly report required by paragraph (a)(1) of this section, the amount of origination fees it was authorized to collect and the amount of those fees refunded to borrowers during the quarter covered by the report.

(3)(i)(A) The Secretary reduces the amount of interest benefits and special allowance payable to the lender by—

(1) The amount of origination fees the lender was authorized to collect during the quarter under §682.202(c), whether or not

the lender actually collected that amount; and

(2) The amount of lender fees payable under paragraph (a)(3)(ii) of this section; and

(3) The amount of excess interest, as calculated in accordance with paragraph (d) of this section.

(B) The Secretary increases the amount of interest benefits and special allowance payable to the lender by the amount of origination fees refunded to borrowers during the quarter under §682.202(c).

(ii)(A) For any FFEL loan made on or after October 1, 1993, a lender shall pay the Secretary a loan fee equal to 0.50% of the principal amount of the loan.

(B) For any FFEL loan made on or after October 1, 2007 and prior to July 1, 2010, a lender shall pay the Secretary a loan fee equal to 1.0 percent of the principal amount of the loan.

(iii) The Secretary collects from an originating lender the amount of origination fees the originating lender was authorized to collect from borrowers during the quarter whether or not the originating lender actually collected those fees. The Secretary also collects the fees the originating lender is required to pay under paragraph (a)(3)(ii) of this section. Generally, the Secretary collects the fees from the originating lender by offsetting the amount of interest benefits and special allowance payable to the originating lender in a quarter, and, if necessary, the amount of interest benefits and special allowance payable in subsequent quarters may be

MEETING 2
FEBRUARY 13-17, 2012

offset until the total amount of fees has been recovered.

(iv) If the full amount of the fees cannot be collected within two quarters by reducing interest and special allowance payable to the originating lender, the Secretary may collect the unpaid amount directly from the originating lender.

(v) If the full amount of the fees cannot be collected within two quarters from the originating lender in accordance with paragraphs (a)(3)(iii) and (iv) of this section and if the originating lender has transferred the loan to a subsequent holder, the Secretary may, following written notice, collect the unpaid amount from the holder by using the same steps described in paragraphs (a)(3)(iii) and (iv) of this section, with the term "holder" substituting for the term "originating lender".

(4) If an originating lender sells or otherwise transfers a loan to a new holder, the originating lender remains liable to the Secretary for payment of the origination fees. The Secretary will not pay interest benefits or special allowance to the new holder or pay reinsurance to the guaranty agency until the origination fees are paid to the Secretary.

(b) Penalty interest. (1)(i) If the Secretary does not pay interest benefits or the special allowance within 30 days after the Secretary receives an accurate, timely, and complete request for payment from a lender, the Secretary pays the lender penalty interest.

(ii) The payment of interest benefits or special allowance is deemed to occur, for

purposes of this paragraph, when the Secretary—

(A) Authorizes the Treasury Department to pay the lender;

(B) Credits the payment due the lender against a debt that the Secretary determines is owed the Secretary by the lender; or

(C) Authorizes the Treasury Department to pay the amount due by the lender to another Federal agency for credit against a debt that the Federal agency has determined the lender owes.

(2) Penalty interest is an amount that accrues daily on interest benefits and special allowance due to the lender. The penalty interest is computed by—

(i) Multiplying the daily interest rate applicable to loans on which payment for interest benefits was requested, by the amount of interest benefits due on those loans for each interest rate;

(ii) Multiplying the daily special allowance rate applicable to loans on which special allowance was requested by the amount of special allowance due on those loans for each interest rate and special allowance category;

(iii) Adding the results of paragraphs (b)(2)(i) and (ii) of this section to determine the gross penalty interest to be paid for each day that penalty interest is due;

(iv) Dividing the results of paragraph (b)(2)(iii) of this section by the gross amount of interest benefits and special allowance due to obtain the average penalty interest rate;

MEETING 2
FEBRUARY 13-17, 2012

(v) Multiplying the rate obtained in paragraph (b)(2)(iv) of this section by the total amount of reduction to gross interest benefits and special allowance due (e.g., origination fees or other debts owed to the Federal Government);

(vi) Subtracting the amount calculated in paragraph (b)(2)(v) of this section from the amount calculated under paragraph (b)(2)(iii) of this section to obtain the net amount of penalty interest due per day; and

(vii) Multiplying the amount calculated in paragraph (b)(2)(vi) of this section by the number of days calculated under paragraph (b)(3) of this section.

(3) The Secretary pays penalty interest for the period—

(i) Beginning on the later of—

(A) The 31st day after the final day of the quarter covered by the request for payment; or

(B) The 31st day after the Secretary's receipt of an accurate, timely, and complete request for payment from the lender; and

(ii) Ending on the day the Secretary pays the interest benefits and the special allowance at issue, in accordance with paragraph (b)(1)(ii) of this section.

(4) A request for interest benefits and special allowance is considered timely only if it is received by the Secretary within 90 days following the end of the quarter to which the request pertains.

(5) A request for interest benefits and special allowance is not considered accurate and complete if it—

(i) Requests payments to which the lender is not entitled under §§682.300 through 682.302;

(ii) Includes loans that the Secretary, in writing, has directed that the lender exclude from the request;

(iii) Does not contain all information required by the Secretary or contains conflicting information; or

(iv) Is not provided and certified on the form and in the manner prescribed by the Secretary.

(c) Independent audits. (1)(i) A lender ~~originating or~~ holding more than \$5 million in FFEL loans during its fiscal year must submit an independent annual compliance audit for that year, conducted by a qualified independent organization or person.

~~(ii) Notwithstanding the dollar volume of loans originated or held, a school lender under §682.601 or a lender serving as trustee on behalf of a school or a school-affiliated organization for the purpose of originating loans must submit an independent annual compliance audit for that year, conducted by a qualified independent organization or person.~~

(iii) The Secretary may, following written notice, suspend the payment of interest benefits and special allowance to a lender that does not submit its audit within the time period prescribed in paragraph (c)(2) of this section.

(2) The audit required under paragraph (c)(1) of this section must—

(i) Examine the lender's compliance with the Act and applicable regulations;

MEETING 2
FEBRUARY 13-17, 2012

(ii) Examine the lender's financial management of its FFEL program activities;

(iii) Be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO's) *Government Auditing Standards*. Procedures for audits are contained in an audit guide developed by and available from the Office of the Inspector General of the Department;

(iv) Be conducted at least annually and be submitted to the Secretary within six months of the end of the audit period. The initial audit must be of the lender's first fiscal year that begins after July 23, 1992, and must be submitted within six months of the end of the audit period. Each subsequent audit must cover the lender's activities for the period beginning no later than the end of the period covered by the preceding audit; and

(v) With regard to a lender that is a governmental entity or a nonprofit organization, the audit required by this paragraph must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR §§74.26 and 80.26, as applicable.;

~~(vi) With regard to a school that makes or originates loans, the audit requirements are in 34 CFR §682.601(a)(7); and~~

~~(vii) With regard to a lender serving as a trustee for the purpose of originating loans for a school or school-affiliated organization, the audit must include a determination that—~~

~~(A) Except as provided in paragraph (c)(2)(vii)(B) of this section, the school used all proceeds from special allowance~~

~~payments, interest subsidies received from the Department, and any proceeds from the sale or other disposition of the loans originated through the lender for need-based grant programs and that those funds supplemented, but did not supplant, other Federal or non-Federal funds otherwise available to be used to make need-based grants to its students; and~~

~~(B) The lender used no more than a reasonable portion of payments and proceeds from the loans for direct administrative expenses in accordance with §682.601(b), with all references to eligible school lender understood to mean a lender in its capacity as trustee on behalf of a school or school-affiliated organization for the purpose of originating loans.~~

(3) The Secretary may determine that a lender has met the requirements of paragraph (c) of this section if the lender has been audited in accordance with 31 U.S.C. 7502 for other purposes, the lender submits the results of the audit to the Office of Inspector General, and the Secretary determines that the audit meets the requirements of this paragraph.

(d) Recovery of excess interest paid by the Secretary. (1) For any loan for which the first disbursement of principal is made on or after April 1, 2006, the Secretary collects the amount of excess interest paid to a lender on a quarterly basis when the applicable interest rate on a loan for each quarter exceeds the special allowance support level in paragraph (d)(2) of this section for the loan. Excess interest is calculated and recovered each quarter by subtracting the special allowance support level from the applicable interest rate,

MEETING 2
FEBRUARY 13-17, 2012

multiplying the result by the average daily principal balance of the loan (not including unearned interest added to principal) during the quarter, and dividing by four.

(2) The term *special allowance support level* means a number expressed as a percentage equal to the sum of—

(i) The average of the bond equivalent rates of the quotes of the 3-month commercial paper (financial) rates in effect for each of the days in such quarter as reported by the Federal Reserve in Publication H-15 (or its successor) for such 3-month period; plus

(ii) 2.34 percent for a Federal Stafford loan in repayment;

(iii) 1.74 percent for a Federal Stafford loan during the in-school, grace, and deferment periods; or

(iv) 2.64 percent for a Federal PLUS or Consolidation Loan.

§ 682.402 Death, disability, closed school, false certification, unpaid refunds, and bankruptcy payments.

(a) General. (1) Rules governing the payment of claims based on filing for relief in bankruptcy, and discharge of loans due to death, total and permanent disability, attendance at a school that closes, false certification by a school of a borrower's eligibility for a loan, and unpaid refunds by a school are set forth in this section.

(2) If a Consolidation loan was obtained jointly by a married couple, the amount of the Consolidation loan that is discharged if one of the borrowers dies or becomes totally and permanently disabled is equal to the portion of the outstanding balance of the Consolidation loan, as of the date the borrower died or became totally and permanently disabled, attributable to any of that borrower's loans that would have been eligible for discharge.

(3) If a PLUS loan was obtained by two parents as co-makers, and only one of the borrowers dies, becomes totally and permanently disabled, has collection of his or her loan obligation stayed by a bankruptcy filing, or has that obligation discharged in bankruptcy, the other borrower remains obligated to repay the loan unless that borrower would qualify for discharge of the loan under these regulations.

(4) Except for a borrower's loan obligation discharged by the Secretary

under the false certification discharge provision of paragraphs (e)(1)(ii) or (iii) of this section, a loan qualifies for payment under this section and as provided in paragraph (h)(1)(iv) of this section, only to the extent that the loan is legally enforceable under applicable law by the holder of the loan.

(5) For purposes of this section—

(i) The legal enforceability of a loan is conclusively determined on the basis of a ruling by a court or administrative tribunal of competent jurisdiction with respect to that loan, or a ruling with respect to another loan in a judgment that collaterally estops the holder from contesting the enforceability of the loan;

(ii) A loan is conclusively determined to be legally unenforceable to the extent that the guarantor determines, pursuant to an objection presented in a proceeding conducted in connection with consumer reporting agency credit bureau reporting, tax refund offset, wage garnishment, or in any other administrative proceeding, that the loan is not legally enforceable; and

(iii) If an objection has been raised by the borrower or another party about the legal enforceability of the loan and no determination has been made under paragraph (a)(5) (i) or (ii) of this section, the Secretary may authorize the payment of a claim under this section under conditions the Secretary considers appropriate. If the Secretary determines in that or any other case that a claim was paid under this section with respect to a loan that was not a legally enforceable obligation of the borrower, the recipient of that payment

MEETING 2
FEBRUARY 13-17, 2012

must refund that amount of the payment to the Secretary.

(b) Death. (1) If an individual borrower dies, or the student for whom a parent received a PLUS loan dies, the obligation of the borrower and any endorser to make any further payments on the loan is discharged.

(2) A discharge of a loan based on the death of the borrower (or student in the case of a PLUS loan) must be based on an original or certified copy of the death certificate, or an accurate and complete photocopy of the original or certified copy of the death certificate. Under exceptional circumstances and on a case-by-case basis, the chief executive officer of the guaranty agency may approve a discharge based upon other reliable documentation supporting the discharge request.

(3) After receiving reliable information indicating that the borrower (or student) has died, the lender must suspend any collection activity against the borrower and any endorser for up to 60 days and promptly request the documentation described in paragraph (b)(2) of this section. If additional time is required to obtain the documentation, the period of suspension of collection activity may be extended up to an additional 60 days. If the lender is not able to obtain an original or certified copy of the death certificate, or an accurate and complete photocopy of the original or certified copy of the death certificate or other documentation acceptable to the guaranty agency, under the provisions of paragraph (b)(2) of this section, during the period of suspension, the lender must resume collection activity from the point that it had been discontinued. The lender is

deemed to have exercised forbearance as to repayment of the loan during the period when collection activity was suspended.

(4) Once the lender has determined under paragraph (b)(2) of this section that the borrower (or student) has died, the lender may not attempt to collect on the loan from the borrower's estate or from any endorser.

(5) The lender shall return to the sender any payments received from the estate or paid on behalf of the borrower after the date of the borrower's (or student's) death.

(6) In the case of a Federal Consolidation Loan that includes a Federal PLUS or Direct PLUS loan borrowed for a dependent who has died, the obligation of the borrower or any endorser to make any further payments on the portion of the outstanding balance of the Consolidation Loan attributable to the Federal PLUS or Direct PLUS loan is discharged as of the date of the dependent's death.

General. (i) The Secretary reimburses the holder of a loan received by a borrower on or after January 1, 1986, and discharges the borrower's obligation with respect to the loan in accordance with the provisions of paragraph (d) of this section, if the borrower (or the student for whom a parent received a PLUS loan) could not complete the program of study for which the loan was intended because the school at which the borrower (or student) was

MEETING 2
FEBRUARY 13-17, 2012

enrolled, closed, or the borrower (or student) withdrew from the school not more than 90 days prior to the date the school closed. This 90-day period may be extended if the Secretary determines that exceptional circumstances related to a school's closing would justify an extension.

(ii) For purposes of the closed school discharge authorized by this section—

(A) A school's closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary;

(B) The term "borrower" includes all endorsers on a loan; and

(C) A "school" means a school's main campus or any location or branch of the main campus, regardless of whether the school or its location or branch is considered eligible.

(2) *Relief available pursuant to discharge.* (i) Discharge under paragraph (d) of this section relieves the borrower of an existing or past obligation to repay the loan and any charges imposed or costs incurred by the holder with respect to the loan that the borrower is, or was otherwise obligated to pay.

(ii) A discharge of a loan under paragraph (d) of this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on a loan obligation discharged under paragraph (d) of this section.

(iii) A borrower who has defaulted on a loan discharged under paragraph (d) of this section is not regarded as in default on the loan after discharge, and is eligible to

receive assistance under the Title IV, HEA programs.

(iv) A discharge of a loan under paragraph (d) of this section must be reported by the loan holder to all credit reporting agencies to which the holder previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(3) *Borrower qualification for discharge.* Except as provided in paragraph (d)(8) of this section, in order to qualify for a discharge of a loan under paragraph (d) of this section, a borrower must submit a written request and sworn statement to the holder of the loan. The statement need not be notarized, but must be made by the borrower under the penalty of perjury, and, in the statement, the borrower must state—

(i) Whether the student has made a claim with respect to the school's closing with any third party, such as the holder of a performance bond or a tuition recovery program, and if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation;

(ii) That the borrower (or the student for whom a parent received a PLUS loan)—

(A) Received, on or after January 1, 1986, the proceeds of any disbursement of a loan disbursed, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Did not complete the educational program at that school because the school closed while the student was enrolled or on an approved leave of absence in accordance

MEETING 2
FEBRUARY 13-17, 2012

with §682.605(c), or the student withdrew from the school not more than 90 days before the school closed; and

(C) Did not complete the program of study through a teach-out at another school or by transferring academic credits or hours earned at the closed school to another school;

(iii) That the borrower agrees to provide, upon request by the Secretary or the Secretary's designee, other documentation reasonably available to the borrower that demonstrates, to the satisfaction of the Secretary or the Secretary's designee, that the student meets the qualifications in paragraph (d) of this section; and

(iv) That the borrower agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (d)(4) of this section, and to transfer any right to recovery against a third party in accordance with paragraph (d)(5) of this section.

(4) *Cooperation by borrower in enforcement actions.* (i) In any judicial or administrative proceeding brought by the Secretary or the Secretary's designee to recover for amounts discharged under paragraph (d) of this section or to take other enforcement action with respect to the conduct on which those claims were based, a borrower who requests or receives a discharge under paragraph (d) of this section must cooperate with the Secretary or the Secretary's designee. At the request of the Secretary or the Secretary's designee, and upon the Secretary's or the Secretary's designee's tendering to the borrower the fees and costs as are customarily provided

in litigation to reimburse witnesses, the borrower shall—

(A) Provide testimony regarding any representation made by the borrower to support a request for discharge; and

(B) Produce any documentation reasonably available to the borrower with respect to those representations and any sworn statement required by the Secretary with respect to those representations and documents.

(ii) The Secretary revokes the discharge, or denies the request for discharge, of a borrower who—

(A) Fails to provide testimony, sworn statements, or documentation to support material representations made by the borrower to obtain the discharge; or

(B) Provides testimony, a sworn statement, or documentation that does not support the material representations made by the borrower to obtain the discharge.

(5) *Transfer to the Secretary of borrower's right of recovery against third parties.* (i) Upon discharge under paragraph (d) of this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

MEETING 2
FEBRUARY 13-17, 2012

(ii) The provisions of paragraph (d) of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of such rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(iii) Nothing in this section shall be construed as limiting or foreclosing the borrower's (or student's) right to pursue legal and equitable relief regarding disputes arising from matters otherwise unrelated to the loan discharged.

(6) *Guaranty agency responsibilities* —(i) *Procedures applicable if a school closed on or after January 1, 1986, but prior to June 13, 1994.* (A) If a borrower received a loan for attendance at a school with a closure date on or after January 1, 1986, but prior to June 13, 1994, the loan may be discharged in accordance with the procedures specified in paragraph (d)(6)(i) of this section.

(B) If a loan subject to paragraph (d) of this section was discharged in part in accordance with the Secretary's "Closed School Policy" as authorized by section IV of Bulletin 89-G-159, the guaranty agency shall initiate the discharge of the remaining balance of the loan not later than August 13, 1994.

(C) A guaranty agency shall review its records and identify all schools that appear to have closed on or after January 1, 1986 and prior to June 13, 1994, and shall identify the loans made to any borrower (or student) who appears to have been

enrolled at the school on the school closure date or who withdrew not more than 90 days prior to the closure date.

(D) A guaranty agency shall notify the Secretary immediately if it determines that a school not previously known to have closed appears to have closed, and, within 30 days of making that determination, notify all lenders participating in its program to suspend collection efforts against individuals with respect to loans made for attendance at the closed school, if the student to whom (or on whose behalf) a loan was made, appears to have been enrolled at the school on the closing date, or withdrew not more than 90 days prior to the date the school appears to have closed. Within 30 days after receiving confirmation of the date of a school's closure from the Secretary, the agency shall—

(1) Notify all lenders participating in its program to mail a discharge application explaining the procedures and eligibility criteria for obtaining a discharge and an explanation of the information that must be included in the sworn statement (which may be combined) to all borrowers who may be eligible for a closed school discharge; and

(2) Review the records of loans that it holds, identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 90 days prior to the closure date, and mail a discharge application and an explanation of the information that must be included in the sworn statement (which may be combined) to the borrower. The application shall inform the borrower of the

MEETING 2
FEBRUARY 13-17, 2012

procedures and eligibility criteria for obtaining a discharge.

(E) If a loan identified under paragraph (d)(6)(i)(D)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is known, the guaranty agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and notify the borrower that the agency will provide additional information about the procedures for requesting a discharge after the agency has received confirmation from the Secretary that the school had closed.

(F) If a loan identified under paragraph (d)(6)(i)(D)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is unknown, the agency shall, by June 13, 1995, further refine the list of borrowers whose loans are potentially subject to discharge under paragraph (d) of this section by consulting with representatives of the closed school, the school's licensing agency, accrediting agency, and other appropriate parties. Upon learning the new address of a borrower who would still be considered potentially eligible for a discharge, the guaranty agency shall, within 30 days after learning the borrower's new address, mail to the borrower a discharge application that meets the requirements of paragraph (d)(6)(i)(E) of this section.

(G) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(i)(E) or (F) of this section has satisfied all of the conditions required for a discharge, the agency shall notify the

borrower in writing of that determination within 30 days after making that determination.

(H) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(i)(E) or (F) of this section does not qualify for a discharge, the agency shall notify the borrower in writing of that determination and the reasons for it within 30 days after the date the agency—

(1) Made that determination based on information available to the guaranty agency;

(2) Was notified by the Secretary that the school had not closed;

(3) Was notified by the Secretary that the school had closed on a date that was more than 90 days after the borrower (or student) withdrew from the school;

(4) Was notified by the Secretary that the borrower (or student) was ineligible for a closed school discharge for other reasons; or

(5) Received the borrower's completed application and sworn statement.

(I) If a borrower described in paragraph (d)(6)(i)(E) or (F) of this section fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days of being notified of that option, the guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The agency may capitalize, in accordance with §682.202(b), any interest accrued and not paid during that period.

MEETING 2
FEBRUARY 13-17, 2012

(J) A borrower's request for discharge may not be denied solely on the basis of failing to meet any time limits set by the lender, guaranty agency, or the Secretary.

(ii) *Procedures applicable if a school closed on or after June 13, 1994.* (A) A guaranty agency shall notify the Secretary immediately whenever it becomes aware of reliable information indicating a school may have closed. The designated guaranty agency in the state in which the school is located shall promptly investigate whether the school has closed and, within 30 days after receiving information indicating that the school may have closed, report the results of its investigation to the Secretary concerning the date of the school's closure and whether a teach-out of the closed school's program was made available to students.

(B) If a guaranty agency determines that a school appears to have closed, it shall, within 30 days of making that determination, notify all lenders participating in its program to suspend collection efforts against individuals with respect to loans made for attendance at the closed school, if the student to whom (or on whose behalf) a loan was made, appears to have been enrolled at the school on the closing date, or withdrew not more than 90 days prior to the date the school appears to have closed. Within 30 days after receiving confirmation of the date of a school's closure from the Secretary, the agency shall—

(1) Notify all lenders participating in its program to mail a discharge application explaining the procedures and eligibility criteria for obtaining a discharge and an

explanation of the information that must be included in the sworn statement (which may be combined) to all borrowers who may be eligible for a closed school discharge; and

(2) Review the records of loans that it holds, identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 90 days prior to the closure date, and mail a discharge application and an explanation of the information that must be included in the sworn statement (which may be combined) to the borrower. The application shall inform the borrower of the procedures and eligibility criteria for obtaining a discharge.

(C) If a loan identified under paragraph (d)(6)(ii)(B)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is known, the guaranty agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and notify the borrower that the agency will provide additional information about the procedures for requesting a discharge after the agency has received confirmation from the Secretary that the school had closed.

(D) If a loan identified under paragraph (d)(6)(ii)(B)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is unknown, the agency shall, within one year after identifying the borrower, attempt to locate the borrower and further determine the borrower's potential eligibility for a

MEETING 2
FEBRUARY 13-17, 2012

discharge under paragraph (d) of this section by consulting with representatives of the closed school, the school's licensing agency, accrediting agency, and other appropriate parties. Upon learning the new address of a borrower who would still be considered potentially eligible for a discharge, the guaranty agency shall, within 30 days after learning the borrower's new address, mail to the borrower a discharge application that meets the requirements of paragraph (d)(6)(ii)(B) of this section.

(E) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(ii)(C) or (D) of this section has satisfied all of the conditions required for a discharge, the agency shall notify the borrower in writing of that determination within 30 days after making that determination.

(F) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(ii)(C) or (D) of this section does not qualify for a discharge, the agency shall notify the borrower in writing of that determination and the reasons for it within 30 days after the date the agency—

(1) Made that determination based on information available to the guaranty agency;

(2) Was notified by the Secretary that the school had not closed;

(3) Was notified by the Secretary that the school had closed on a date that was more than 90 days after the borrower (or student) withdrew from the school;

(4) Was notified by the Secretary that the borrower (or student) was ineligible for

a closed school discharge for other reasons; or

(5) Received the borrower's completed application and sworn statement.

(G) Upon receipt of a closed school discharge claim filed by a lender, the agency shall review the borrower's request and supporting sworn statement in light of information available from the records of the agency and from other sources, including other guaranty agencies, state authorities, and cognizant accrediting associations, and shall take the following actions—

(1) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (d) of this section, it shall pay the claim in accordance with §682.402(h) not later than 90 days after the agency received the claim; or

(2) If the agency determines that the borrower does not qualify for a discharge, the agency shall, not later than 90 days after the agency received the claim, return the claim to the lender with an explanation of the reasons for its determination.

(H) If a borrower fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days of being notified of that option, the lender or guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The lender or guaranty agency may capitalize, in accordance with §682.202(b), any interest accrued and not paid during that period.

MEETING 2
FEBRUARY 13-17, 2012

(l) A borrower's request for discharge may not be denied solely on the basis of failing to meet any time limits set by the lender, guaranty agency, or the Secretary.

(7) *Lender responsibilities.* (i) A lender shall comply with the requirements prescribed in paragraph (d) of this section. In the absence of specific instructions from a guaranty agency or the Secretary, if a lender receives information from a source it believes to be reliable indicating that an existing or former borrower may be eligible for a loan discharge under paragraph (d) of this section, the lender shall immediately notify the guaranty agency, and suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments).

(ii) If the borrower fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days after being notified of that option, the lender shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity. The lender may capitalize, in accordance with §682.202(b), any interest accrued and not paid during that period.

(iii) The lender shall file a closed school claim with the guaranty agency in accordance with §682.402(g) no later than 60 days after the lender receives the borrower's written request and sworn statement described in paragraph (d)(3) of this section. If a lender receives a payment made by or on behalf of the borrower on the loan after the lender files a claim on the

loan with the guaranty agency, the lender shall forward the payment to the guaranty agency within 30 days of its receipt. The lender shall assist the guaranty agency and the borrower in determining whether the borrower is eligible for discharge of the loan.

(iv) Within 30 days after receiving reimbursement from the guaranty agency for a closed school claim, the lender shall notify the borrower that the loan obligation has been discharged, and request that all ~~consumer reporting agencies credit bureaus~~ to which it previously reported the status of the loan delete all adverse credit history assigned to the loan.

(v) Within 30 days after being notified by the guaranty agency that the borrower's request for a closed school discharge has been denied, the lender shall resume collection and notify the borrower of the reasons for the denial. The lender shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity, and may capitalize, in accordance with §682.202(b), any interest accrued and not paid during that period.

(8) *Discharge without an application.* A borrower's obligation to repay an FFEL Program loan may be discharged without an application from the borrower if the—

(i) Borrower received a discharge on a loan pursuant to 34 CFR 674.33(g) under the Federal Perkins Loan Program, or 34 CFR 685.213 under the William D. Ford Federal Direct Loan Program; or

(ii) The Secretary or the guaranty agency, with the Secretary's permission,

MEETING 2
FEBRUARY 13-17, 2012

determines that the borrower qualifies for a discharge based on information in the Secretary or guaranty agency's possession.

(e) False certification by a school of a student's eligibility to borrow and unauthorized disbursements —(1) General.

(i) The Secretary reimburses the holder of a loan received by a borrower on or after January 1, 1986, and discharges a current or former borrower's obligation with respect to the loan in accordance with the provisions of paragraph (e) of this section, if the borrower's (or the student for whom a parent received a PLUS loan) eligibility to receive the loan was falsely certified by an eligible school. On or after July 1, 2006, the Secretary reimburses the holder of a loan, and discharges a borrower's obligation with respect to the loan in accordance with the provisions of paragraph (e) of this section, if the borrower's eligibility to receive the loan was falsely certified as a result of a crime of identity theft. For purposes of a false certification discharge, the term "borrower" includes all endorsers on a loan. A student's or other individual's eligibility to borrow shall be considered to have been falsely certified by the school if the school—

(A) Certified the student's eligibility for a FFEL Program loan on the basis of ability to benefit from its training and the student did not meet the applicable requirements described in 34 CFR part 668 and section 484(d) of the Act, as applicable and as described in paragraph (e)(13) of this section; or

(B) Signed the borrower's name without authorization by the borrower on the loan application or promissory note.

(C) Certified the eligibility of an individual for an FFEL Program loan as a result of the crime of identity theft committed against the individual, as that crime is defined in §682.402(e)(14).

(ii) The Secretary discharges the obligation of a borrower with respect to a loan disbursement for which the school, without the borrower's authorization, endorsed the borrower's loan check or authorization for electronic funds transfer, unless the student for whom the loan was made received the proceeds of the loan either by actual delivery of the loan funds or by a credit in the amount of the contested disbursement applied to charges owed to the school for that portion of the educational program completed by the student. However, the Secretary does not reimburse the lender with respect to any amount disbursed by means of a check bearing an unauthorized endorsement unless the school also executed the application or promissory note for that loan for the named borrower without that individual's consent.

(iii) If a loan was made as a result of the crime of identity theft that was committed by an employee or agent of the lender, or if at the time the loan was made, an employee or agent of the lender knew of the identity theft of the individual named as the borrower—

(A) The Secretary does not pay reinsurance, and does not reimburse the holder, for any amount disbursed on the loan; and

(B) Any amounts received by a holder as interest benefits and special allowance payments with respect to the loan must be

MEETING 2
FEBRUARY 13-17, 2012

refunded to the Secretary, as provided in paragraphs (e)(8)(ii)(B)(4) and (e)(10)(ii)(D) of this section.

(2) *Relief available pursuant to discharge.* (i) Discharge under paragraph (e)(1)(i) of this section relieves the borrower of an existing or past obligation to repay the loan certified by the school, and any charges imposed or costs incurred by the holder with respect to the loan that the borrower is, or was, otherwise obligated to pay.

(ii) A discharge of a loan under paragraph (e) of this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on a loan obligation discharged under paragraph (e) of this section.

(iii) A borrower who has defaulted on a loan discharged under paragraph (e) of this section is not regarded as in default on the loan after discharge, and is eligible to receive assistance under the Title IV, HEA programs.

(iv) A discharge of a loan under paragraph (e) of this section is reported by the loan holder to all credit reporting agencies to which the holder previously reported the status of the loan, so as to delete all adverse or inaccurate credit history assigned to the loan.

(v) Discharge under paragraph (e)(1)(ii) of this section qualifies the borrower for relief only with respect to the amount of the disbursement discharged.

(3) *Borrower qualification for discharge.* Except as provided in paragraph (e)(14) of this section, to qualify for a discharge of a

loan under paragraph (e) of this section, the borrower must submit to the holder of the loan a written request and a sworn statement. The statement need not be notarized, but must be made by the borrower under penalty of perjury, and, in the statement, the borrower must—

(i) State whether the student has made a claim with respect to the school's false certification with any third party, such as the holder of a performance bond or a tuition recovery program, and if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation;

(ii) In the case of a borrower requesting a discharge based on defective testing of the student's ability to benefit, state that the borrower (or the student for whom a parent received a PLUS loan)—

(A) Received, on or after January 1, 1986, the proceeds of any disbursement of a loan disbursed, in whole or in part, on or after January 1, 1986 to attend a school; and

(B) Was admitted to that school on the basis of ability to benefit from its training and did not meet the applicable requirements for admission on the basis of ability to benefit as described in paragraph (e)(13) of this section;

(iii) In the case of a borrower requesting a discharge because the school signed the borrower's name on the loan application or promissory note—

(A) State that the signature on either of those documents was not the signature of the borrower; and

MEETING 2
FEBRUARY 13-17, 2012

(B) Provide five different specimens of his or her signature, two of which must be not earlier or later than one year before or after the date of the contested signature;

(iv) In the case of a borrower requesting a discharge because the school, without authorization of the borrower, endorsed the borrower's name on the loan check or signed the authorization for electronic funds transfer or master check, the borrower shall—

(A) Certify that he or she did not endorse the loan check or sign the authorization for electronic funds transfer or master check, or authorize the school to do so;

(B) Provide five different specimens of his or her signature, two of which must be not earlier or later than one year before or after the date of the contested signature; and

(C) State that the proceeds of the contested disbursement were not received either through actual delivery of the loan funds or by a credit in the amount of the contested disbursement applied to charges owed to the school for that portion of the educational program completed by the student;

(v) In the case of an individual who is requesting a discharge of a loan because the individual's eligibility was falsely certified as a result of a crime of identity theft committed against the individual—

(A) Certify that the individual did not sign the promissory note, or that any other means of identification used to obtain the

loan was used without the authorization of the individual claiming relief;

(B) Certify that the individual did not receive or benefit from the proceeds of the loan with knowledge that the loan had been made without the authorization of the individual;

(C) Provide a copy of a local, State, or Federal court verdict or judgment that conclusively determines that the individual who is named as the borrower of the loan was the victim of a crime of identity theft by a perpetrator named in the verdict or judgment;

(D) If the judicial determination of the crime does not expressly state that the loan was obtained as a result of the crime, provide—

(1) Authentic specimens of the signature of the individual, as provided in paragraph (e)(3)(iii)(B), or other means of identification of the individual, as applicable, corresponding to the means of identification falsely used to obtain the loan; and

(2) A statement of facts that demonstrate, to the satisfaction of the Secretary, that eligibility for the loan in question was falsely certified as a result of the crime of identity theft committed against that individual.

(vi) That the borrower agrees to provide upon request by the Secretary or the Secretary's designee, other documentation reasonably available to the borrower, that demonstrates, to the satisfaction of the Secretary or the Secretary's designee, that

MEETING 2
FEBRUARY 13-17, 2012

the student meets the qualifications in paragraph (e) of this section; and

(vii) That the borrower agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (e)(4) of this section, and to transfer any right to recovery against a third party in accordance with paragraph (e)(5) of this section.

(4) *Cooperation by borrower in enforcement actions.* (i) In any judicial or administrative proceeding brought by the Secretary or the Secretary's designee to recover for amounts discharged under paragraph (e) of this section or to take other enforcement action with respect to the conduct on which those claims were based, a borrower who requests or receives a discharge under paragraph (e) of this section must cooperate with the Secretary or the Secretary's designee. At the request of the Secretary or the Secretary's designee, and upon the Secretary's or the Secretary's designee's tendering to the borrower the fees and costs as are customarily provided in litigation to reimburse witnesses, the borrower shall—

(A) Provide testimony regarding any representation made by the borrower to support a request for discharge; and

(B) Produce any documentation reasonably available to the borrower with respect to those representations and any sworn statement required by the Secretary with respect to those representations and documents.

(ii) The Secretary revokes the discharge, or denies the request for discharge, of a borrower who—

(A) Fails to provide testimony, sworn statements, or documentation to support material representations made by the borrower to obtain the discharge; or

(B) Provides testimony, a sworn statement, or documentation that does not support the material representations made by the borrower to obtain the discharge.

(5) *Transfer to the Secretary of borrower's right of recovery against third parties.* (i) Upon discharge under paragraph (e) of this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(ii) The provisions of paragraph (e) of this section apply notwithstanding any provision of state law that would otherwise restrict transfer of such rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(iii) Nothing in this section shall be construed as limiting or foreclosing the borrower's (or student's) right to pursue legal and equitable relief regarding disputes arising from matters otherwise unrelated to the loan discharged.

MEETING 2
FEBRUARY 13-17, 2012

(6) *Guaranty agency responsibilities—general.* (i) A guaranty agency shall notify the Secretary immediately whenever it becomes aware of reliable information indicating that a school may have falsely certified a student's eligibility or caused an unauthorized disbursement of loan proceeds, as described in paragraph (e)(3) of this section. The designated guaranty agency in the state in which the school is located shall promptly investigate whether the school has falsely certified a student's eligibility and, within 30 days after receiving information indicating that the school may have done so, report the results of its preliminary investigation to the Secretary.

(ii) If the guaranty agency receives information it believes to be reliable indicating that a borrower whose loan is held by the agency may be eligible for a discharge under paragraph (e) of this section, the agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and inform the borrower of the procedures for requesting a discharge.

(iii) If the borrower fails to submit the written request and sworn statement described in paragraph (e)(3) of this section within 60 days of being notified of that option, the guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The agency may capitalize, in accordance with §682.202(b), any interest accrued and not paid during that period.

(iv) Upon receipt of a discharge claim filed by a lender or a request submitted by a borrower with respect to a loan held by the guaranty agency, the agency shall have up to 90 days to determine whether the discharge should be granted. The agency shall review the borrower's request and supporting sworn statement in light of information available from the records of the agency and from other sources, including other guaranty agencies, state authorities, and cognizant accrediting associations.

(v) A borrower's request for discharge and sworn statement may not be denied solely on the basis of failing to meet any time limits set by the lender, the Secretary or the guaranty agency.

(7) *Guaranty agency responsibilities with respect to a claim filed by a lender based on the borrower's assertion that he or she did not sign the loan application or the promissory note that he or she was a victim of the crime of identity theft, or that the school failed to test, or improperly tested, the student's ability to benefit.* (i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(7) of this section.

(ii) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (e) of this section, it shall, not later than 30 days after the agency makes that determination, pay the claim in accordance with §682.402(h) and—

(A) Notify the borrower that his or her liability with respect to the amount of the

MEETING 2
FEBRUARY 13-17, 2012

loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(7)(ii)(C) of this section;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Notify the lender that the borrower's liability with respect to the amount of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay; and

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan; and

(D) Within 30 days, demand payment in full from the perpetrator of the identity theft committed against the individual, and if payment is not received, pursue collection action thereafter against the perpetrator.

(iii) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination—

(A) Notify the lender that the borrower's liability on the loan is not discharged and that, depending on the

borrower's decision under paragraph (e)(7)(iii)(B) of this section, the loan shall either be returned to the lender or paid as a default claim; and

(B) Notify the borrower that the borrower does not qualify for discharge, and state the reasons for that conclusion. The agency shall advise the borrower that he or she remains obligated to repay the loan and warn the borrower of the consequences of default, and explain that the borrower will be considered to be in default on the loan unless the borrower submits a written statement to the agency within 30 days stating that the borrower—

(1) Acknowledges the debt and, if payments are due, will begin or resume making those payments to the lender; or

(2) Requests the Secretary to review the agency's decision.

(iv) Within 30 days after receiving the borrower's written statement described in paragraph (e)(7)(iii)(B)(1) of this section, the agency shall return the claim file to the lender and notify the lender to resume collection efforts if payments are due.

(v) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the claim file to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(vi) The agency shall pay a default claim to the lender within 30 days after the borrower fails to return either of the written statements described in paragraph (e)(7)(iii)(B) of this section.

MEETING 2
FEBRUARY 13-17, 2012

(8) *Guaranty agency responsibilities with respect to a claim filed by a lender based only on the borrower's assertion that he or she did not sign the loan check or the authorization for the release of loan funds via electronic funds transfer or master check.* (i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(8) of this section.

(ii) If the agency determines that a borrower who asserts that he or she did not endorse the loan check satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall, within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(8)(ii)(B) of this section;

(B) Notify the lender that the borrower's liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay;

(2) Within 30 days, report to all credit reporting agencies to which the lender

previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(3) Refund to the borrower, within 30 days, all amounts paid by the borrower with respect to the loan disbursement that was discharged, including any charges imposed or costs incurred by the lender related to the discharged loan amount; and

(4) Refund to the Secretary, within 30 days, all interest benefits and special allowance payments received from the Secretary with respect to the loan disbursement that was discharged; and

(C) Transfer to the lender the borrower's written assignment of any rights the borrower may have against third parties with respect to a loan disbursement that was discharged because the borrower did not sign the loan check.

(iii) If the agency determines that a borrower who asserts that he or she did not sign the electronic funds transfer or master check authorization satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall, within 30 days after making that determination, pay the claim in accordance with §682.402(h) and—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(8)(iii)(C) of this section;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan

amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Notify the lender that the borrower's liability with respect to the contested disbursement of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay; and

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(iv) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination—

(A) Notify the lender that the borrower's liability on the loan is not discharged and that, depending on the borrower's decision under paragraph (e)(8)(iv)(B) of this section, the loan shall either be returned to the lender or paid as a default claim; and

(B) Notify the borrower that the borrower does not qualify for discharge, and state the reasons for that conclusion. The agency shall advise the borrower that he or she remains obligated to repay the loan and warn the borrower of the consequences of default, and explain that the borrower will be considered to be in

default on the loan unless the borrower submits a written statement to the agency within 30 days stating that the borrower—

(1) Acknowledges the debt and, if payments are due, will begin or resume making those payments to the lender; or

(2) Requests the Secretary to review the agency's decision.

(v) Within 30 days after receiving the borrower's written statement described in paragraph (e)(8)(iv)(B)(1) of this section, the agency shall return the claim file to the lender and notify the lender to resume collection efforts if payments are due.

(vi) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the claim file to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(vii) The agency shall pay a default claim to the lender within 30 days after the borrower fails to return either of the written statements described in paragraph (e)(8)(iv)(B) of this section.

(9) *Guaranty agency responsibilities in the case of a loan held by the agency for which a discharge request is submitted by a borrower based on the borrower's assertion that he or she did not sign the loan application or the promissory note, that he or she was a victim of the crime of identity theft, or that the school failed to test, or improperly tested, the student's ability to benefit.* (i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the

MEETING 2
FEBRUARY 13-17, 2012

procedures described in paragraph (e)(9) of this section.

(ii) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (e)(3) of this section, it shall immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the agency related to the discharged loan amount that the borrower is, or was otherwise obligated to pay and, not later than 30 days after the agency makes the determination that the borrower satisfies the requirements for discharge—

(A) Notify the borrower that his or her liability with respect to the amount of the loan has been discharged;

(B) Report to all credit reporting agencies to which the agency previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(C) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(D) Within 30 days, demand payment in full from the perpetrator of the identity theft committed against the individual, and if payment is not received, pursue collection action thereafter against the perpetrator.

(iii) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination, notify the borrower that the

borrower's liability with respect to the amount of the loan is not discharged, state the reasons for that conclusion, and if the borrower is not then making payments in accordance with a repayment arrangement with the agency on the loan, advise the borrower of the consequences of continued failure to reach such an arrangement, and that collection action will resume on the loan unless within 30 days the borrower—

(A) Acknowledges the debt and, if payments are due, reaches a satisfactory arrangement to repay the loan or resumes making payments under such an arrangement to the agency; or

(B) Requests the Secretary to review the agency's decision.

(iv) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the borrower's discharge request and all relevant documentation to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(v) The agency shall resume collection action if within 30 days of giving notice of its determination the borrower fails to seek review by the Secretary or agree to repay the loan.

(10) *Guaranty agency responsibilities in the case of a loan held by the agency for which a discharge request is submitted by a borrower based only on the borrower's assertion that he or she did not sign the loan check or the authorization for the release of loan proceeds via electronic funds transfer or master check.* (i) The agency shall evaluate the borrower's request and consider relevant information it possesses

MEETING 2
FEBRUARY 13-17, 2012

and information available from other sources, and follow the procedures described in paragraph (e)(10) of this section.

(ii) If the agency determines that a borrower who asserts that he or she did not endorse the loan check satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall refund to the Secretary the amount of reinsurance payment received with respect to the amount discharged on that loan less any repayments made by the lender under paragraph (e)(10)(ii)(D)(2) of this section, and within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged;

(B) Report to all credit reporting agencies to which the agency previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(C) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount;

(D) Notify the lender to whom a claim payment was made that the lender must refund to the Secretary, within 30 days—

(1) All interest benefits and special allowance payments received from the Secretary with respect to the loan disbursement that was discharged; and

(2) The amount of the borrower's payments that were refunded to the borrower by the guaranty agency under paragraph (e)(10)(ii)(C) of this section that represent borrower payments previously paid to the lender with respect to the loan disbursement that was discharged;

(E) Notify the lender to whom a claim payment was made that the lender must, within 30 days, reimburse the agency for the amount of the loan that was discharged, minus the amount of borrower payments made to the lender that were refunded to the borrower by the guaranty agency under paragraph (e)(10)(ii)(C) of this section; and

(F) Transfer to the lender the borrower's written assignment of any rights the borrower may have against third parties with respect to the loan disbursement that was discharged.

(iii) In the case of a borrower who requests a discharge because he or she did not sign the electronic funds transfer or master check authorization, if the agency determines that the borrower meets the conditions for discharge, it shall immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the agency related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay, and within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged;

MEETING 2
FEBRUARY 13-17, 2012

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(iv) The agency shall take the actions required under paragraphs (e)(9) (iii) through (v) if the agency determines that the borrower does not qualify for a discharge.

(11) *Guaranty agency responsibilities if a borrower requests a review by the Secretary.* (i) Within 30 days after receiving the borrower's request for review under paragraph (e)(7)(iii)(B)(2), (e)(8)(iv)(B)(2), (e)(9)(iii)(B), or (e)(10)(iv) of this section, the agency shall forward the borrower's discharge request and all relevant documentation to the Secretary for his review.

(ii) The Secretary notifies the agency and the borrower of a determination on review. If the Secretary determines that the borrower is not eligible for a discharge under paragraph (e) of this section, within 30 days after being so informed, the agency shall take the actions described in paragraphs (e)(8) (iv) through (vii) or (e)(9)(iii) through (v) of this section, as applicable.

(iii) If the Secretary determines that the borrower meets the requirements for a discharge under paragraph (e) of this

section, the agency shall, within 30 days after being so informed, take the actions required under paragraph (e)(7)(ii), (e)(8)(ii), (e)(8)(iii), (e)(9)(ii), (e)(10)(ii), or (e)(10)(iii) of this section, as applicable.

(12) *Lender Responsibilities.* (i) If the lender is notified by a guaranty agency or the Secretary, or receives information it believes to be reliable from another source indicating that a current or former borrower may be eligible for a discharge under paragraph (e) of this section, the lender shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments) and, within 30 days of receiving the information or notification, inform the borrower of the procedures for requesting a discharge.

(ii) If the borrower fails to submit the written request and sworn statement described in paragraph (e)(3) of this section within 60 days of being notified of that option, the lender shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity. The lender may capitalize, in accordance with §682.202(b), any interest accrued and not paid during that period.

(iii) The lender shall file a claim with the guaranty agency in accordance with §682.402(g) no later than 60 days after the lender receives the borrower's written request and sworn statement described in paragraph (e)(3) of this section. If a lender receives a payment made by or on behalf of

MEETING 2
FEBRUARY 13-17, 2012

the borrower on the loan after the lender files a claim on the loan with the guaranty agency, the lender shall forward the payment to the guaranty agency within 30 days of its receipt. The lender shall assist the guaranty agency and the borrower in determining whether the borrower is eligible for discharge of the loan.

(iv) The lender shall comply with all instructions received from the Secretary or a guaranty agency with respect to loan discharges under paragraph (e) of this section.

(v) The lender shall review a claim that the borrower did not endorse and did not receive the proceeds of a loan check. The lender shall take the actions required under paragraphs (e)(8)(ii)(A) and (B) of this section if it determines that the borrower did not endorse the loan check, unless the lender secures persuasive evidence that the proceeds of the loan were received by the borrower or the student for whom the loan was made, as provided in paragraph (e)(1)(ii). If the lender determines that the loan check was properly endorsed or the proceeds were received by the borrower or student, the lender may consider the borrower's objection to repayment as a statement of intention not to repay the loan, and may file a claim with the guaranty agency for reimbursement on that ground, but shall not report the loan to consumer reporting agencies ~~credit bureaus~~ as in default until the guaranty agency, or, as applicable, the Secretary, reviews the claim for relief. By filing such a claim, the lender shall be deemed to have agreed to the following—

(A) If the guarantor or the Secretary determines that the borrower endorsed the loan check or the proceeds of the loan were received by the borrower or the student, any failure to satisfy due diligence requirements by the lender prior to the filing of the claim that would have resulted in the loss of reinsurance on the loan in the event of default will be waived by the Secretary; and

(B) If the guarantor or the Secretary determines that the borrower did not endorse the loan check and that the proceeds of the loan were not received by the borrower or the student, the lender will comply with the requirements specified in paragraph (e)(8)(ii)(B) of this section.

(vi) Within 30 days after being notified by the guaranty agency that the borrower's request for a discharge has been denied, the lender shall notify the borrower of the reasons for the denial and, if payments are due, resume collection against the borrower. The lender shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity, and may capitalize, in accordance with §682.202(b), any interest accrued and not paid during that period.

(13) *Requirements for certifying a borrower's eligibility for a loan.* (i) For periods of enrollment beginning between July 1, 1987 and June 30, 1991, a student who had a general education diploma or received one before the scheduled completion of the program of instruction is deemed to have the ability to benefit from the training offered by the school.

MEETING 2
FEBRUARY 13-17, 2012

(ii) A student not described in paragraph (e)(13)(i) of this section is considered to have the ability to benefit from training offered by the school if the student—

(A) For periods of enrollment beginning prior to July 1, 1987, was determined to have the ability to benefit from the school's training in accordance with the requirements of 34 CFR 668.6, as in existence at the time the determination was made;

(B) For periods of enrollment beginning between July 1, 1987 and June 30, 1996, achieved a passing grade on a test—

(1) Approved by the Secretary, for periods of enrollment beginning on or after July 1, 1991, or by the accrediting agency for other periods; and

(2) Administered substantially in accordance with the requirements for use of the test;

(C) Successfully completed a program of developmental or remedial education provided by the school; or

(D) For periods of enrollment beginning on or after July 1, 1996 through June 30, 2000—

(1) Obtained, within 12 months before the date the student initially receives title IV, HEA program assistance, a passing score specified by the Secretary on an independently administered test in accordance with subpart J of 34 CFR part 668; or

(15) *Discharge without an application.* A borrower's obligation to repay all or a portion of an FFEL Program loan may be discharged without an application from the borrower if the Secretary, or the guaranty agency with the Secretary's permission, determines that the borrower qualifies for a discharge based on information in the Secretary or guaranty agency's possession.

(f) Bankruptcy —(1) *General.* If a borrower files a petition for relief under the Bankruptcy Code, the Secretary reimburses the holder of the loan for unpaid principal and interest on the loan in accordance with paragraphs (h) through (k) of this section.

(A) Must suspend collection efforts against the borrower and any other parties to the note if the co-maker or endorser has filed for relief under Chapters 12 or 13 of the Bankruptcy Code; or

MEETING 2
FEBRUARY 13-17, 2012

the notice states that the borrower has no assets; or

(B) 30 days after the holder receives a notice from the court stating that a chapter 7 no-asset case has been converted to an asset case.

(ii) A guaranty agency that is a state guaranty agency, and on that basis may assert immunity from suit in bankruptcy court, and that does not assign any loans affected by a bankruptcy filing to another guaranty agency—

(B) May direct lenders not to file proofs of claim on loans guaranteed by that agency.

(C) The borrower has begun an action to have the loan obligation determined to be

dischargeable on grounds of undue hardship.

(ii) In cases not described in paragraph (f)(5)(i) of this section, the lender shall continue to hold the loan notwithstanding the bankruptcy proceeding. Once the bankruptcy proceeding is completed or dismissed, the lender shall treat the loan as if the lender had exercised forbearance as to repayment of principal and interest accrued from the date of the borrower's filing of the bankruptcy petition until the date the lender is notified that the bankruptcy proceeding is completed or dismissed.

(g) *Claim procedures for a loan held by a lender* —(1) *Documentation.* A lender shall provide the guaranty agency with the following documentation when filing a death, disability, closed school, false certification, or bankruptcy claim:

(B) A statement of any facts of which the lender is aware that may form the basis for an objection or exception to the discharge of the borrower's loan obligation in bankruptcy and all documents supporting those facts.

(vi) In the case of a closed school claim, the documentation described in paragraph (d)(3) of this section, or any other documentation as the Secretary may require;

(vii) In the case of a false certification claim, the documentation described in paragraph (e)(3) of this section.

(2) *Filing deadlines.* A lender shall file a death, disability, closed school, false certification, or bankruptcy claim within the following periods:

(i) Within 60 days of the date on which the lender determines that a borrower (or the student on whose behalf a parent obtained a PLUS loan) has died, or the lender determines that the borrower is totally and permanently disabled.

(ii) In the case of a closed school claim, the lender shall file a claim with the guaranty agency no later than 60 days after the borrower submits to the lender the written request and sworn statement described in paragraph (d)(3) of this section or after the lender is notified by the Secretary or the Secretary's designee or by the guaranty agency to do so.

(iii) In the case of a false certification claim, the lender shall file a claim with the

guaranty agency no later than 60 days after the borrower submits to the lender the written request and sworn statement described in paragraph (e)(3) of this section or after the lender is notified by the Secretary or the Secretary's designee or by the guaranty agency to do so.

(iv) A lender shall file a bankruptcy claim with the guaranty agency by the earlier of—

(A) 30 days after the date on which the lender receives notice of the first meeting of creditors or other information described in paragraph (f)(3) of this section; or

(B) 15 days after the lender is served with a complaint or motion to have the loan determined to be dischargeable on grounds of undue hardship, or, if the lender secures an extension of time within which an answer may be filed, 25 days before the expiration of that extended period, whichever is later.

(h) *Payment of death, disability, closed school, false certification, and bankruptcy claims by the guaranty agency —(1) General.* (i) Except as provided in paragraph (h)(1)(v) of this section, the guaranty agency shall review a death, disability, bankruptcy, closed school, or false certification claim promptly and shall pay the lender on an approved claim the amount of loss in accordance with paragraphs (h)(2) and (h)(3) of this section—

(A) Not later than 45 days after the claim was filed by the lender for death and bankruptcy claims; and

(B) Not later than 90 days after the claim was filed by the lender for disability, closed school, or false certification claims.

MEETING 2
FEBRUARY 13-17, 2012

(ii) In the case of a bankruptcy claim, the guaranty agency shall, upon receipt of the claim from the lender, immediately take those actions required under paragraph (i) of this section to oppose the discharge of the loan by the bankruptcy court.

(iii) In the case of a closed school claim or a false certification claim based on the determination that the borrower did not sign the loan application, the promissory note, or the authorization for the electronic transfer of loan funds, or that the school failed to test, or improperly tested, the student's ability to benefit, the guaranty agency shall document its determination that the borrower is eligible for discharge under paragraphs (d) or (e) of this section and pay the borrower or the holder the amount determined under paragraph (h)(2) of this section.

(iv) In reviewing a claim under this section, the issue of confirmation of subsequent loans under an MPN will not be reviewed and a claim will not be denied based on the absence of any evidence relating to confirmation in a particular loan file. However, if a court rules that a loan is unenforceable solely because of the lack of evidence of the confirmation process or processes, insurance benefits must be repaid.

(v) In the case of a disability claim based on a veteran's discharge request processed in accordance with §682.402(c)(8), the guaranty agency shall—

(A) Review the claim promptly and not later than 45 days after the claim was filed by the lender submit the veteran's discharge application and supporting documentation to the Secretary or return

the claim to the lender in accordance with §682.402(c)(8)(ii)(D) or (E), as applicable; and

(B) Not later than 45 days after receiving notification from the Secretary of the veteran's eligibility or ineligibility for discharge, pay the claim or return the claim to the lender in accordance with §682.402(c)(8)(ii)(F) or (G), as applicable.

(2)(i) The amount of loss payable—

(A) On a death or disability claim is equal to the sum of the remaining principal balance and interest accrued on the loan, collection costs incurred by the lender and applied to the borrower's account within 30 days of the date those costs were actually incurred, and unpaid interest up to the date the lender should have filed the claim.

(B) On a bankruptcy claim is equal to the unpaid balance of principal and interest determined in accordance with paragraph (h)(3) of this section.

(ii) The amount of loss payable to a lender on a closed school claim or on a false certification claim is equal to the sum of the remaining principal balance and interest accrued on the loan, collection costs incurred by the lender and applied to the borrower's account within 30 days of the date those costs were actually incurred, and unpaid interest determined in accordance with paragraph (h)(3) of this section.

(iii) In the case of a closed school or false certification claim filed by a lender on an outstanding loan owed by the borrower, on the same date that the agency pays a claim to the lender, the agency shall pay the borrower an amount equal to the amount

MEETING 2
FEBRUARY 13-17, 2012

paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source.

(iv) In the case of a claim filed by a lender based on a request received from a borrower whose loan had been repaid in full by, or on behalf of the borrower to the lender, on the same date that the agency notifies the lender that the borrower is eligible for a closed school or false certification discharge, the agency shall pay the borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source.

(v) In the case of a loan that has been included in a Consolidation Loan, the agency shall pay to the holder of the borrower's Consolidation Loan, an amount equal to—

(A) The amount paid on the loan by or on behalf of the borrower at the time the loan was paid through consolidation;

(B) The amount paid by the consolidating lender to the holder of the loan when it was repaid through consolidation; minus

(C) Any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source if those refunds or payments were—

(1) Received by the borrower or received by the holder and applied to the borrower's loan balance before the date the loan was repaid through consolidation; or

(2) Received by the borrower or received by the Consolidation Loan holder on or after the date the consolidating lender made a payment to the former holder to discharge the borrower's obligation to that former holder.

(3) *Payment of interest.* If the guarantee covers unpaid interest, the amount payable on an approved claim includes the unpaid interest that accrues during the following periods:

(i) During the period before the claim is filed, not to exceed the period provided for in paragraph (g)(2) of this section for filing the claim.

(ii) During a period not to exceed 30 days following the receipt date by the lender of a claim returned by the guaranty agency for additional documentation necessary for the claim to be approved by the guaranty agency.

(iii) During the period required by the guaranty agency to approve the claim and to authorize payment or to return the claim to the lender for additional documentation not to exceed—

(A) 45 days for death or bankruptcy claims; or

(B) 90 days for disability, closed school, or false certification claims.

(i) *Guaranty agency participation in bankruptcy proceedings* —(1) *Undue hardship claims.* (i) In response to a petition

MEETING 2
FEBRUARY 13-17, 2012

filed prior to October 8, 1998 with regard to any bankruptcy proceeding by the borrower for discharge under 11 U.S.C. 523(a)(8) on the grounds of undue hardship, the guaranty agency must, on the basis of reasonably available information, determine whether the first payment on the loan was due more than 7 years (exclusive of any applicable suspension of the repayment period) before the filing of that petition and, if so, process the claim.

(ii) In all other cases, the guaranty agency must determine whether repayment under either the current repayment schedule or any adjusted schedule authorized under this part would impose an undue hardship on the borrower and his or her dependents.

(iii) If the guaranty agency determines that repayment would not constitute an undue hardship, the guaranty agency must then determine whether the expected costs of opposing the discharge petition would exceed one-third of the total amount owed on the loan, including principal, interest, late charges, and collection costs. If the guaranty agency has determined that the expected costs of opposing the discharge petition will exceed one-third of the total amount of the loan, it may, but is not required to, engage in the activities described in paragraph (i)(1)(iv) of this section.

(iv) The guaranty agency must use diligence and may assert any defense consistent with its status under applicable law to avoid discharge of the loan. Unless discharge would be more effectively opposed by not taking the following actions, the agency must—

(A) Oppose the borrower's petition for a determination of dischargeability; and

(B) If the borrower is in default on the loan, seek a judgment for the amount owed on the loan.

(v) In opposing a petition for a determination of dischargeability on the grounds of undue hardship, a guaranty agency may agree to discharge of a portion of the amount owed on a loan if it reasonably determines that the agreement is necessary in order to obtain a judgment on the remainder of the loan.

(2) *Response by a guaranty agency to plans proposed under Chapters 11, 12, and 13.* The guaranty agency shall take the following actions when a petition for relief in bankruptcy under Chapters 11, 12, or 13 is filed:

(i) The agency is not required to respond to a proposed plan that—

(A) Provides for repayment of the full outstanding balance of the loan;

(B) Makes no provision with regard to the loan or to general unsecured claims.

(ii) In any other case, the agency shall determine, based on a review of its own records and documents filed by the debtor in the bankruptcy proceeding—

(A) What part of the loan obligation will be discharged under the plan as proposed;

(B) Whether the plan itself or the classification of the loan under the plan meets the requirements of 11 U.S.C. 1129, 1225, or 1325, as applicable; and

MEETING 2
FEBRUARY 13-17, 2012

(C) Whether grounds exist under 11 U.S.C. 1112, 1208, or 1307, as applicable, to move for conversion or dismissal of the case.

(iii) If the agency determines that grounds exist to challenge the proposed plan, the agency shall, as appropriate, object to the plan or move to dismiss the case, if—

(A) The costs of litigation of these actions are not reasonably expected to exceed one-third of the amount of the loan to be discharged under the plan; and

(B) With respect to an objection under 11 U.S.C. 1325, the additional amount that may be recovered under the plan if an objection is successful can reasonably be expected to equal or exceed the cost of litigating the objection.

(iv) The agency shall monitor the debtor's performance under a confirmed plan. If the debtor fails to make payments required under the plan or seeks but does not demonstrate entitlement to discharge under 11 U.S.C. 1328(b), the agency shall oppose any requested discharge or move to dismiss the case if the costs of litigation together with the costs incurred for objections to the plan are not reasonably expected to exceed one-third of the amount of the loan to be discharged under the plan.

(j) *Mandatory purchase by a lender of a loan subject to a bankruptcy claim.* (1) The lender shall repurchase from the guaranty agency a loan held by the agency pursuant to a bankruptcy claim paid to that lender, unless the guaranty agency sells the loan to

another lender, promptly after the earliest of the following events:

(i) The entry of an order denying or revoking discharge or dismissing a proceeding under any chapter.

(ii) A ruling in a proceeding under chapter 7 or 11 that the loan is not dischargeable under 11 U.S.C. 523(a)(8) or other applicable law.

(iii) The entry of an order granting discharge under chapter 12 or 13, or confirming a plan of arrangement under chapter 11, unless the court determined that the loan is dischargeable under 11 U.S.C. 523(a)(8) on grounds of undue hardship.

(2) The lender may capitalize all outstanding interest accrued on a loan purchased under paragraph (j) of this section to cover any periods of delinquency prior to the bankruptcy action through the date the lender purchases the loan and receives the supporting loan documentation from the guaranty agency.

(k) *Claims for reimbursement from the Secretary on loans held by guaranty agencies.* (1)(i) The Secretary reimburses the guaranty agency for its losses on bankruptcy claims paid to lenders after—

(A) A determination by the court that the loan is dischargeable under 11 U.S.C. 523(a)(8) with respect to a proceeding initiated under chapter 7 or chapter 11; or

(B) With respect to any other loan, after the agency pays the claim to the lender.

(ii) The guaranty agency shall refund to the Secretary the full amount of

MEETING 2
FEBRUARY 13-17, 2012

reimbursement received from the Secretary on a loan that a lender repurchases under this section.

(2) The Secretary pays a death, disability, bankruptcy, closed school, or false certification claim in an amount determined under §682.402(k)(5) on a loan held by a guaranty agency after the agency has paid a default claim to the lender thereon and received payment under its reinsurance agreement. The Secretary reimburses the guaranty agency only if—

(i) The guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan or each of the co-makers of a PLUS loan) has died, or the borrower (or each of the co-makers of a PLUS loan) has become totally and permanently disabled since applying for the loan, or has filed for relief in bankruptcy, in accordance with the procedures in paragraphs (b), (c), or (f) of this section, or the student was unable to complete an educational program because the school closed, or the borrower's eligibility to borrow (or the student's eligibility in the case of a PLUS loan) was falsely certified by an eligible school. For purposes of this paragraph, references to the "lender" and "guaranty agency" in paragraphs (b) through (f) of this section mean the guaranty agency and the Secretary respectively;

(ii) In the case of a Stafford, SLS, or PLUS loan, the guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan, or each of the co-makers of a PLUS loan) has died, or the borrower (or each of the co-makers of a PLUS loan) has become totally and

permanently disabled since applying for the loan, or has filed the petition for relief in bankruptcy within 10 years of the date the borrower entered repayment, exclusive of periods of deferment or periods of forbearance granted by the lender that extended the 10-year maximum repayment period, or the borrower (or the student for whom a parent received a PLUS loan) was unable to complete an educational program because the school closed, or the borrower's eligibility to borrow (or the student's eligibility in the case of a PLUS loan) was falsely certified by an eligible school;

(iii) In the case of a Consolidation loan, the borrower (or one of the co-makers) has died, is determined to be totally and permanently disabled under §682.402(c), or has filed the petition for relief in bankruptcy within the maximum repayment period described in §682.209(h)(2), exclusive of periods of deferment or periods of forbearance granted by the lender that extended the maximum repayment period;

(iv) The guaranty agency has not written off the loan in accordance with the procedures established by the agency under §682.410(b)(6)(x), except for closed school and false certification discharges; and

(v) The guaranty agency has exercised due diligence in the collection of the loan in accordance with the procedures established by the agency under §682.410(b)(6)(x), until the borrower (or the student for whom a parent obtained a PLUS loan, or each of the co-makers of a PLUS loan) has died, or the borrower (or each of the co-makers of a PLUS loan) has become totally and permanently disabled or filed a Chapter 12

MEETING 2
FEBRUARY 13-17, 2012

or Chapter 13 petition, or had the loan discharged in bankruptcy, or for closed school and false certification claims, the guaranty agency receives a request for discharge from the borrower or another party.

(3) [Reserved]

(4) Within 30 days of receiving reimbursement for a closed school or false certification claim, the guaranty agency shall pay—

(i) The borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder, guaranty agency, or the borrower from a tuition recovery fund, performance bond, or other third-party source; or

(ii) The amount determined under paragraph (h)(2)(iv) of this section to the holder of the borrower's Consolidation Loan.

(5) The Secretary pays the guaranty agency a percentage of the outstanding principal and interest that is equal to the complement of the reinsurance percentage paid on the loan. This interest includes interest that accrues during—

(i) For death or bankruptcy claims, the shorter of 60 days or the period from the date the guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan, or each of the co-makers of a PLUS loan) died, or filed a petition for relief in bankruptcy until the Secretary authorizes payment;

(ii) For disability claims, the shorter of 60 days or the period from the date the

guaranty agency makes a preliminary determination that the borrower became totally and permanently disabled until the Secretary authorizes payment; or

(iii) For closed school or false certification claims, the period from the date on which the guaranty agency received payment from the Secretary on a default claim to the date on which the Secretary authorizes payment of the closed school or false certification claim.

(1) Unpaid refund discharge —(1) *Unpaid refunds in closed school situations.* In the case of a school that has closed, the Secretary reimburses the guarantor of a loan and discharges a former or current borrower's (and any endorser's) obligation to repay that portion of an FFEL Program loan (disbursed, in whole or in part on or after January 1, 1986) equal to the refund that should have been made by the school under applicable Federal law and regulations, including this section. Any accrued interest and other charges (late charges, collection costs, origination fees, and insurance premiums) associated with the unpaid refund are also discharged.

(2) *Unpaid refunds in open school situations.* In the case of a school that is open, the guarantor discharges a former or current borrower's (and any endorser's) obligation to repay that portion of an FFEL loan (disbursed, in whole or in part, on or after January 1, 1986) equal to the amount of the refund that should have been made by the school under applicable Federal law and regulations, including this section, if—

(i) The borrower (or the student on whose behalf a parent borrowed) is not

MEETING 2
FEBRUARY 13-17, 2012

attending the school that owes the refund;
and

(ii) The guarantor receives documentation regarding the refund and the borrower and guarantor have been unable to resolve the unpaid refund within 120 days from the date the guarantor receives a complete application in accordance with paragraph (l)(4) of this section. Any accrued interest and other charges (late charges, collection costs, origination fees, and insurance premiums) associated with the amount of the unpaid refund amount are also discharged.

(3) *Relief to borrower (and any endorser) following discharge.* (i) If a borrower receives a discharge of a portion of a loan under this section, the borrower is reimbursed for any amounts paid in excess of the remaining balance of the loan (including accrued interest, late charges, collection costs, origination fees, and insurance premiums) owed by the borrower at the time of discharge.

(ii) The holder of the loan reports the discharge of a portion of a loan under this section to all credit reporting agencies to which the holder of the loan previously reported the status of the loan.

(4) *Borrower qualification for discharge.* To receive a discharge of a portion of a loan under this section, a borrower must submit a written application to the holder or guaranty agency except as provided in paragraph (l)(5)(iv) of this section. The application requests the information required to calculate the amount of the discharge and requires the borrower to sign a statement swearing to the accuracy of the information in the application. The

statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower must—

(i) State that the borrower (or the student on whose behalf a parent borrowed)—

(A) Received the proceeds of a loan, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Did not attend, withdrew, or was terminated from the school within a timeframe that entitled the borrower to a refund; and

(C) Did not receive the benefit of a refund to which the borrower was entitled either from the school or from a third party, such as a holder of a performance bond or a tuition recovery program.

(ii) State whether the borrower has any other application for discharge pending for this loan; and

(iii) State that the borrower—

(A) Agrees to provide upon request by the Secretary or the Secretary's designee other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for an unpaid refund discharge under this section; and

(B) Agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (e) of this section and to transfer any right to recovery against a third party to the Secretary in accordance with paragraph (d) of this section.

MEETING 2
FEBRUARY 13-17, 2012

(5) Unpaid refund discharge procedures.

(i) Except for the requirements of paragraph (l)(5)(iv) of this section related to an open school, if the holder or guaranty agency learns that a school did not pay a refund of loan proceeds owed under applicable law and regulations, the holder or the guaranty agency sends the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The holder of the loan also promptly suspends any efforts to collect from the borrower on any affected loan.

(ii) If the borrower returns the application, specified in paragraph (l)(4) of this section, the holder or the guaranty agency must review the application to determine whether the application appears to be complete. In the case of a loan held by a lender, once the lender determines that the application appears complete, it must provide the application and all pertinent information to the guaranty agency including, if available, the borrower's last date of attendance. If the borrower returns the application within 60 days, the lender must extend the period during which efforts to collect on the affected loan are suspended to the date the lender receives either a denial of the request or the unpaid refund amount from the guaranty agency. At the conclusion of the period during which the collection activity was suspended, the lender may capitalize any interest accrued and not paid during that period in accordance with §682.202(b).

(iii) If the borrower fails to return the application within 60 days, the holder of the loan resumes collection efforts and grants forbearance of principal and interest for the period during which the collection activity

was suspended. The holder may capitalize any interest accrued and not paid during that period in accordance with §682.202(b).

(iv) The guaranty agency may, with the approval of the Secretary, discharge a portion of a loan under this section without an application if the guaranty agency determines, based on information in the guaranty agency's possession, that the borrower qualifies for a discharge.

(v) If the holder of the loan or the guaranty agency determines that the information contained in its files conflicts with the information provided by the borrower, the guaranty agency must use the most reliable information available to it to determine eligibility for and the appropriate payment of the refund amount.

(vi) If the holder of the loan is the guaranty agency and the agency determines that the borrower qualifies for a discharge of an unpaid refund, the guaranty agency must suspend any efforts to collect on the affected loan and, within 30 days of its determination, discharge the appropriate amount and inform the borrower of its determination. Absent documentation of the exact amount of refund due the borrower, the guaranty agency must calculate the amount of the unpaid refund using the unpaid refund calculation defined in paragraph (o) of this section.

(vii) If the guaranty agency determines that a borrower does not qualify for an unpaid refund discharge, (or, if the holder is the lender and is informed by the guarantor that the borrower does not qualify for a discharge)—

MEETING 2
FEBRUARY 13-17, 2012

(A) Within 30 days of the guarantor's determination, the agency must notify the borrower in writing of the reason for the determination and of the borrower's right to request a review of the agency's determination. The guaranty agency must make a determination within 30 days of the borrower's submission of additional documentation supporting the borrower's eligibility that was not considered in any prior determination. During the review period, collection activities must be suspended; and

(B) The holder must resume collection if the determination remains unchanged and grant forbearance of principal and interest for any period during which collection activity was suspended under this section. The holder may capitalize any interest accrued and not paid during these periods in accordance with §682.202(b).

(viii) If the guaranty agency determines that a current or former borrower at an open school may be eligible for a discharge under this section, the guaranty agency must notify the lender and the school of the unpaid refund allegation. The notice to the school must include all pertinent facts available to the guaranty agency regarding the alleged unpaid refund. The school must, no later than 60 days after receiving the notice, provide the guaranty agency with documentation demonstrating, to the satisfaction of the guarantor, that the alleged unpaid refund was either paid or not required to be paid.

(ix) In the case of a school that does not make a refund or provide sufficient documentation demonstrating the refund was either paid or was not required, within

60 days of its receipt of the allegation notice from the guaranty agency, relief is provided to the borrower (and any endorser) if the guaranty agency determines the relief is appropriate. The agency must forward documentation of the school's failure to pay the unpaid refund to the Secretary.

(m) *Unpaid refund discharge procedures for a loan held by a lender.* In the case of an unpaid refund discharge request, the lender must provide the guaranty agency with documentation related to the borrower's qualification for discharge as specified in paragraph (l)(4) of this section.

(n) *Payment of an unpaid refund discharge request by a guaranty agency —*
(1) *General.* The guaranty agency must review an unpaid refund discharge request promptly and must pay the lender the amount of loss as defined in paragraphs (l)(1) and (l)(2) of this section, related to the unpaid refund not later than 45 days after a properly filed request is made.

(2) *Determination of the unpaid refund discharge amount to the lender.* The amount of loss payable to a lender on an unpaid refund includes that portion of an FFEL Program loan equal to the amount of the refund required under applicable Federal law and regulations, including this section, and including any accrued interest and other charges (late charges, collection costs, origination fees, and insurance premiums) associated with the unpaid refund.

(o)(1) *Determination of amount eligible for discharge.* The guaranty agency determines the amount eligible for discharge based on information showing

MEETING 2
FEBRUARY 13-17, 2012

the refund amount or by applying the appropriate refund formula to information that the borrower provides or that is otherwise available to the guaranty agency. For purposes of this section, all unpaid refunds are considered to be attributed to loan proceeds.

(2) If the information in paragraph (o)(1) of this section is not available, the guaranty agency uses the following formulas to determine the amount eligible for discharge:

(i) In the case of a student who fails to attend or whose withdrawal or termination date is before October 7, 2000 and who completes less than 60 percent of the loan period, the guaranty agency discharges the lesser of the institutional charges unearned or the loan amount. The guaranty agency determines the amount of the institutional charges unearned by—

(A) Calculating the ratio of the amount of time in the loan period after the student's last day of attendance to the actual length of the loan period; and

(B) Multiplying the resulting factor by the institutional charges assessed the student for the loan period.

(ii) In the case of a student who fails to attend or whose withdrawal or termination date is on or after October 7, 2000 and who completes less than 60 percent of the loan period, the guaranty agency discharges the loan amount unearned. The guaranty agency determines the loan amount unearned by—

(A) Calculating the ratio of the amount of time remaining in the loan period after

the student's last day of attendance to the actual length of the loan period; and

(B) Multiplying the resulting factor by the total amount of title IV grants and loans received by the student, or if unknown, the loan amount.

(iii) In the case of a student who completes 60 percent or more of the loan period, the guaranty agency does not discharge any amount because a student who completes 60 percent or more of the loan period is not entitled to a refund.

(p) *Requests for reimbursement from the Secretary on loans held by guaranty agencies.* The Secretary reimburses the guaranty agency for its losses on unpaid refund request payments to lenders or borrowers in an amount that is equal to the amount specified in paragraph (n)(2) of this section.

(q) *Payments received after the guaranty agency's payment of an unpaid refund request.* (1) The holder must promptly return to the sender any payment on a fully discharged loan, received after the guaranty agency pays an unpaid refund request unless the sender is required to pay (as in the case of a tuition recovery fund) in which case, the payment amount must be forwarded to the Secretary. At the same time that the holder returns the payment, it must notify the borrower that there is no obligation to repay a loan fully discharged.

(2) If the holder has returned a payment to the borrower, or the borrower's representative, with the notice described in paragraph (q)(1) of this section, and the borrower (or representative) continues to send payments to the holder, the holder

MEETING 2
FEBRUARY 13-17, 2012

must remit all of those payments to the Secretary.

(3) If the loan has not been fully discharged, payments must be applied to the remaining debt.

(r) *Payments received after the Secretary's payment of a death, disability, closed school, false certification, or bankruptcy claim* (1) If the guaranty agency receives any payments from or on behalf of the borrower on or attributable to a loan that has been discharged in bankruptcy on which the Secretary previously paid a bankruptcy claim, the guaranty agency must return 100 percent of these payments to the sender. The guaranty agency must promptly return, to the sender, any payment on a cancelled or discharged loan made by the sender and received after the Secretary pays a closed school or false certification claim. At the same time that the agency returns the payment, it must notify the borrower that there is no obligation to repay a loan discharged on the basis of death, bankruptcy, false certification, or closing of the school.

(2) If the guaranty agency receives any payments from or on behalf of the borrower on or attributable to a loan that has been assigned to the Secretary for determination of eligibility for a total and permanent disability discharge, the guaranty agency must forward those payments to the Secretary for crediting to the borrower's account. At the same time that the agency forwards the payments, it must notify the borrower that there is no obligation to make payments on the loan while it is conditionally discharged prior to a final determination of eligibility for a total

and permanent disability discharge, unless the Secretary directs the borrower otherwise.

(3) When the Secretary makes a final determination to discharge the loan, the Secretary returns to the sender any payments received on the loan after the date the borrower became totally and permanently disabled.

(4) The guaranty agency shall remit to the Secretary all payments received from a tuition recovery fund, performance bond, or other third party with respect to a loan on which the Secretary previously paid a closed school or false certification claim.

(5) If the guaranty agency has returned a payment to the borrower, or the borrower's representative, with the notice described in paragraphs (r)(1) or (r)(2) of this section, and the borrower (or representative) continues to send payments to the guaranty agency, the agency must remit all of those payments to the Secretary.

(s) *Applicable suspension of the repayment period.* For purposes of this section and 11 U.S.C. 523(a)(8)(A) with respect to loans guaranteed under the FFEL Program, an applicable suspension of the repayment period—

(1) Includes any period during which the lender does not require the borrower to make a payment on the loan.

(2) Begins on the date on which the borrower qualifies for the requested deferment as provided in §682.210(a)(5) or the lender grants the requested forbearance;

MEETING 2
FEBRUARY 13-17, 2012

(3) Closes on the later of the date on which—

(i) The condition for which the requested deferment or forbearance was received ends; or

(ii) The lender receives notice of the end of the condition for which the requested deferment or forbearance was received, if the condition ended earlier than represented by the borrower at the time of the request and the borrower did not notify timely the lender of the date on which the condition actually ended;

(4) Includes the period between the end of the borrower's grace period and the first payment due date established by the lender in the case of a borrower who entered repayment without the knowledge of the lender;

(5) Includes the period between the filing of the petition for relief and the date on which the proceeding is completed or dismissed, unless payments have been made during that period in amounts sufficient to meet the amount owed under the repayment schedule in effect when the petition was filed.

§ 682.404 Federal reinsurance agreement.

(a) General. (1) The Secretary may enter into a reinsurance agreement with a guaranty agency that has a basic program agreement. Except as provided in paragraph (b) of this section, under a reinsurance agreement, the Secretary reimburses the guaranty agency for—

(i) 95 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1998;

(ii) 98 percent of its losses on default claim payments to lenders for loans for which the first disbursement is made on or after October 1, 1993, and before October 1, 1998; or

(iii) 100 percent of its losses on default claim payments to lenders—

(A) For loans for which the first disbursement is made prior to October 1, 1993;

MEETING 2
FEBRUARY 13-17, 2012

(B) For loans made under an approved lender-of-last-resort program;

(C) For loans transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program;

(D) For loans that meet the definition of exempt claims in paragraph (a)(2)(iii) of this section;

(E) For a guaranty agency that entered into a basic program agreement under section 428(b) of the Act after September 30, 1976, or was not actively carrying on a loan guarantee program covered by a basic program agreement on October 1, 1976 for five consecutive fiscal years beginning with the first year of its operation.

(2) For purposes of this section—

(i) *Losses* means the amount of unpaid principal and accrued interest the agency paid on a default claim filed by a lender on a reinsured loan, minus payments made by or on behalf of the borrower after default but before the Secretary reimburses the agency;

(ii) *Default aversion assistance* means the activities of a guaranty agency that are designed to prevent a default by a borrower who is at least 60 days delinquent and that are directly related to providing collection assistance to the lender.

(iii) *Exempt claims* means claims with respect to loans for which it is determined that the borrower (or student on whose behalf a parent has borrowed), without the lender's or the institution's knowledge at the time the loan was made, provided false

or erroneous information or took actions that caused the borrower or the student to be ineligible for all or a portion of the loan or for interest benefits on the loan.

(3) A guaranty agency's loss on a loan that was outstanding when a reinsurance agreement was executed is covered by the reinsurance agreement only if the default on the loan occurs after the effective date of the agreement.

(4) If a lender has requested default aversion assistance as described in paragraph (a)(2)(ii) of this section, the agency must, upon request of the school at which the borrower received the loan, notify the school of the lender's request. The guaranty agency may not charge the school or the school's agent for providing this notification and must accept a blanket request from the school to be notified whenever any of the school's current or former students are the subject of a default aversion assistance request. The agency must notify schools annually of the option to make this blanket request.

(b) *Reduction in reinsurance rate.* (1) If the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year reaches 5 percent of the amount of loans in repayment at the end of the preceding fiscal year, the Secretary's reinsurance payment on a default claim subsequently paid by the guaranty agency during that fiscal year equals—

(i) 90 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made before October 1, 1993 or transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty

MEETING 2
FEBRUARY 13-17, 2012

agency that withdraws its participation in the FFEL Program;

(ii) 88 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1993, and before October 1, 1998; or

(iii) 85 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1998.

(2) If the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year reaches 9 percent of the amount of loans in repayment at the end of the preceding fiscal year, the Secretary's reinsurance payment on a default claim subsequently paid by the guaranty agency during that fiscal year equals—

(i) 80 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made before October 1, 1993 or transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program;

(ii) 78 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1993, and before October 1, 1998; or

(iii) 75 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1998.

(3) For purposes of this section, the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year does not include amounts paid on claims by the guaranty agency—

(i) On loans considered in default under §682.412(e);

(ii) Under a policy established by the agency that is consistent with §682.509(a)(1); or

(iii) That were filed by lenders at the direction of the Secretary;

(iv) On loans made under a guaranty agency's approved lender-of-last-resort program.

(4) For purposes of this section, *amount of loans in repayment* means—

(i) The sum of—

(A) The original principal amount of all loans guaranteed by the agency; and

(B) The original principal amount of any loans on which the guarantee was transferred to the agency from another agency;

(ii) Minus the original principal amount of all loans on which—

(A) The loan guarantee was canceled;

(B) The loan guarantee was transferred to another agency;

(C) The borrower has not yet reached the repayment period;

(D) Payment in full has been made by the borrower;

MEETING 2
FEBRUARY 13-17, 2012

(E) The borrower was in deferment status at the time repayment was scheduled to begin and remains in deferment status;

(F) Reinsurance coverage has been lost and cannot be regained; and

(G) The agency paid claims, excluding the amount of those claims—

(1) Paid under §682.412(e);

(2) Paid under a policy established by the agency that is consistent with §682.509(a)(1); or

(3) Paid at the direction of the Secretary.

(c) *Submission of reinsurance rate base data.* The guaranty agency shall submit to the Secretary the quarterly report required by the Secretary for the previous quarter ending September 30 containing complete and accurate data in order for the Secretary to calculate the amount of loans in repayment at the end of the preceding fiscal year. The Secretary does not pay a reinsurance claim to the guaranty agency after the date the quarterly report is due until the guaranty agency submits a complete and accurate report.

(d) *Reinsurance fee.* (1) Except for loans made under §682.209(e), (f) and (h), and all loans guaranteed on or after October 1, 1993, a guaranty agency shall pay to the Secretary during each fiscal year in quarterly installments a reinsurance fee equal to—

(i) 0.25 percent of the total principal amount of the Stafford, SLS, and PLUS loans

on which guarantees were issued by that agency during that fiscal year; or

(ii) 0.5 percent of the total principal amount of the Stafford, SLS, and PLUS loans on which guarantees were issued by that agency during that fiscal year if the agency's reinsurance claims paid reach the amount described in paragraph (b)(1) of this section at any time during that fiscal year.

(2) The agency that is the original guarantor of a loan shall pay the reinsurance fee to the Secretary even if the guaranty agency transfers its guaranty obligation on the loan to another guaranty agency.

(3) The guaranty agency shall pay the reinsurance fee required by paragraph (d)(1) of this section due the Secretary for each calendar quarter ending March 31, June 30, September 30, and December 31, within 90 days after the end of the applicable quarter or within 30 days after receiving written notice from the Secretary that the fees are due, whichever is earlier.

(e) *Initiation or extension of agreements.* In deciding whether to enter into or extend a reinsurance agreement, or, if an agreement has been terminated, whether to enter into a new agreement, the Secretary considers the adequacy of—

(1) Efforts by the guaranty agency and the lenders to which it provides guarantees to collect outstanding loans as required by §682.410(b) (6) or (7), and §682.411;

(2) Efforts by the guaranty agency to make FFEL loans available to all eligible borrowers; and

MEETING 2
FEBRUARY 13-17, 2012

(3) Other relevant aspects of the guaranty agency's program operations.

(f) Application of borrower payments. A payment made to a guaranty agency by a borrower on a defaulted loan must be applied first to the collection costs incurred to collect that amount and then to other incidental charges, such as late charges, then to accrued interest and then to principal.

(g) Share of borrower payments returned to the Secretary. (1) After an agency pays a default claim to a holder using assets of the Federal Fund, the agency must pay to the Secretary the portion of payments received on those defaulted loans remaining after—

(i) The agency deposits into the Federal Fund the amount of those payments equal to the applicable complement of the reinsurance percentage that was in effect at the time the claim was paid; and

(ii) The agency has deducted an amount equal to—

(A) 30 percent of borrower payments received before October 1, 1993;

(B) 27 percent of borrower payments received on or after October 1, 1993, and before October 1, 1998;

(C) 24 percent of borrower payments received on or after October 1, 1998, and before October 1, 2003; and

(D) 23 percent of borrower payments received on or after October 1, 2003.

(E) 16 percent of borrower payments received on or after October 1, 2007.

(2) Unless the Secretary approves otherwise, the guaranty agency must pay to the Secretary the Secretary's share of borrower payments within 45 days of its receipt of the payments.

(h) Nondiscrimination. (1) A guaranty agency may not engage in any pattern or practice that results in a denial of a borrower's access to FFEL loans because of the borrower's race, sex, color, religion, national origin, age, handicapped status, income, attendance at a particular participating school within any State served by the guaranty agency, length of the borrower's educational program, or the borrower's academic year in school.

(2) For purposes of this section a guaranty agency is deemed to be serving a State if it guarantees a loan that is—

(i) Made by a lender located in a State not served by the agency;

(ii) Made to a borrower who is a resident of a State not served by the agency; and

(iii) Made for attendance at a school located in the State.

(i) Account maintenance fee. A guaranty agency is paid an account maintenance fee based on the original principal amount of outstanding FFEL Program loans insured by the agency. For fiscal years 1999 and 2000, the fee is 0.12 percent of the original principal amount of outstanding loans. For fiscal years 2000 through 2007, the fee is 0.10 percent of the original principal amount of outstanding loans. After fiscal year 2007, the fee is 0.06 percent of the

MEETING 2
FEBRUARY 13-17, 2012

original principal amount of outstanding loans.

(j) Loan processing and issuance fee. A guaranty agency is paid a loan processing and issuance fee based on the principal amount of FFEL Program loans originated during a fiscal year that are insured by the agency. The fee is paid quarterly. No payment is made for loans for which the disbursement checks have not been cashed or for which electronic funds transfers have not been completed. For fiscal years 1999 through 2003, the fee is 0.65 percent of the principal amount of loans originated. Beginning October 1, 2003, the fee is 0.40 percent.

(k) Default aversion fee —(1) General. If a guaranty agency performs default aversion activities on a delinquent loan in response to a lender's request for default aversion assistance on that loan, the agency receives a default aversion fee. The fee may not be paid more than once on any loan. The lender's request for assistance must be submitted to the guaranty agency no earlier than the 60th day and no later than the 120th day of the borrower's delinquency. A guaranty agency may not restrict a lender's choice of the date during this period on which the lender submits a request for default aversion assistance.

(2) Amount of fees transferred. No more frequently than monthly, a guaranty agency may transfer default aversion fees from the Federal Fund to its Operating Fund. The amount of the fees that may be transferred is equal to—

(i) One percent of the unpaid principal and accrued interest owed on loans that

were submitted by lenders to the agency for default aversion assistance; minus

(ii) One percent of the unpaid principal and accrued interest owed by borrowers on default claims that—

(A) Were paid by the agency for the same time period for which the agency transferred default aversion fees from its Federal Fund; and

(B) For which default aversion fees have been received by the agency.

(3) Calculation of fee. (i) For purposes of calculating the one percent default aversion fee described in paragraph (k)(2)(i) of this section, the agency must use the total unpaid principal and accrued interest owed by the borrower as of the date the default aversion assistance request is submitted by the lender.

(ii) For purposes of paragraph (k)(2)(ii) of this section, the agency must use the total unpaid principal and accrued interest owed by the borrower as of the date the agency paid the default claim.

(4) Prohibition against conflicts. If a guaranty agency contracts with an outside entity to perform any default aversion activities, that outside entity may not—

(i) Hold or service the loan; or

(ii) Perform collection activities on the loan in the event of default within 3 years of the claim payment date.

(l) Other terms. The reinsurance agreement contains other terms and conditions that the Secretary finds necessary to—

MEETING 2
FEBRUARY 13-17, 2012

(1) Promote the purposes of the FFEL programs and to protect the United States from unreasonable risks of loss;

(2) Ensure proper and efficient administration of the loan guarantee program; and

(3) Ensure that due diligence will be exercised in the collection of loans.

§ 682.405 Loan rehabilitation agreement.

(a) General. (1) A guaranty agency that has a basic program agreement must enter into a loan rehabilitation agreement with the Secretary. The guaranty agency must establish a loan rehabilitation program for all borrowers with an enforceable promissory note for the purpose of rehabilitating defaulted loans, except for loans for which a judgment has been obtained, loans on which a default claim was filed under §682.412, and loans on which the borrower has been convicted of, or has pled nolo contendere or guilty to, a crime involving fraud in obtaining title IV, HEA program assistance, so that the loan

may be purchased, if practicable, by an eligible lender and removed from default status.

(2) A loan is considered to be rehabilitated only after—

(i) The borrower has made and the guaranty agency has received nine of the ten payments required under a monthly repayment agreement.

(A) Each of which payments is—

(1) Made voluntarily; **[SEE ALSO ISSUE PAPER #9 FOR NEW LANGUAGE]**

(2) In the full amount required; and

(3) Received within 20 days of the due date for the payment, and

(B) All nine payments are received within a 10-month period that begins with the month in which the first required due date falls and ends with the ninth consecutive calendar month following that month, and

(ii) The loan has been sold to an eligible lender.

(3) After the loan has been rehabilitated, the borrower regains all benefits of the program, including any remaining deferment eligibility under section 428(b)(1)(M) of the Act, from the date of the rehabilitation. Effective for any loan that is rehabilitated on or after August 14, 2008, the borrower cannot rehabilitate the loan again if the loan returns to default status following the rehabilitation.

(b) Terms of agreement. In the loan rehabilitation agreement, the guaranty agency agrees to ensure that its loan

rehabilitation program meets the following requirements at all times:

(1) A borrower may request rehabilitation of the borrower's defaulted loan held by the guaranty agency. In order to be eligible for rehabilitation of the loan, the borrower must voluntarily make at least nine of the ten payments required under a monthly repayment agreement.

(i) Each of which payment is—

(A) Made voluntarily,

(B) In the full amount required, and

(C) Received within 20 days of the due date for the payment, and

(ii) All nine payments are received within a ten-month period that begins with the month in which the first required due date falls and ends with the ninth consecutive calendar month following that month.

(iii) For the purposes of this section, the determination of reasonable and affordable by the guaranty agency or its agents must—

(A) Include a consideration of the borrower's and spouse's disposable income and reasonable and necessary expenses including, but not limited to, housing, utilities, food, medical costs, work-related expenses, dependent care costs and other Title IV repayment;

(B) Not be a required minimum payment amount, e.g. \$50, if the agency determines that a smaller amount is reasonable and affordable based on the

borrower's total financial circumstances. The agency must include documentation in the borrower's file of the basis for the determination if the monthly reasonable and affordable payment established under this section is less than \$50 or the monthly accrued interest on the loan, whichever is greater. However, \$50 may not be the minimum payment for a borrower if the agency determines that a smaller amount is reasonable and affordable; and

(C) Be based on the documentation provided by the borrower or other sources including, but not be limited to—

(1) Evidence of current income (e.g., proof of welfare benefits, Social Security benefits, child support, veterans' benefits, Supplemental Security Income, Workmen's Compensation, two most recent pay stubs, most recent copy of U.S. income tax return, State Department of Labor reports);

(2) Evidence of current expenses (e.g., a copy of the borrower's monthly household budget, on a form provided by the guaranty agency); and

(3) A statement of the unpaid balance on all FFEL loans held by other holders.

(iv) The agency must include any payment made under §682.401(b)(4) in determining whether the nine out of ten payments required under paragraph (b)(1) of this section have been made.

(v) A borrower may request that the monthly payment amount be adjusted due to a change in the borrower's total financial circumstances only upon providing the documentation specified in paragraph (b)(1)(iii)(C) of this section.

MEETING 2
FEBRUARY 13-17, 2012

(vi) A guaranty agency must provide the borrower with a written statement confirming the borrower's reasonable and affordable payment amount, as determined by the agency, and explaining any other terms and conditions applicable to the required series of payments that must be made before a borrower's account can be considered for repurchase by an eligible lender. The statement must inform borrowers of the effects of having their loans rehabilitated (*e.g.*, credit clearing, possibility of increased monthly payments). The statement must inform the borrower of the amount of the collection costs to be added to the unpaid principal at the time of the sale. The collection costs may not exceed 18.5 percent of the unpaid principal and accrued interest at the time of the sale.

(vii) A guaranty agency must provide the borrower with an opportunity to object to terms of the rehabilitation of the borrower's defaulted loan.

(2) For the purposes of this section, payment in the full amount required means payment of an amount that is reasonable and affordable, based on the borrower's total financial circumstances, as agreed to by the borrower and the agency. (i) The guaranty agency must, within 45 days of the sale—

(4) An eligible lender purchasing a rehabilitated loan must establish a repayment schedule that meets the same requirements that are applicable to other FFEL Program loans of the same loan type as the rehabilitated loan and must permit the borrower to choose any statutorily available repayment plan for that loan type. The lender must treat the first payment made under the nine payments as the first payment under the applicable maximum repayment term, as defined under §682.209(a) or (h). For Consolidation loans, the maximum repayment term is based on the balance outstanding at the time of loan rehabilitation.

(c) A guaranty agency must make available financial and economic education materials, including debt management information, to any borrower who has rehabilitated a defaulted loan in accordance with paragraph (a)(2) of this section.

§ 682.409 Mandatory assignment by guaranty agencies of defaulted loans to the Secretary.

(a)(1) If the Secretary determines that action is necessary to protect the Federal fiscal interest, the Secretary directs a guaranty agency to promptly assign to the Secretary any loans held by the agency on

which the agency has received payment under §682.402(f), 682.402(k), or 682.404. The collection of unpaid loans owed by Federal employees by Federal salary offset is, among other things, deemed to be in the Federal fiscal interest. Unless the Secretary notifies an agency, in writing, that other loans must be assigned to the Secretary, an agency must assign any loan that meets all of the following criteria as of April 15 of each year:

(i) The unpaid principal balance is at least \$100.

(ii) For each of the two fiscal years following the fiscal year in which these regulations are effective, the loan, and any other loans held by the agency for that borrower, have been held by the agency for at least four years; for any subsequent fiscal year such loan must have been held by the agency for at least five years.

(iii) A payment has not been received on the loan in the last year.

(iv) A judgment has not been entered on the loan against the borrower.

(2) If the agency fails to meet a fiscal year recovery rate standard under paragraph (a)(2)(ii) of this section for a loan type, and the Secretary determines that additional assignments are necessary to protect the Federal fiscal interest, the Secretary may require the agency to assign in addition to those loans described in paragraph (a)(1) of this section, loans in amounts needed to satisfy the requirements of paragraph (a)(2)(iii) or (a)(3)(i) of this section.

(i) *Calculation of fiscal year loan type recovery rate.* A fiscal year loan type recovery rate for an agency is determined by dividing the amount collected on defaulted loans, including collections by Federal Income Tax Refund Offset, for each loan program (i.e., the Stafford, PLUS, SLS, and Consolidation loan programs) by the agency for loans of that program (including payments received by the agency on loans under §682.401(b)(4) and §682.409 and the amounts of any loans purchased from the guaranty agency by an eligible lender) during the most recent fiscal year for which data are available by the total of principal and interest owed to an agency on defaulted loans for each loan program at the beginning of the same fiscal year, less accounts permanently assigned to the Secretary through the most recent fiscal year.

(ii) *Fiscal year loan type recovery rates standards.* (A) If, in each of the two fiscal years following the fiscal year in which these regulations are effective, the fiscal year loan type recovery rate for a loan program for an agency is below 80 percent of the average recovery rate of all active guaranty agencies in each of the same two fiscal years for that program type, and the Secretary determines that additional assignments are necessary to protect the Federal fiscal interest, the Secretary may require the agency to make additional assignments in accordance with paragraph (a)(2)(iii) of this section.

(B) In any subsequent fiscal year the loan type recovery rate standard for a loan program must be 90 percent of the average recovery rate of all active guaranty agencies.

MEETING 2
FEBRUARY 13-17, 2012

(iii) *Non-achievement of loan type recovery rate standards.*

(A) Unless the Secretary determines under paragraph (a)(2)(iv) of this section that protection of the Federal fiscal interest requires that a lesser amount be assigned, upon notice from the Secretary, an agency with a fiscal year loan type recovery rate described in paragraph (a)(2)(ii) of this section must promptly assign to the Secretary a sufficient amount of defaulted loans, in addition to loans to be assigned in accordance with paragraph (a)(1) of this section, to cause the fiscal year loan type recovery rate of the agency that fiscal year to equal or exceed the average rate of all agencies described in paragraph (a)(2)(ii) of this section when recalculated to exclude from the denominator of the agency's fiscal year loan type recovery rate the amount of these additional loans.

(B) The Secretary, in consultation with the guaranty agency, may require the amount of loans to be assigned under paragraph (a)(2) of this section to include particular categories of loans that share characteristics that make the performance of the agency fall below the appropriate percentage of the loan type recovery rate as described in paragraph (a)(2)(ii) of this section.

(iv) *Calculation of loan type recovery rate standards.* The Secretary, within 30 days after the date for submission of the second quarterly report from all agencies, makes available to all agencies a mid-year report, showing the recovery rate for each agency and the average recovery rate of all active guaranty agencies for each loan type. In addition, the Secretary, within 120 days

after the beginning of each fiscal year, makes available a final report showing those rates and the average rate for each loan type for the preceding fiscal year.

(3)(i) *Determination that the protection of the Federal fiscal interest requires assignments.* Upon petition by an agency submitted within 45 days of the notice required by paragraph (a)(2)(iii)(A) of this section, the Secretary may determine that protection of the Federal fiscal interest does not require assignment of all loans described in paragraph (a)(1) of this section or of loans in the full amount described in paragraph (a)(2)(iii) of this section only after review of the agency's petition. In making this determination, the Secretary considers all relevant information available to him (including any information and documentation obtained by the Secretary in reviews of the agency or submitted to the Secretary by the agency) as follows:

(A) For each of the two fiscal years following the fiscal year in which these regulations are effective, the Secretary considers information presented by an agency with a fiscal year loan type recovery rate above the average rate of all active agencies to demonstrate that the protection of the Federal fiscal interest will be served if any amounts of loans of the loan type required to be assigned to the Secretary under paragraph (a)(1) of this section are retained by that agency. For any subsequent fiscal year, the Secretary considers information presented by an agency with a fiscal year recovery rate 10 percent above the average rate of all active agencies.

MEETING 2
FEBRUARY 13-17, 2012

(B) The Secretary considers information presented by an agency that is required to assign loans under paragraph (a)(2) of this section to demonstrate that the protection of the Federal fiscal interest will be served if the agency demonstrates that its compliance with §682.401(b)(4) and §682.405 has reduced substantially its fiscal year loan type recovery rate or rates or if the agency is not required to assign amounts of loans that would otherwise have to be assigned.

(C) The information provided by an agency pursuant to paragraphs (a)(3)(i)(A) and (B) of this section may include, but is not limited to the following:

(1) The fiscal year loan type recovery rate within such school sectors as the Secretary may designate for the agency, and for all agencies.

(2) The fiscal year loan type recovery rate for loans for the agency and for all agencies categorized by age of the loans as the Secretary may determine.

(3) The performance of the agency, and all agencies, in default aversion.

(4) The agency's performance on judgment enforcement.

(5) The existence and use of any state or guaranty agency-specific collection tools.

(6) The agency's level of compliance with §§682.409 and 682.410(b)(6).

(7) Other factors that may affect loan repayment such as State or regional unemployment and natural disasters.

(ii) *Denial of an agency's petition.* If the Secretary does not accept the agency's petition, the Secretary provides, in writing, to the agency the Secretary's reasons for concluding that the Federal fiscal interest is best protected by requiring the assignment.

(b)(1) A guaranty agency that assigns a defaulted loan to the Secretary under this section thereby releases all rights and title to that loan. The Secretary does not pay the guaranty agency any compensation for a loan assigned under this section.

(2) The guaranty agency does not share in any amounts received by the Secretary on a loan assigned under this section, regardless of the reinsurance percentage paid on the loan or the agency's previous collection costs.

(c)(1) A guaranty agency must assign a loan to the Secretary under this section at the time, in the manner, and with the information and documentation that the Secretary requires. The agency must submit this information and documentation in the form (including magnetic media) and format specified by the Secretary.

(2) The guaranty agency must execute an assignment to the United States of America of all right, title, and interest in the promissory note or judgment evidencing a loan assigned under this section. If more than one loan is made under an MPN, the assignment of the note only applies to the loan or loans being assigned to the Secretary.

(3) If the agency does not provide the required information and documentation in the form and format required by the

MEETING 2
FEBRUARY 13-17, 2012

Secretary, the Secretary may, at his option—

(i) Allow the agency to revise the agency's submission to include the required information and documentation in the specified form and format;

(ii) In the case of an improperly formatted computer tape, reformat the tape and assess the cost of the activity against the agency;

(iii) Reorganize the material submitted and assess the cost of that activity against the agency; or

(iv) Obtain from other agency records and add to the agency's submission any information from the original submission, and assess the cost of that activity against the agency.

(4) For each loan assigned, the agency shall submit to the Secretary the following documents associated for each loan, assembled in the order listed below:

(i) The original or a true and exact copy of the promissory note.

(ii) Any documentation of a judgment entered on the loan.

(iii) A written assignment of the loan or judgment, unless this assignment is affixed to the promissory note.

(iv) The loan application, if a separate application was provided to the lender.

(v) A payment history for the loan, as described in §682.414(a)(1)(ii)(C).

(vi) A collection history for the loan, as described in §682.414(a)(1)(ii)(D).

(vii) The record of the lender's disbursement of Stafford and PLUS loan funds to the school for delivery to the borrower.

(viii) If the MPN or promissory note was signed electronically, the name and location of the entity in possession of the original electronic MPN or promissory note.

(5) The agency may submit copies of required documents in lieu of originals.

(6) The Secretary may accept the assignment of a loan without all of the documents listed in paragraph (c)(4) of this section. If directed to do so, the agency must retain these documents for submission to the Secretary at some future date.

(d)(1) If the Secretary determines that the agency has not submitted a document or record required by paragraph (c) of this section, and the Secretary decides to allow the agency an additional opportunity to submit the omitted document under paragraph (c)(3)(i) of this section, the Secretary notifies the agency and provides a reasonable period of time for the agency to submit the omitted record or document.

(2) If the omitted document is not submitted within the time specified by the Secretary, the Secretary determines whether that omission impairs the Secretary's ability to collect the loan.

(3) If the Secretary determines that the ability to collect the loan has been impaired under paragraph (d)(2) of this section, the Secretary assesses the agency the amount paid to the agency under the reinsurance agreement and accrued interest at the rate

applicable to the borrower under §682.410(b)(3).

(4) The Secretary reassigns to the agency that portion of the loan determined to be unenforceable by the Department.

§ 682.410 Fiscal, administrative, and enforcement requirements.

(a) Fiscal requirements —(1) *Reserve fund assets.* A guaranty agency shall establish and maintain a reserve fund to be used solely for its activities as a guaranty agency under the FFEL Program (“guaranty activities”). The guaranty agency shall credit to the reserve fund—

(i) The total amount of insurance premiums and Federal default fees collected;

(ii) Funds received from a State for the agency's guaranty activities, including matching funds under section 422(a) of the Act;

(iii) Federal advances obtained under sections 422(a) and (c) of the Act;

(iv) Federal payments for default, bankruptcy, death, disability, closed schools, and false certification claims;

(v) Supplemental preclaims assistance payments;

(vi) Transitional support payments received under section 458(a) of the Act;

(vii) Funds collected by the guaranty agency on FFEL Program loans on which a claim has been paid;

(viii) Investment earnings on the reserve fund; and

(ix) Other funds received by the guaranty agency from any source for the agency's guaranty activities.

(2) *Uses of reserve fund assets.* A guaranty agency may not use the assets of the reserve fund established under paragraph (a)(1) of this section to pay costs prohibited under §682.418, but shall use the assets of the reserve fund to pay only—

(i) Insurance claims;

(ii) Costs that are reasonable, as defined under §682.410(a)(11)(iii), and that are ordinary and necessary for the agency to fulfill its responsibilities under the HEA, including costs of collecting loans, providing preclaims assistance, monitoring enrollment and repayment status, and carrying out any other guaranty activities. Those costs must be—

(A) Allocable to the FFEL Program;

(B) Not higher than the agency would incur under established policies, regulations, and procedures that apply to

MEETING 2
FEBRUARY 13-17, 2012

any comparable non-Federal activities of the guaranty agency;

(C) Not included as a cost or used to meet cost sharing or matching requirements of any other federally supported activity, except as specifically provided by Federal law;

(D) Net of all applicable credits; and

(E) Documented in accordance with applicable legal and accounting standards;

(iii) The Secretary's equitable share of collections;

(iv) Federal advances and other funds owed to the Secretary;

(v) Reinsurance fees;

(vi) Insurance premiums and Federal default fees related to cancelled loans;

(vii) Borrower refunds, including those arising out of student or other borrower claims and defenses;

(viii) (A) The repayment, on or after December 29, 1993, of amounts credited under paragraphs (a)(1)(ii) or (a)(1)(ix) of this section, if the agency provides the Secretary 30 days prior notice of the repayment and demonstrates that—

(1) These amounts were originally received by the agency under appropriate contemporaneous documentation specifying that receipt was on a temporary basis only;

(2) The objective for which these amounts were originally received by the agency has been fully achieved; and

(3) Repayment of these amounts would not cause the agency to fail to comply with the minimum reserve levels provided by paragraph (a)(10) of this section, except that the Secretary may, for good cause, provide written permission for a payment that meets the other requirements of this paragraph (a)(2)(ix)(A).

(B) The repayment, prior to December 29, 1993, of amounts credited under paragraphs (a)(1)(ii) or (a)(1)(ix) of this section, if the agency demonstrates that—

(1) These amounts were originally received by the agency under appropriate contemporaneous documentation that receipt was on a temporary basis only; and

(2) The objective for which these amounts were originally received by the agency has been fully achieved.

(ix) Any other costs or payments ordinary and necessary to perform functions directly related to the agency's responsibilities under the HEA and for their proper and efficient administration;

(x) Notwithstanding any other provision of this section, any other payment that was allowed by law or regulation at the time it was made, if the agency acted in good faith when it made the payment or the agency would otherwise be unfairly prejudiced by the nonallowability of the payment at a later time; and

(xi) Any other amounts authorized or directed by the Secretary.

(3) *Accounting basis.* Except as approved by the Secretary, a guaranty agency shall credit the items listed in paragraph (a)(1) of this section to its

MEETING 2
FEBRUARY 13-17, 2012

reserve fund upon their receipt, without any deferral for accounting purposes, and shall deduct the items listed in paragraph (a)(2) of this section from its reserve fund upon their payment, without any accrual for accounting purposes.

(4) *Accounting records.* (i) The accounting records of a guaranty agency must reflect the correct amount of sources and uses of funds under paragraph (a) of this section.

(ii) A guaranty agency may reverse prior credits to its reserve fund if—

(A) The agency gives the Secretary prior notice setting forth a detailed justification for the action;

(B) The Secretary determines that such credits were made erroneously and in good faith; and

(C) The Secretary determines that the action would not unfairly prejudice other parties.

(iii) A guaranty agency shall correct any other errors in its accounting or reporting as soon as practicable after the errors become known to the agency.

(iv) If a general reconstruction of a guaranty agency's historical accounting records is necessary to make a change under paragraphs (a)(4)(ii) and (a)(4)(iii) of this section or any other retroactive change to its accounting records, the agency may make this reconstruction only upon prior approval by the Secretary and without any deduction from its reserve fund for the cost of the reconstruction.

(5) *Investments.* The guaranty agency shall exercise the level of care required of a fiduciary charged with the duty of investing the money of others when it invests the assets of the reserve fund described in paragraph (a)(1) of this section. It may invest these assets only in low-risk securities, such as obligations issued or guaranteed by the United States or a State.

(6) *Development of assets.* (i) If the guaranty agency uses in a substantial way for purposes other than the agency's guaranty activities any funds required to be credited to the reserve fund under paragraph (a)(1) of this section or any assets derived from the reserve fund to develop an asset of any kind and does not in good faith allocate a portion of the cost of developing and maintaining the developed asset to funds other than the reserve fund, the Secretary may require the agency to—

(A) Correct this allocation under paragraph (a)(4)(iii) of this section; or

(B) Correct the recorded ownership of the asset under paragraph (a)(4)(iii) of this section so that—

(1) If, in a transaction with an unrelated third party, the agency sells or otherwise derives revenue from uses of the asset that are unrelated to the agency's guaranty activities, the agency promptly shall deposit into the reserve fund described in paragraph (a)(1) of this section a percentage of the sale proceeds or revenue equal to the fair percentage of the total development cost of the asset paid with the reserve fund monies or provided by assets derived from the reserve fund; or

MEETING 2
FEBRUARY 13-17, 2012

(2) If the agency otherwise converts the asset, in whole or in part, to a use unrelated to its guaranty activities, the agency promptly shall deposit into the reserve fund described in paragraph (a)(1) of this section a fair percentage of the fair market value or, in the case of a temporary conversion, the rental value of the portion of the asset employed for the unrelated use.

(ii) If the agency uses funds or assets described in paragraph (a)(6)(i) of this section in the manner described in that paragraph and makes a cost and maintenance allocation erroneously and in good faith, it shall correct the allocation under paragraph (a)(4)(iii) of this section.

(7) *Third-party claims.* If the guaranty agency has any claim against any other party to recover funds or other assets for the reserve fund, the claim is the property of the United States.

(8) *Related-party transactions.* All transactions between a guaranty agency and a related organization or other person that involve funds required to be credited to the agency's reserve fund under paragraph (a)(1) of this section or assets derived from the reserve fund must be on terms that are not less advantageous to the reserve fund than would have been negotiated on an arm's-length basis by unrelated parties.

(9) *Scope of definition.* The provisions of this §682.410(a) define reserve funds and assets for purposes of sections 422 and 428 of the Act. These provisions do not, however, affect the Secretary's authority to use all funds and assets of the agency pursuant to section 428(c)(9)(F)(vi) of the Act.

(10) *Minimum reserve fund level.* The guaranty agency must maintain a current minimum reserve level of not less than—

(i) .5 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1993;

(ii) .7 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1994;

(iii) .9 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1995; and

(iv) 1.1 percent of the amount of loans outstanding, for each fiscal year of the agency that begins on or after January 1, 1996.

(11) *Definitions.* For purposes of this section—

(i) *Reserve fund level* means—

(A) The total of reserve fund assets as defined in paragraph (a)(1) of this section;

(B) Minus the total amount of the reserve fund assets used in accordance with paragraphs (a)(2) and (a)(3) of this section; and

(ii) *Amount of loans outstanding* means—

(A) The sum of—

(1) The original principal amount of all loans guaranteed by the agency; and

(2) The original principal amount of any loans on which the guarantee was transferred to the agency from another

MEETING 2
FEBRUARY 13-17, 2012

guarantor, excluding loan guarantees transferred to another agency pursuant to a plan of the Secretary in response to the insolvency of the agency;

(B) Minus the original principal amount of all loans on which—

(1) The loan guarantee was cancelled;

(2) The loan guarantee was transferred to another agency;

(3) Payment in full has been made by the borrower;

(4) Reinsurance coverage has been lost and cannot be regained; and

(5) The agency paid claims.

(iii) *Reasonable cost* means a cost that, in its nature and amount, does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. The burden of proof is upon the guaranty agency, as a fiduciary under its agreements with the Secretary, to establish that costs are reasonable. In determining reasonableness of a given cost, consideration must be given to—

(A) Whether the cost is of a type generally recognized as ordinary and necessary for the proper and efficient performance and administration of the guaranty agency's responsibilities under the HEA;

(B) The restraints or requirements imposed by factors such as sound business practices, arms-length bargaining, Federal, State, and other laws and regulations, and the terms and conditions of the guaranty

agency's agreements with the Secretary; and

(C) Market prices of comparable goods or services.

(b) *Administrative requirements* —(1) *Independent audits*. The guaranty agency shall arrange for an independent financial and compliance audit of the agency's FFEL program as follows:

(i) With regard to a guaranty agency that is an agency of a State government, an audit must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR part 80, appendix G.

(ii) With regard to a guaranty agency that is a nonprofit organization, an audit must be conducted in accordance with OMB Circular A-133, Audits of Institutions of Higher Education and Other Nonprofit Organizations and 34 CFR 74.61(h)(3). If a nonprofit guaranty agency meets the criteria in Circular A-133 to have a program specific audit, and chooses that option, the program specific audit must meet the following requirements:

(A) The audit must examine the agency's compliance with the Act, applicable regulations, and agreements entered into under this part.

(B) The audit must examine the agency's financial management of its FFEL program activities.

(C) The audit must be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO) Government Auditing Standards. Procedures for audits are contained in an audit guide developed

MEETING 2
FEBRUARY 13-17, 2012

by, and available from, the Office of the Inspector General of the Department.

(D) The audit must be conducted annually and must be submitted to the Secretary within six months of the end of the audit period. The first audit must cover the agency's activities for a period that includes July 23, 1992, unless the agency is currently submitting audits on a biennial basis, and the second year of its biennial cycle starts on or before July 23, 1992. Under these circumstances, the agency shall submit a biennial audit that includes July 23, 1992 and submit its next audit as an annual audit.

(2) *Collection charges.* Whether or not provided for in the borrower's promissory note and subject to any limitation on the amount of those costs in that note, the guaranty agency shall charge a borrower an amount equal to reasonable costs incurred by the agency in collecting a loan on which the agency has paid a default or bankruptcy claim. These costs may include, but are not limited to, all attorney's fees, collection agency charges, and court costs. Except as provided in ~~§682.401(b)(27) and~~ 682.405(b)(1)(iv), the amount charged a borrower must equal the lesser of—

(i) The amount the same borrower would be charged for the cost of collection under the formula in 34 CFR 30.60; or

(ii) The amount the same borrower would be charged for the cost of collection if the loan was held by the U.S. Department of Education.

(3) *Interest charged by guaranty agencies.* The guaranty agency shall charge the borrower interest on the amount owed

by the borrower after the capitalization required under paragraph (b)(4) of this section has occurred at a rate that is the greater of—

(i) The rate established by the terms of the borrower's original promissory note;

(ii) In the case of a loan for which a judgment has been obtained, the rate provided for by State law.

(4) *Capitalization of unpaid interest.* The guaranty agency shall capitalize any unpaid interest due the lender from the borrower at the time the agency pays a default claim to the lender.

(5) *Reports to consumer reporting agencies.* (i) After the completion of the procedures in paragraph (b)(5)(ii) of this section, the guaranty agency shall, after it has paid a default claim, report promptly, but not less than sixty days after completion of the procedures in paragraph (b)(6)(v) of this section, and on a regular basis, to all nationwide consumer reporting agencies—

(A) The total amount of loans made to the borrower and the remaining balance of those loans;

(B) The date of default;

(C) Information concerning collection of the loan, including the repayment status of the loan;

(D) Any changes or corrections in the information reported by the agency that result from information received after the initial report; and

MEETING 2
FEBRUARY 13-17, 2012

(E) The date the loan is fully repaid by or on behalf of the borrower or discharged by reason of the borrower's death, bankruptcy, total and permanent disability, or closed school or false certification.

(ii) The guaranty agency, after it pays a default claim on a loan but before it reports the default to a consumer reporting agency or assesses collection costs against a borrower, shall, within the timeframe specified in paragraph (b)(6)(ii) of this section, provide the borrower with—

(A) Written notice that meets the requirements of paragraph (b)(5)(vi) of this section regarding the proposed actions;

(B) An opportunity to inspect and copy agency records pertaining to the loan obligation;

(C) An opportunity for an administrative review of the legal enforceability or past-due status of the loan obligation; and

(D) An opportunity to enter into a repayment agreement on terms satisfactory to the agency.

(iii) The procedures set forth in 34 CFR 30.20–30.33 (administrative offset) satisfy the requirements of paragraph (b)(5)(ii) of this section.

(iv)(A) In response to a request submitted by a borrower, after the deadlines established under agency rules, for access to records, an administrative review, or for an opportunity to enter into a repayment agreement, the agency shall provide the requested relief but may continue reporting the debt to consumer reporting agencies until it determines that the borrower has demonstrated that the

loan obligation is not legally enforceable or that alternative repayment arrangements satisfactory to the agency have been made with the borrower.

(B) The deadline established by the agency for requesting administrative review under paragraph (b)(5)(ii)(C) of this section must allow the borrower at least 60 days from the date the notice described in paragraph (b)(5)(ii)(A) of this section is sent to request that review.

(v) An agency may not permit an employee, official, or agent to conduct the administrative review required under this paragraph if that individual is—

(A) Employed in an organizational component of the agency or its agent that is charged with collection of loan obligations; or

(B) Compensated on the basis of collections on loan obligations.

(vi) The notice sent by the agency under paragraph (b)(5)(ii)(A) of this section must—

(A) Advise the borrower that the agency has paid a default claim filed by the lender and has taken assignment of the loan;

(B) Identify the lender that made the loan and the school for attendance at which the loan was made;

(C) State the outstanding principal, accrued interest, and any other charges then owing on the loan;

(D) Demand that the borrower immediately begin repayment of the loan;

MEETING 2
FEBRUARY 13-17, 2012

(E) Explain the rate of interest that will accrue on the loan, that all costs incurred to collect the loan will be charged to the borrower, the authority for assessing these costs, and the manner in which the agency will calculate the amount of these costs;

(F) Notify the borrower that the agency will report the default to all nationwide consumer reporting agencies to the detriment of the borrower's credit rating;

(G) Explain the opportunities available to the borrower under agency rules to request access to the agency's records on the loan, to request an administrative review of the legal enforceability or past-due status of the loan, and to reach an agreement on repayment terms satisfactory to the agency to prevent the agency from reporting the loan as defaulted to consumer reporting agencies and provide deadlines and method for requesting this relief;

(H) Unless the agency uses a separate notice to advise the borrower regarding other proposed enforcement actions, describe specifically any other enforcement action, such as offset against Federal or state income tax refunds or wage garnishment that the agency intends to use to collect the debt, and explain the procedures available to the borrower prior to those other enforcement actions for access to records, for an administrative review, or for agreement to alternative repayment terms;

(I) Describe the grounds on which the borrower may object that the loan obligation as stated in the notice is not a legally enforceable debt owed by the borrower;

(J) Describe any appeal rights available to the borrower from an adverse decision on administrative review of the loan obligation;

(K) Describe any right to judicial review of an adverse decision by the agency regarding the legal enforceability or past-due status of the loan obligation;

(L) Describe the collection actions that the agency may take in the future if those presently proposed do not result in repayment of the loan obligation, including the filing of a lawsuit against the borrower by the agency and assignment of the loan to the Secretary for the filing of a lawsuit against the borrower by the Federal Government; and

(M) Inform the borrower of the options that are available to the borrower to remove the loan from default, including an explanation of the fees and conditions associated with each option.

(vii) As part of the guaranty agency's response to a borrower who appeals an adverse decision resulting from the agency's administrative review of the loan obligation, the agency must provide the borrower with information on the availability of the Student Loan Ombudsman's office.

(6) Collection efforts on defaulted loans.

(i) A guaranty agency must engage in reasonable and documented collection activities on a loan on which it pays a default claim filed by a lender. For a non-paying borrower, the agency must perform at least one activity every 180 days to collect the debt, locate the borrower (if

MEETING 2
FEBRUARY 13-17, 2012

necessary), or determine if the borrower has the means to repay the debt.

(ii) Within 45 days after paying a lender's default claim, the agency must send a notice to the borrower that contains the information described in paragraph (b)(5)(ii) of this section. During this time period, the agency also must notify the borrower, either in the notice containing the information described in paragraph (b)(5)(ii) of this section, or in a separate notice, that if he or she does not make repayment arrangements acceptable to the agency, the agency will promptly initiate procedures to collect the debt. The agency's notification to the borrower must state that the agency may administratively garnish the borrower's wages, file a civil suit to compel repayment, offset the borrower's State and Federal income tax refunds and other payments made by the Federal Government to the borrower, assign the loan to the Secretary in accordance with §682.409, and take other lawful collection means to collect the debt, at the discretion of the agency. The agency's notification must include a statement that borrowers may have certain legal rights in the collection of debts, and that borrowers may wish to contact counselors or lawyers regarding those rights.

(iii) Within a reasonable time after all of the information described in paragraph (b)(6)(ii) of this section has been sent, the agency must send at least one notice informing the borrower that the default has been reported to all nationwide consumer reporting agencies and that the borrower's credit rating may thereby have been damaged.

(iv) The agency must send a notice informing the borrower of the options that are available to remove the loan from default, including an explanation of the fees and conditions associated with each option. This notice must be sent within a reasonable time after the end of the period for requesting an administrative review as specified in paragraph (b)(5)(iv)(B) of this section or, if the borrower has requested an administrative review, within a reasonable time following the conclusion of the administrative review.

(v) A guaranty agency must attempt an annual Federal offset against all eligible borrowers. If an agency initiates proceedings to offset a borrower's State or Federal income tax refunds and other payments made by the Federal Government to the borrower, it may not initiate those proceedings sooner than 60 days after sending the notice described in paragraph (b)(5)(ii)(A) of this section.

(vi) A guaranty agency must initiate administrative wage garnishment proceedings against all eligible borrowers, except as provided in paragraph (b)(6)(vii) of this section, by following the procedures described in paragraph (b)(9) of this section.

(vii) A guaranty agency may file a civil suit against a borrower to compel repayment only if the borrower has no wages that can be garnished under paragraph (b)(9) of this section, or the agency determines that the borrower has sufficient attachable assets or income that is not subject to administrative wage garnishment that can be used to repay the debt, and the use of litigation would be more effective in collection of the debt.

MEETING 2
FEBRUARY 13-17, 2012

(7) *Special conditions for agency payment of a claim.* (i) A guaranty agency may adopt a policy under which it pays a claim to a lender on a loan under the conditions described in §682.509(a)(1).

(ii) Upon the payment of a claim under a policy described in paragraph (b)(7)(i) of this section, the guaranty agency shall—

(A) Perform the loan servicing functions required of a lender under §682.208, except that the agency is not required to follow the consumer reporting agency credit bureau reporting requirements of that section;

(B) Perform the functions of the lender during the repayment period of the loan, as required under §682.209;

(C) If the borrower is delinquent in repaying the loan at the time the agency pays a claim thereon to the lender or becomes delinquent while the agency holds the loan, exercise due diligence in accordance with §682.411 in attempting to collect the loan from the borrower and any endorser or co-maker; and

(D) After the date of default on the loan, if any, comply with paragraph (b)(6) of this section with respect to collection activities on the loan, with the date of default treated as the claim payment date for purposes of those paragraphs.

(8) *Preemption of State law.* The provisions of paragraphs (b)(2), (5), and (6) of this section preempt any State law, including State statutes, regulations, or rules, that would conflict with or hinder satisfaction of the requirements of these provisions.

(9) *Administrative Garnishment.* **[SEE ALSO ISSUE PAPER #25 FOR NEW LANGUAGE]** (i) If a guaranty agency decides to garnish the disposable pay of a borrower who is not making payments on a loan held by the agency, on which the Secretary has paid a reinsurance claim, it shall do so in accordance with the following procedures:

(A) The employer shall deduct and pay to the agency from a borrower's wages an amount that does not exceed the lesser of 15 percent of the borrower's disposable pay for each pay period or the amount permitted by 15 U.S.C. 1673, unless the borrower provides the agency with written consent to deduct a greater amount. For this purpose, the term "disposable pay" means that part of the borrower's compensation from an employer remaining after the deduction of any amounts required by law to be withheld.

(B) At least 30 days before the initiation of garnishment proceedings, the guaranty agency shall mail to the borrower's last known address, a written notice of the nature and amount of the debt, the intention of the agency to initiate proceedings to collect the debt through deductions from pay, and an explanation of the borrower's rights.

(C) The guaranty agency shall offer the borrower an opportunity to inspect and copy agency records related to the debt.

(D) The guaranty agency shall offer the borrower an opportunity to enter into a written repayment agreement with the agency under terms agreeable to the agency.

MEETING 2
FEBRUARY 13-17, 2012

(E) The guaranty agency shall offer the borrower an opportunity for a hearing in accordance with paragraph (b)(9)(i)(J) of this section concerning the existence or the amount of the debt and, in the case of a borrower whose proposed repayment schedule under the garnishment order is established other than by a written agreement under paragraph (b)(9)(i)(D) of this section, the terms of the repayment schedule.

(F) The guaranty agency shall sue any employer for any amount that the employer, after receipt of the garnishment notice provided by the agency under paragraph (b)(9)(i)(H) of this section, fails to withhold from wages owed and payable to an employee under the employer's normal pay and disbursement cycle.

(G) The guaranty agency may not garnish the wages of a borrower whom it knows has been involuntarily separated from employment until the borrower has been reemployed continuously for at least 12 months.

(H) Unless the guaranty agency receives information that the agency believes justifies a delay or cancellation of the withholding order, it shall send a withholding order to the employer within 20 days after the borrower fails to make a timely request for a hearing, or, if a timely request for a hearing is made by the borrower, within 20 days after a final decision is made by the agency to proceed with garnishment.

(I) The notice given to the employer under paragraph (b)(9)(i)(H) of this section must contain only the information as may

be necessary for the employer to comply with the withholding order.

(J) The guaranty agency shall provide a hearing, which, at the borrower's option, may be oral or written, if the borrower submits a written request for a hearing on the existence or amount of the debt or the terms of the repayment schedule. The time and location of the hearing shall be established by the agency. An oral hearing may, at the borrower's option, be conducted either in-person or by telephone conference. All telephonic charges must be the responsibility of the guaranty agency.

(K) If the borrower's written request is received by the guaranty agency on or before the 15th day following the borrower's receipt of the notice described in paragraph (b)(9)(i)(B) of this section, the guaranty agency may not issue a withholding order until the borrower has been provided the requested hearing. For purposes of this paragraph, in the absence of evidence to the contrary, a borrower shall be considered to have received the notice described in paragraph (b)(9)(i)(B) of this section 5 days after it was mailed by the agency. The guaranty agency shall provide a hearing to the borrower in sufficient time to permit a decision, in accordance with the procedures that the agency may prescribe, to be rendered within 60 days.

(L) If the borrower's written request is received by the guaranty agency after the 15th day following the borrower's receipt of the notice described in paragraph (b)(9)(i)(B) of this section, the guaranty agency shall provide a hearing to the borrower in sufficient time that a decision,

MEETING 2
FEBRUARY 13-17, 2012

in accordance with the procedures that the agency may prescribe, may be rendered within 60 days, but may not delay issuance of a withholding order unless the agency determines that the delay in filing the request was caused by factors over which the borrower had no control, or the agency receives information that the agency believes justifies a delay or cancellation of the withholding order. For purposes of this paragraph, in the absence of evidence to the contrary, a borrower shall be considered to have received the notice described in paragraph (b)(9)(i)(B) of this section 5 days after it was mailed by the agency.

(M) The hearing official appointed by the agency to conduct the hearing may be any qualified individual, including an administrative law judge, not under the supervision or control of the head of the guaranty agency.

(N) The hearing official shall issue a final written decision at the earliest practicable date, but not later than 60 days after the guaranty agency's receipt of the borrower's hearing request.

(O) As specified in section 488A(a)(8) of the HEA, the borrower may seek judicial relief, including punitive damages, if the employer discharges, refuses to employ, or takes disciplinary action against the borrower due to the issuance of a withholding order.

(ii) References to "the borrower" in this paragraph include all endorsers on a loan.

(10) *Conflicts of interest.* (i) A guaranty agency shall maintain and enforce written standards of conduct governing the

performance of its employees, officers, directors, trustees, and agents engaged in the selection, award, and administration of contracts or agreements. The standards of conduct must, at a minimum, require disclosure of financial or other interests and must mandate disinterested decision-making. The standards must provide for appropriate disciplinary actions to be applied for violations of the standards by employees, officers, directors, trustees, or agents of the guaranty agency, and must include provisions to—

(A) Prohibit any employee, officer, director, trustee, or agent from participating in the selection, award, or decision-making related to the administration of a contract or agreement supported by the reserve fund described in paragraph (a) of this section, if that participation would create a conflict of interest. Such a conflict would arise if the employee, officer, director, trustee, or agent, or any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of those parties has a financial or ownership interest in the organization selected for an award or would benefit from the decision made in the administration of the contract or agreement. The prohibitions described in this paragraph do not apply to employees of a State agency covered by codes of conduct established under State law;

(B) Ensure sufficient separation of responsibility and authority between its lender claims processing as a guaranty agency and its lending or loan servicing activities, or both, within the guaranty agency or between that agency and one or

MEETING 2
FEBRUARY 13-17, 2012

more affiliates, including independence in direct reporting requirements and such management and systems controls as may be necessary to demonstrate, in the independent audit required under §682.410(b)(1), that claims filed by another arm of the guaranty agency or by an affiliate of that agency receive no more favorable treatment than that accorded the claims filed by a lender or servicer that is not an affiliate or part of the guaranty agency; and

(C) Prohibit the employees, officers, directors, trustees, and agents of the guaranty agency, his or her partner, or any member of his or her immediate family, from soliciting or accepting gratuities, favors, or anything of monetary value from contractors or parties to agreements, except that nominal and unsolicited gratuities, favors, or items may be accepted.

(ii) *Guaranty agency restructuring.* If the Secretary determines that action is necessary to protect the Federal fiscal interest because of an agency's failure to meet the requirements of §682.410(b)(10)(i), the Secretary may require the agency to comply with any additional measures that the Secretary believes are appropriate, including the total divestiture of the agency's non-FFEL functions and the agency's interests in any affiliated organization.

(c) *Enforcement requirements.* A guaranty agency shall take such measures and establish such controls as are necessary to ensure its vigorous enforcement of all Federal, State, and guaranty agency requirements, including agreements,

applicable to its loan guarantee program, including, at a minimum, the following:

(1) Conducting comprehensive biennial on-site program reviews, using statistically valid techniques to calculate liabilities to the Secretary that each review indicates may exist, of at least—

(i)(A) Each participating lender whose dollar volume of FFEL loans ~~made or~~ held by the lender and guaranteed by the agency in the preceding year—

(1) Equaled or exceeded two percent of the total of all loans guaranteed ~~in that year~~ by the agency;

(2) Was one of the ten largest lenders whose loans were guaranteed ~~in that year~~ by the agency; or

(3) Equaled or exceeded \$10 million in the most recent fiscal year;

(C) Each participating school, located in a State for which the guaranty agency is the principal guaranty agency, that has a cohort default rate that includes FFEL program loans, as described in subpart M or N of 34 CFR part 668, for either of the 2 immediately preceding fiscal years, as defined in 34 CFR 668.182, that exceeds either 20 percent [subpart M] or 30 percent [subpart N], unless the school is under a mandate from the Secretary under subpart M or N of 34 CFR part 668 to take specific default reduction measures or if the total

MEETING 2
FEBRUARY 13-17, 2012

dollar amount of loans entering repayment in each fiscal year on which the cohort default rate of over 20 percent or 30 percent is based does not exceed \$100,000; or

(ii) The schools and lenders selected by the agency as an alternative to the reviews required by paragraphs (c)(1)(A)–(C) of this section if the Secretary approves the agency's proposed alternative selection methodology.

(2) Demanding prompt repayment by the responsible parties to lenders, borrowers, the agency, or the Secretary, as appropriate, of all funds found in those reviews to be owed by the participants with regard to loans guaranteed by the agency, whether or not the agency holds the loans, and monitoring the implementation by participants of corrective actions, including these repayments, required by the agency as a result of those reviews.

(3) Referring to the Secretary for further enforcement action any case in which repayment of funds to the Secretary is not made in full within 60 days of the date of the agency's written demand to the school, lender, or other party for payment, together with all supporting documentation, any correspondence, and any other documentation submitted by that party regarding the repayment.

~~(4) Adopting procedures for identifying fraudulent loan applications.~~

(54) Undertaking or arranging with State or local law enforcement agencies for the prompt and thorough investigation of all allegations and indications of criminal or other programmatic misconduct by its

(76) Promptly reporting all of the allegations and indications of misconduct having a substantial basis in fact, and the scope, progress, and results of the agency's investigations thereof to the Secretary.

(87) Referring appropriate cases to State or local authorities for criminal prosecution or civil litigation.

(98) Promptly notifying the Secretary of—

(i) Any action it takes affecting the FFEL program eligibility of a participating lender or title IV eligibility of school;

(ii) Information it receives regarding an action affecting the FFEL program eligibility of a participating lender or title IV eligibility of a school taken by a nationally recognized accrediting agency, association, or a State licensing agency;

(iii) Any judicial or administrative proceeding relating to the enforceability of FFEL loans guaranteed by the agency or in which tuition obligations of a school's students are directly at issue, other than a proceeding relating to a single borrower or student; and

MEETING 2
FEBRUARY 13-17, 2012

(iv) Any petition for relief in bankruptcy, application for receivership, or corporate dissolution proceeding brought by or against a school that participated in its loan guarantee program or a lender participating in its loan guarantee program.

(10) Cooperating with all program reviews, investigations, and audits conducted by the Secretary relating to the agency's loan guarantee program.

(11) Taking prompt action to protect the rights of borrowers and the Federal fiscal interest respecting loans that the agency has guaranteed when the agency learns that a ~~participating~~ school that participated in the FFEL program or a holder of loans participating in the program is experiencing problems that threaten the solvency of the school or holder, including—

(i) Conducting on-site program reviews;

(ii) Providing training and technical assistance, if appropriate;

(iii) Filing a proof of claim with a bankruptcy court for recovery of any funds due the agency and any refunds due to borrowers on FFEL loans that it has guaranteed when the agency learns that a school has filed a bankruptcy petition;

(iv) Promptly notifying the Secretary that the agency has determined that a school or holder of loans is experiencing potential solvency problems; and

(v) Promptly notifying the Secretary of the results of any actions taken by the agency to protect Federal funds involving such a school or holder.

§ 682.411 Lender due diligence in collecting guaranty agency loans.

(a) General. In the event of delinquency on an FFEL Program loan, the lender must engage in at least the collection efforts described in paragraphs (c) through (n) of this section, except that in the case of a loan made to a borrower who is incarcerated, residing outside a State, Mexico, or Canada, or whose telephone number is unknown, the lender may send a forceful collection letter instead of each telephone effort required by this section.

(b) Delinquency. (1) For purposes of this section, delinquency on a loan begins on the first day after the due date of the first missed payment that is not later made. The due date of the first payment is established by the lender but must occur by the deadlines specified in §682.209(a) or, if the

MEETING 2
FEBRUARY 13-17, 2012

lender first learns after the fact that the borrower has entered the repayment period, no later than 75 days after the day the lender so learns, except as provided in §682.209(a)(2)(v) and (a)(3)(ii)(E). If a payment is made late, the first day of delinquency is the day after the due date of the next missed payment that is not later made. A payment that is within five dollars of the amount normally required to advance the due date may nevertheless advance the due date if the lender's procedures allow for that advancement.

(2) At no point during the periods specified in paragraphs (c), (d), and (e) of this section may the lender permit the occurrence of a gap in collection activity, as defined in paragraph (j) of this section, of more than 45 days (60 days in the case of a transfer).

(3) As part of one of the collection activities provided for in this section, the lender must provide the borrower with information on the availability of the Student Loan Ombudsman's office.

(c) *1–15 days delinquent.* Except in the case in which a loan is brought into this period by a payment on the loan, expiration of an authorized deferment or forbearance period, or the lender's receipt from the drawee of a dishonored check submitted as a payment on the loan, the lender during this period must send at least one written notice or collection letter to the borrower informing the borrower of the delinquency and urging the borrower to make payments sufficient to eliminate the delinquency. The notice or collection letter sent during this period must include, at a minimum, a lender or servicer contact, a telephone

number, and a prominent statement informing the borrower that assistance may be available if he or she is experiencing difficulty in making a scheduled repayment.

(d) *16–180 days delinquent (16–240 days delinquent for a loan repayable in installments less frequently than monthly).*

(1) Unless exempted under paragraph (d)(4) of this section, during this period the lender must engage in at least four diligent efforts to contact the borrower by telephone and send at least four collection letters urging the borrower to make the required payments on the loan. At least one of the diligent efforts to contact the borrower by telephone must occur on or before, and another one must occur after, the 90th day of delinquency. Collection letters sent during this period must include, at a minimum, information for the borrower regarding deferment, forbearance, income-sensitive repayment, income-based repayment and loan consolidation, and other available options to avoid default.

(2) At least two of the collection letters required under paragraph (d)(1) of this section must warn the borrower that, if the loan is not paid, the lender will assign the loan to the guaranty agency that, in turn, will report the default to [each nationwide consumer reporting agency](#) ~~all national credit bureaus~~, and that the agency may institute proceedings to offset the borrower's State and Federal income tax refunds and other payments made by the Federal Government to the borrower or to garnish the borrower's wages, or to assign the loan to the Federal Government for litigation against the borrower.

MEETING 2
FEBRUARY 13-17, 2012

(3) Following the lender's receipt of a payment on the loan or a correct address for the borrower, the lender's receipt from the drawee of a dishonored check received as a payment on the loan, the lender's receipt of a correct telephone number for the borrower, or the expiration of an authorized deferment or forbearance period, the lender is required to engage in only—

(i) Two diligent efforts to contact the borrower by telephone during this period, if the loan is less than 91 days delinquent (121 days delinquent for a loan repayable in installments less frequently than monthly) upon receipt of the payment, correct address, correct telephone number, or returned check, or expiration of the deferment or forbearance; or

(ii) One diligent effort to contact the borrower by telephone during this period if the loan is 91–120 days delinquent (121–180 days delinquent for a loan repayable in installments less frequently than monthly) upon receipt of the payment, correct address, correct telephone number, or returned check, or expiration of the deferment or forbearance.

(4) A lender need not attempt to contact by telephone any borrower who is more than 120 days delinquent (180 days delinquent for a loan repayable in installments less frequent than monthly) following the lender's receipt of—

(i) A payment on the loan;

(ii) A correct address or correct telephone number for the borrower;

(iii) A dishonored check received from the drawee as a payment on the loan; or

(iv) The expiration of an authorized deferment or forbearance.

(e) *181–270 days delinquent (241–330 days delinquent for a loan repayable in installments less frequently than monthly).* During this period the lender must engage in efforts to urge the borrower to make the required payments on the loan. These efforts must, at a minimum, provide information to the borrower regarding options to avoid default and the consequences of defaulting on the loan.

(f) *Final demand.* On or after the 241st day of delinquency (the 301st day for loans payable in less frequent installments than monthly) the lender must send a final demand letter to the borrower requiring repayment of the loan in full and notifying the borrower that a default will be reported to [each nationwide consumer reporting agency a national credit bureau](#). The lender must allow the borrower at least 30 days after the date the letter is mailed to respond to the final demand letter and to bring the loan out of default before filing a default claim on the loan.

(g) *Collection procedures when borrower's telephone number is not available.* Upon completion of a diligent but unsuccessful effort to ascertain the correct telephone number of a borrower as required by paragraph (m) of this section, the lender is excused from any further efforts to contact the borrower by telephone, unless the borrower's number is obtained before the 211th day of delinquency (the 271st day for loans

MEETING 2
FEBRUARY 13-17, 2012

repayable in installments less frequently than monthly).

(h) Skip-tracing. (1) Unless the letter specified under paragraph (f) of this section has already been sent, within 10 days of its receipt of information indicating that it does not know the borrower's current address, the lender must begin to diligently attempt to locate the borrower through the use of effective commercial skip-tracing techniques. These efforts must include, but are not limited to, sending a letter to or making a diligent effort to contact each endorser, relative, reference, individual, and entity, identified in the borrower's loan file, including the schools the student attended. For this purpose, a lender's contact with a school official who might reasonably be expected to know the borrower's address may be with someone other than the financial aid administrator, and may be in writing or by phone calls. These efforts must be completed by the date of default with no gap of more than 45 days between attempts to contact those individuals or entities.

(2) Upon receipt of information indicating that it does not know the borrower's current address, the lender must discontinue the collection efforts described in paragraphs (c) through (f) of this section.

(3) If the lender is unable to ascertain the borrower's current address despite its performance of the activities described in paragraph (h)(1) of this section, the lender is excused thereafter from performance of the collection activities described in paragraphs (c) through (f) and (l)(1) through (l)(3) and (l)(5) of this section unless it

receives communication indicating the borrower's address before the 241st day of delinquency (the 301st day for loans payable in less frequent installments than monthly).

(4) The activities specified by paragraph (m)(1)(i) or (ii) of this section (with references to the "borrower" understood to mean endorser, reference, relative, individual, or entity as appropriate) meet the requirement that the lender make a diligent effort to contact each individual identified in the borrower's loan file.

(i) Default aversion assistance. Not earlier than the 60th day and no later than the 120th day of delinquency, a lender must request default aversion assistance from the guaranty agency that guarantees the loan.

(j) Gap in collection activity. For purposes of this section, the term *gap in collection activity* means, with respect to a loan, any period—

(1) Beginning on the date that is the day after—

(i) The due date of a payment unless the lender does not know the borrower's address on that date;

(ii) The day on which the lender receives a payment on a loan that remains delinquent notwithstanding the payment;

(iii) The day on which the lender receives the correct address for a delinquent borrower;

(iv) The day on which the lender completes a collection activity;

MEETING 2
FEBRUARY 13-17, 2012

(v) The day on which the lender receives a dishonored check submitted as a payment on the loan;

(vi) The expiration of an authorized deferment or forbearance period on a delinquent loan; or

(vii) The day the lender receives information indicating it does not know the borrower's current address; and

(2) Ending on the date of the earliest of—

(i) The day on which the lender receives the first subsequent payment or completed deferment request or forbearance agreement;

(ii) The day on which the lender begins the first subsequent collection activity;

(iii) The day on which the lender receives written communication from the borrower relating to his or her account; or

(iv) Default.

(k) *Transfer*. For purposes of this section, the term *transfer* with respect to a loan means any action, including, but not limited to, the sale of the loan, that results in a change in the system used to monitor or conduct collection activity on a loan from one system to another.

(l) *Collection activity*. For purposes of this section, the term *collection activity* with respect to a loan means—

(1) Mailing or otherwise transmitting to the borrower at an address that the lender reasonably believes to be the borrower's current address a collection letter or final demand letter that satisfies the timing and

content requirements of paragraph (c), (d), (e), or (f) of this section;

(2) Making an attempt to contact the borrower by telephone to urge the borrower to begin or resume repayment;

(3) Conducting skip-tracing efforts, in accordance with paragraph (h)(1) or (m)(1)(iii) of this section, to locate a borrower whose correct address or telephone number is unknown to the lender;

(4) Mailing or otherwise transmitting to the guaranty agency a request for default aversion assistance available from the agency on the loan at the time the request is transmitted; or

(5) Any telephone discussion or personal contact with the borrower so long as the borrower is apprised of the account's past-due status.

(m) *Diligent effort for telephone contact*.

(1) For purposes of this section, the term *diligent effort* with respect to telephone contact means—

(i) A successful effort to contact the borrower by telephone;

(ii) At least two unsuccessful attempts to contact the borrower by telephone at a number that the lender reasonably believes to be the borrower's correct telephone number; or

(iii) An unsuccessful effort to ascertain the correct telephone number of a borrower, including, but not limited to, a directory assistance inquiry as to the borrower's telephone number, and sending a letter to or making a diligent effort to

MEETING 2
FEBRUARY 13-17, 2012

contact each reference, relative, and individual identified in the most recent loan application or most recent school certification for that borrower held by the lender. The lender may contact a school official other than the financial aid administrator who reasonably may be expected to know the borrower's address or telephone number.

(2) If the lender is unable to ascertain the borrower's correct telephone number despite its performance of the activities described in paragraph (m)(1)(iii) of this section, the lender is excused thereafter from attempting to contact the borrower by telephone unless it receives a communication indicating the borrower's current telephone number before the 211th day of delinquency (the 271st day for loans repayable in installments less frequently than monthly).

(3) The activities specified by paragraph (m)(1) (i) or (ii) of this section (with references to "the borrower" understood to mean endorser, reference, relative, or individual as appropriate), meet the requirement that the lender make a diligent effort to contact each endorser or each reference, relative, or individual identified on the borrower's most recent loan application or most recent school certification.

(n) Due diligence for endorser. (1)

Before filing a default claim on a loan with an endorser, the lender must—

(i) Make a diligent effort to contact the endorser by telephone; and

§ 682.413 Remedial actions.

(a)(1) The Secretary requires a lender and its third-party servicer administering any aspect of the FFEL programs under a contract with the lender to repay interest benefits and special allowance or other compensation received on a loan guaranteed by a guaranty agency, pursuant to paragraph (a)(2) of this section—

(i) For any period beginning on the date of a failure by the lender or servicer, with respect to the loan, to comply with any of the requirements set forth in §682.406(a)(1)–(a)(6), (a)(9), and (a)(12);

(ii) For any period beginning on the date of a failure by the lender or servicer, with respect to the loan, to meet a condition of guarantee coverage established by the guaranty agency, to the date, if any, on which the guaranty agency reinstated the guarantee coverage pursuant to policies and procedures established by the agency;

(iii) For any period in which the lender or servicer, with respect to the loan, violates the requirements of subpart C of this part; and

(iv) For any period beginning on the day after the Secretary's obligation to pay special allowance on the loan terminates under §682.302(d).

(2) For purposes of this section, a lender and any applicable third-party servicer shall be considered jointly and severally liable for the repayment of any interest benefits and special allowance paid as a result of a violation of applicable requirements by the servicer in administering the lender's FFEL programs.

(3) For purposes of paragraph (a)(2) of this section, the relevant third-party servicer shall repay any outstanding liabilities under paragraph (a)(2) of this section only if—

(i) The Secretary has determined that the servicer is jointly and severally liable for the liabilities; and

amount of the liability within 30 days from the date the lender receives notice from the Secretary of the liability; or

(C) The Secretary is unable to collect the liability from the lender by offsetting the lender's bill to the Secretary for interest benefits or special allowance, if—

(2) The lender has not paid, or made satisfactory arrangements to pay, the liability.

(b)(1) The Secretary requires a guaranty agency to repay reinsurance payments received on a loan if the lender, third-party servicer, if applicable, or the agency failed to meet the requirements of §682.406(a).

(2) The Secretary may require a guaranty agency to repay reinsurance payments received on a loan or to assign FFEL loans to the Department if the agency fails to meet the requirements of §682.410.

(c)(1) In addition to requiring repayment of reinsurance payments pursuant to paragraph (b) of this section, the Secretary may take one or more of the following remedial actions against a guaranty agency or third-party servicer administering any aspect of the FFEL programs under a contract with the guaranty agency, that makes an incomplete or incorrect statement in connection with any agreement entered into under this part or violates any applicable Federal requirement:

(i) Require the agency to return payments made by the Secretary to the agency.

(ii) Withhold payments to the agency.

(iii) Limit the terms and conditions of the agency's continued participation in the FFEL programs.

(iv) Suspend or terminate agreements with the agency.

(v) Impose a fine on the agency or servicer. For purposes of assessing a fine on a third-party servicer, a repeated mechanical systemic unintentional error shall be counted as one violation, unless the servicer has been cited for a similar violation previously and had failed to make the appropriate corrections to the system.

(vi) Require repayment from the agency and servicer pursuant to paragraph (c)(2) of this section, of interest, special allowance, and reinsurance paid on Consolidation loan amounts attributed to Consolidation loans for which the certification required under §682.206(f)(1) is not available.

Consolidation loans as specified in §682.413(c)(1)(vi) as a result of a violation by the servicer administering any aspect of the FFEL programs under a contract with that guaranty agency.

(3) For purposes of paragraph (c)(2) of this section, the relevant third-party servicer shall repay any outstanding liabilities under paragraph (c)(2) of this section only if—

(i) The Secretary has determined that the servicer is jointly and severally liable for the liabilities; and

(ii) (A) The guaranty agency has not repaid in full the amount of the liability within 30 days from the date the guaranty agency receives notice from the Secretary of the liability;

(B) The guaranty agency has not made other satisfactory arrangements to pay the amount of the liability within 30 days from the date the guaranty agency receives notice from the Secretary of the liability; or

(2) The guaranty agency has not paid, or made satisfactory arrangements to pay, the liability.

(d)(1) The Secretary follows the procedures described in 34 CFR part 668, subpart G, applicable to fine proceedings against schools, in imposing a fine against a

lender, guaranty agency, or third-party servicer. References to “the institution” in those regulations shall be understood to mean the lender, guaranty agency, or third-party servicer, as applicable, for this purpose.

(2) The Secretary also follows the provisions of section 432(g) of the Act in imposing a fine against a guaranty agency or lender.

(e)(1)(i) The Secretary's decision to require repayment of funds, withhold funds, or to limit or suspend a lender, guaranty agency, or third party servicer from participation in the FFEL Program or to terminate a lender or third party from participation in the FFEL Program does not become final until the Secretary provides the lender, agency, or servicer with written notice of the intended action and an opportunity to be heard. The hearing is at a time and in a manner the Secretary determines to be appropriate to the resolution of the issues on which the lender, agency, or servicer requests the hearing.

(ii) The Secretary's decision to terminate a guaranty agency's participation in the FFEL Program after September 24, 1998 does not become final until the Secretary provides the agency with written notice of the intended action and provides an opportunity for a hearing on the record.

(2)(i) The Secretary may withhold payments from an agency or suspend an agreement with an agency prior to giving notice and an opportunity to be heard if the Secretary finds that emergency action is necessary to prevent substantial harm to Federal interests.

MEETING 2
FEBRUARY 13-17, 2012

(ii) The Secretary follows the notice and show cause procedures described in §682.704 applicable to emergency actions against lenders in taking an emergency action against a guaranty agency.

(3) The Secretary follows the procedures in 34 CFR 30.20–30.32 in collecting a debt by offset against payments otherwise due a guaranty agency or lender.

(f) Notwithstanding paragraphs (a)–(e) of this section, the Secretary may waive the right to require repayment of funds by a lender or agency if in the Secretary's judgment the best interests of the United States so require. The Secretary's waiver policy for violations of §682.406(a)(3) or (a)(5) is set forth in appendix D to this part.

(g) The Secretary's final decision to require repayment of funds or to take other remedial action, other than a fine, against a lender or guaranty agency under this section is conclusive and binding on the lender or agency.

(h) In any action to require repayment of funds or to withhold funds from a guaranty agency, or to limit, suspend, or terminate a guaranty agency based on a violation of §682.401(e) as it existed prior to July 1, 2013, if the Secretary finds that the guaranty agency provided or offered the payments or activities listed in §682.401(e)(1) as it existed prior to July 1, 2013, the Secretary applies a rebuttable presumption that the payments or activities were offered or provided to secure applications for FFEL loans or to secure FFEL loan volume. To reverse the presumption, the guaranty agency must present evidence that the activities or payments were provided for a reason unrelated to securing

applications for FFEL loans or securing FFEL loan volume.

Note to §682.413: A decision by the Secretary under this section is subject to judicial review under 5 U.S.C. 706 and 41 U.S.C. 321–322.

Procedures for audits are contained in an audit guide developed by and available from the Office of Inspector General of the Department of Education; and

(iv) Except for the initial audit, be conducted at least annually and be submitted to the Secretary within six months of the end of the audit period. The initial audit must be an annual audit of the servicer's first full fiscal year beginning on or after July 1, 1994, and include any period from the beginning of the first full fiscal year. The audit report must be submitted to the Secretary within six months of the end of the audit period. Each subsequent audit must cover the servicer's activities for the

one-year period beginning no later than the end of the period covered by the preceding audit.

(3) With regard to a third-party servicer that is a governmental entity, the audit required by this paragraph must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR part 80, appendix G.

(4) With regard to a third-party servicer that is a nonprofit organization, the audit required by this paragraph must be conducted in accordance with Office of Management and Budget (OMB) Circular A-133, "Audit of Institutions of Higher Education and Other Nonprofit Institutions," as incorporated in 34 CFR 74.61(h)(3).

(f) Contract responsibilities. A lender that participates in the FFEL programs may not enter into a contract with a third-party servicer that the Secretary has determined does not meet the requirements of this section. The lender must provide the Secretary with the name and address of any third-party servicer with which the lender enters into a contract and, upon request by the Secretary, a copy of that contract. A third-party servicer that is under contract with a lender to perform any activity for which the records in §682.414(a)(4)(ii) are relevant to perform the services for which the servicer has contracted shall maintain current, complete, and accurate records pertaining to each loan that the servicer is under contract to administer on behalf of the lender. The records must be maintained in a system that allows ready identification of each loan's current status.

§ 682.417 Determination of Federal funds or assets to be returned.

(a) General. The procedures described in this section apply to a determination by the Secretary that—

(1) A guaranty agency must return to the Secretary a portion of its Federal Fund that the Secretary has determined is unnecessary to pay the program expenses and contingent liabilities of the agency; and

(2) A guaranty agency must require the return to the agency or the Secretary of Federal funds or assets within the meaning of section 422(g)(1) of the Act held by or under the control of any other entity that the Secretary determines are necessary to pay the program expenses and contingent liabilities of the agency or that are required for the orderly termination of the guaranty agency's operations and the liquidation of its assets.

(b) Return of unnecessary Federal funds.
(1) The Secretary may initiate a process to recover unnecessary Federal funds under paragraph (a)(1) of this section if the

MEETING 2
FEBRUARY 13-17, 2012

Secretary determines that a guaranty agency's Federal Fund ratio under §682.410(a)(10) for each of the two preceding Federal fiscal years exceeded 2.0 percent.

(2) If the Secretary initiates a process to recover unnecessary Federal funds, the Secretary requires the return of a portion of the Federal funds that the Secretary determines will permit the agency to—

(i) Have a Federal Fund ratio of at least 2.0 percent under §682.410(a)(10) at the time of the determination; and

(ii) Meet the minimum Federal Fund requirements under §682.410(a)(10) and retain sufficient additional Federal funds to perform its responsibilities as a guaranty agency during the current Federal fiscal year and the four succeeding Federal fiscal years.

(3)(i) The Secretary makes a determination of the amount of Federal funds needed by the guaranty agency under paragraph (b)(2) of this section on the basis of financial projections for the period described in that paragraph. If the agency provides projections for a period longer than the period referred to in that paragraph, the Secretary may consider those projections.

(ii) The Secretary may require a guaranty agency to provide financial projections in a form and on the basis of assumptions prescribed by the Secretary. If the Secretary requests the agency to provide financial projections, the agency must provide the projections within 60 days of the Secretary's request. If the agency does not provide the projections within the

specified time period, the Secretary determines the amount of Federal funds needed by the agency on the basis of other information.

(c) Notice. (1) The Secretary or an authorized Departmental official begins a proceeding to order a guaranty agency to return a portion of its Federal funds, or to direct the return of Federal funds or assets subject to return, by sending the guaranty agency a notice by certified mail, return receipt requested.

(2) The notice—

(i) Informs the guaranty agency of the Secretary's determination that Federal funds or assets must be returned;

(ii) Describes the basis for the Secretary's determination and contains sufficient information to allow the guaranty agency to prepare and present an appeal;

(iii) States the date by which the return of Federal funds or assets must be completed;

(iv) Describes the process for appealing the determination, including the time for filing an appeal and the procedure for doing so; and

(v) Identifies any actions that the guaranty agency must take to ensure that the Federal funds or assets that are the subject of the notice are maintained and protected against use, expenditure, transfer, or other disbursement after the date of the Secretary's determination, and the basis for requiring those actions. The actions may include, but are not limited to, directing the agency to place the Federal funds in an escrow account. If the Secretary

MEETING 2
FEBRUARY 13-17, 2012

has directed the guaranty agency to require the return of Federal funds or assets held by or under the control of another entity, the guaranty agency must ensure that the agency's claims to those funds or assets and the collectability of the agency's claims will not be compromised or jeopardized during an appeal. The guaranty agency must also comply with all other applicable regulations relating to the use of Federal funds and assets.

(d) Appeal. (1) A guaranty agency may appeal the Secretary's determination that Federal funds or assets must be returned by filing a written notice of appeal within 20 days of the date of the guaranty agency's receipt of the notice of the Secretary's determination. If the agency files a notice of appeal, the requirement that the return of Federal funds or assets be completed by a particular date is suspended pending completion of the appeal process. If the agency does not file a notice of appeal within the period specified in this paragraph, the Secretary's determination is final.

(2) A guaranty agency must submit the information described in paragraph (d)(4) of this section within 45 days of the date of the guaranty agency's receipt of the notice of the Secretary's determination unless the Secretary agrees to extend the period at the agency's request. If the agency does not submit that information within the prescribed period, the Secretary's determination is final.

(3) A guaranty agency's appeal of a determination that Federal funds or assets must be returned is considered and decided by a Departmental official other than the

official who issued the determination or a subordinate of that official.

(4) In an appeal of the Secretary's determination, the guaranty agency must—

(i) State the reasons the guaranty agency believes the Federal funds or assets need not be returned;

(ii) Identify any evidence on which the guaranty agency bases its position that Federal funds or assets need not be returned;

(iii) Include copies of the documents that contain this evidence;

(iv) Include any arguments that the guaranty agency believes support its position that Federal funds or assets need not be returned; and

(v) Identify the steps taken by the guaranty agency to comply with the requirements referred to in paragraph (c)(2)(v) of this section.

(5)(i) In its appeal, the guaranty agency may request the opportunity to make an oral argument to the deciding official for the purpose of clarifying any issues raised by the appeal. The deciding official provides this opportunity promptly after the expiration of the period referred to in paragraph (d)(2) of this section.

(ii) The agency may not submit new evidence at or after the oral argument unless the deciding official determines otherwise. A transcript of the oral argument is made a part of the record of the appeal and is promptly provided to the agency.

MEETING 2
FEBRUARY 13-17, 2012

(6) The guaranty agency has the burden of production and the burden of persuading the deciding official that the Secretary's determination should be modified or withdrawn.

(e) Third-party participation. (1) If the Secretary issues a determination under paragraph (a)(1) of this section, the Secretary promptly publishes a notice in the Federal Register announcing the portion of the Federal Fund to be returned by the agency and providing interested persons an opportunity to submit written information relating to the determination within 30 days after the date of publication. The Secretary publishes the notice no earlier than five days after the agency receives a copy of the determination.

(2) If the guaranty agency to which the determination relates files a notice of appeal of the determination, the deciding official may consider any information submitted in response to the Federal Register notice. All information submitted by a third party is available for inspection and copying at the offices of the Department of Education in Washington, D.C., during normal business hours.

(f) Adverse information. If the deciding official considers information in addition to the evidence described in the notice of the Secretary's determination that is adverse to the guaranty agency's position on appeal, the deciding official informs the agency and provides it a reasonable opportunity to respond to the information without regard to the period referred to in paragraph (d)(2) of this section.

(g) Decision. (1) The deciding official issues a written decision on the guaranty

agency's appeal within 45 days of the date on which the information described in paragraphs (d)(4) and (d)(5)(ii) of this section is received, or the oral argument referred to in paragraph (d)(5) of this section is held, whichever is later. The deciding official mails the decision to the guaranty agency by certified mail, return receipt requested. The decision of the deciding official becomes the final decision of the Secretary 30 days after the deciding official issues it. In the case of a determination that a guaranty agency must return Federal funds, if the deciding official does not issue a decision within the prescribed period, the agency is no longer required to take the actions described in paragraph (c)(2)(v) of this section.

(2) A guaranty agency may not seek judicial review of the Secretary's determination to require the return of Federal funds or assets until the deciding official issues a decision.

(3) The deciding official's written decision includes the basis for the decision. The deciding official bases the decision only on evidence described in the notice of the Secretary's determination and on information properly submitted and considered by the deciding official under this section. The deciding official is bound by all applicable statutes and regulations and may neither waive them nor rule them invalid.

(h) Collection of Federal funds or assets. (1) If the deciding official's final decision requires the guaranty agency to return Federal funds, or requires the guaranty agency to require the return of Federal funds or assets to the agency or to the

MEETING 2
FEBRUARY 13-17, 2012

Secretary, the decision states a new date for compliance with the decision. The new date is no earlier than the date on which the decision becomes the final decision of the Secretary.

(2) If the guaranty agency fails to comply with the decision, the Secretary may recover the Federal funds from any funds due the agency from the Department without any further notice or procedure and may take any other action permitted or authorized by law to compel compliance.

§ 682.418 [Reserved] Prohibited uses of the assets of the Operating Fund during periods in which the Operating Fund contains transferred funds owed to the Federal Fund.

(a) General. (1) During periods in which the Operating Fund contains transferred funds owed to the Federal Fund, a guaranty agency may not use the assets of the Operating Fund to pay costs prohibited under paragraph (b) of this section and may not use the assets of the Operating Fund to pay for goods, property, or services provided by an affiliated organization unless the agency applies and demonstrates to the Secretary, and receives the Secretary's approval, that the payment would be in the Federal fiscal interest and would not exceed the affiliated organization's actual and reasonable cost of providing those goods, property, or services.

~~(2) All guaranty agency contracts with respect to its Operating Fund or assets must include a provision stating that the contract is terminable by the Secretary upon 30 days notice to the contracting parties if the Secretary determines that the contract includes an impermissible transfer of the Operating Fund or assets or is otherwise inconsistent with the terms and purposes of section 422 of the HEA.~~

~~(b) Prohibited uses of Operating Fund assets. A guaranty agency may use the assets of the Operating Fund established under §682.410(a)(1) only as prescribed in §682.410(a)(2). Uses of the Operating Fund that are not allowable under §682.410(a)(2) include, but are not limited to —~~

~~(1) Compensation for personnel services, including wages, salaries, pension plan costs, post-retirement health benefits, employee life insurance, unemployment benefit plans, severance pay, costs of leave, and other benefits, to the extent that total compensation to an employee, officer, director, trustee, or agent of the guaranty agency is not reasonable for the services rendered. Compensation is considered reasonable to the extent that it is comparable to that paid in the labor market in which the guaranty agency competes for the kind of employees involved. Costs that are otherwise unallowable may not be considered allowable solely on the basis that they constitute personnel compensation. In no case may the Operating Fund be used to pay any compensation, whether calculated on an hourly basis or otherwise, that would be proportionately greater than 118.05 percent of the total salary paid (as calculated on an hourly basis) under section~~

~~(2) Contributions and donations, including cash, property, and services, by the guaranty agency to others, regardless of the recipient or purpose, unless pursuant to written authorization from the Secretary;~~

~~(3) Entertainment, including amusement, diversion, hospitality suites, and social activities, and any costs associated with those activities, such as tickets to shows or sports events, meals, alcoholic beverages, lodging, rentals, transportation, and gratuities;~~

~~(4) Fines, penalties, damages, and other settlements resulting from violations or alleged violations of the guaranty agency's failure to comply with Federal, State, or local laws and regulations that are unrelated to the FFEL Program, unless specifically approved by the Secretary. This prohibition does not apply if a non-criminal violation or alleged violation has been assessed against the guaranty agency, the payment does not reimburse an agency employee, and the payment does not exceed \$1,000, or if it occurred as a result of compliance with specific requirements of the FFEL Program or in accordance with written instructions from the Secretary. The use of the Operating Fund in any other case must be requested by the agency and specifically approved in advance by the Secretary;~~

~~(5) Legal expenses for prosecution of claims against the Federal Government, unless the guaranty agency substantially prevails on those claims. In that event, the Secretary approves the reimbursement of~~

reasonable legal expenses incurred by the guaranty agency;

~~(6) Lobbying activities, as defined in section 501(h) of the Internal Revenue Code, including dues to membership organizations to the extent that those dues are used for lobbying;~~

~~(7) Major expenditures, including those for land, buildings, equipment, or information systems, whether singly or as a related group of expenditures, that exceed 5 percent of the guaranty agency's Operating Fund balance at the time the expenditures are made, unless the agency has provided written notice of the intended expenditure to the Secretary 30 days before the agency makes or commits itself to the expenditure. For those expenditures involving the purchase of an asset, the term "major expenditure" applies to costs such as the cost of purchasing the asset and making improvements to it, the cost to put it in place, the net invoice price of the asset, ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation costs, and the costs of any modifications, attachments, accessories, or auxiliary apparatus necessary to make the asset usable for the purpose for which it was acquired, whether the expenditures are classified as capital or operating expenses;~~

~~(8) Public relations, and all associated costs, paid directly or through a third party, to the extent that those costs are used to promote or maintain a favorable image of the guaranty agency. The term "public relations" does not include any activity that is ordinary and necessary for the fulfillment of the agency's FFEL guaranty responsibilities under the HEA, including~~

MEETING 2
FEBRUARY 13-17, 2012

appropriate and reasonable advertising designed specifically to communicate with the public and program participants for the purpose of facilitating the agency's ability to fulfill its FFEL guaranty responsibilities under the HEA. Ordinary and necessary public relations activities include training of program participants and secondary school personnel and customer service functions that disseminate FFEL-related information and materials to schools, loan holders, prospective loan applicants, and their parents. In providing that training at workshops, conferences, or other ordinary and necessary forums customarily used by the agency to fulfill its responsibilities under the HEA, the agency may provide light meals and refreshments of a reasonable nature and amount to the participants;

~~(9) Relocation of employees in excess of an employee's actual or reasonably estimated expenses or for purposes that do not benefit the administration of the guaranty agency's FFEL program. Except as approved by the Secretary, reimbursement must be in accordance with an established written policy; and~~

~~(10) Travel expenses that are not in accordance with a written policy approved by the Secretary or a State policy. If the guaranty agency does not have such a policy, it may not use the assets of the Operating Fund to pay for travel expenses that exceed those allowed for lodging and subsistence under subchapter I of Chapter 57 of title 5, United States Code, or in excess of commercial airfare costs for standard coach airfare, unless those accommodations would require circuitous routing, travel during unreasonable hours, excessively prolonged travel, would result in~~

increased cost that would offset transportation savings, or would offer accommodations not reasonably adequate for the medical needs of the traveler.

~~(c) Cost allocation. Each guaranty agency that shares costs with any other program, agency, or organization shall develop a cost allocation plan consistent with the requirements described in OMB Circular A-87 and maintain the plan and related supporting documentation for audit. A guaranty agency is required to submit its cost allocation plans for the Secretary's approval if it is specifically requested to do so by the Secretary.~~

~~(a) *General.* The Federal portion of a nonliquid asset developed or purchased in whole or in part with Federal reserve funds, regardless of who held or controlled the Federal reserve funds or assets, is the property of the United States. The ownership of that asset must be prorated based on the percentage of the asset developed or purchased with Federal reserve funds. § 682.421 [Funds transferred from the Federal Fund to the Operating Fund by a guaranty agency.

(a) *General.* In accordance with this section, a guaranty agency may request the Secretary's permission to transfer a limited amount of funds from the Federal Fund to the Operating Fund. Upon receiving the Secretary's approval, the agency may transfer the requested funds at any time within 6 months following the date specified by the Secretary. If the Secretary has not approved or disapproved the agency's request within 30 days after receiving it, the agency may transfer the requested funds at any time within the 6-month period beginning on the 31st day after the Secretary received the agency's request. The transferred funds may be used only as permitted by §§682.410(a)(2) and 682.418.

(b) *Transferring the principal balance of the Federal Fund—(1) Amount that may be transferred.* Upon receiving the Secretary's approval, an agency may transfer an amount up to the equivalent of 180 days of cash expenses for purposes allowed by §§682.410(a)(2) and 682.418 (not including

claim payments) for normal operating expenses to be deposited into the agency's Operating Fund. The amount transferred and outstanding at any time during the first 3 years after establishing the Operating Fund may not exceed the lesser of 180 days cash expenses for purposes allowed by §§682.410(a)(2) and 682.418 (not including claim payments), or 45 percent of the balance in the Federal reserve fund that existed under §682.410 as of September 30, 1998.

(2) *Requirements for requesting a transfer.* A guaranty agency that wishes to transfer principal from the Federal Fund must provide the Secretary with a proposed repayment schedule and evidence that it can repay the transfer according to its proposed schedule. The agency must provide the Secretary with the following:

(i) A request for the transfer that specifies the desired amount, the date the funds will be needed, and the agency's proposed terms of repayment;

(ii) A projected revenue and expense statement, to be updated annually during the repayment period, that demonstrates that the agency will be able to repay the transferred amount within the repayment period requested by the agency; and

(iii) Certifications by the agency that during the period while the transferred funds are outstanding—

(A) Sufficient funds will remain in the Federal Fund to pay lender claims during the period the transferred funds are outstanding;

MEETING 2

(B) The agency will be able to meet the reserve recall requirements of section 422 of the Act;

(C) The agency will be able to meet the statutory minimum reserve level of 0.25 percent, as mandated by section 428(c)(9) of the Act; and

(D) No legal prohibition exists that would prevent the agency from obtaining or repaying the transferred funds.

(e) *Transferring interest earned on the Federal Fund* — (1) Amount that may be transferred. The Secretary may permit an agency that owes the Federal Fund the maximum amount allowable under paragraph (b) of this section to transfer the interest income earned on the Federal Fund during the 3-year period following October 7, 1998. The combined amount of transferred interest and the amount of principal transferred under paragraph (b) of this section may exceed 180 days cash expenses for purposes allowed by §§682.410(a)(2) and 682.418 (not including claim payments), but may not exceed 45 percent of the balance in the Federal reserve fund that existed under §682.410 as of September 30, 1998.

(2) *Requirements for requesting a transfer.* To be allowed to transfer the interest income, in addition to the items in paragraph (b)(2) of this section, the agency must demonstrate to the Secretary that the cash flow in the Operating Fund will be negative if the agency is not authorized to transfer the interest, and, by transferring the interest, the agency will substantially improve its financial circumstances.

§ 682.422 [Reserved] Guaranty agency repayment of funds transferred from the Federal Fund.

(a) *General.* A guaranty agency must begin repayment of money transferred from the Federal Fund not later than the start of the 4th year after the agency establishes its Operating Fund. All amounts transferred must be repaid not later than five years after the date the Operating Fund is established.

(b) *Extension for repaying the interest transferred* — (1) *General.* The Secretary may extend the period for repayment of interest transferred from the Federal Fund from two years to five years if the Secretary determines that the cash flow of the Operating Fund will be negative if the transferred interest had to be repaid earlier or the repayment of the interest would substantially diminish the financial circumstances of the agency.

(2) *Agency eligibility for an extension.* To receive an extension, the agency must demonstrate that it will be able to repay all transferred funds by the end of the 8th year following the date of establishment of the Operating Fund and that the agency will be financially sound upon the completion of repayment.

~~(3) Repayment of interest earned on transferred funds. If the Secretary extends the period for repayment of interest transferred from the Federal Fund for a guaranty agency, the agency must repay the amount of interest during the 6th, 7th, and 8th years following the establishment of the Operating Fund. In addition to repaying the amount of interest, the guaranty agency must also pay to the Secretary any income earned after the 5th year from the investment of the transferred amount. In determining the amount of income earned on the transferred amount, the Secretary uses the average investment income earned on the agency's Operating Fund.~~

Federal Guaranteed Student Loan Programs

§ 682.500—Circumstances under which loans may be guaranteed by the Secretary.

(a) The Secretary may guarantee all—

- (1) FISL, Federal SLS, and Federal PLUS loans made by lenders located in a State in which no State or private nonprofit guaranty agency has in effect an agreement with the Secretary under §682.401 to serve as guarantor in that State;
- (2) Federal Consolidation loans made by the Student Loan Marketing Association and Federal Consolidation loans made by any other lender that has applied for and been denied guarantee coverage on Consolidation loans by the guaranty agency that guarantees the largest dollar volume of FFEL loans made by the lender; and

~~(3) FISL, Federal SLS, Federal PLUS, and Federal Consolidation loans made by lenders located in a State in which a guaranty agency program is operating but is not reasonably accessible to students who meet the agency's residency requirements.~~

~~(b) The Secretary may guarantee FISL, Federal SLS, Federal PLUS and Federal Consolidation loans made by a lender located in a State where a guaranty agency operates a program that is reasonably accessible to students who meet the residency requirements of that program only for—~~

~~(1) A student who does not meet the agency's residency requirements;~~

~~(2) A lender who is not able to obtain a guarantee from the guaranty agency for at least 80 percent of the loans the lender intends to make over a 12-month period because of the agency's residency requirements;~~

~~(3) With the approval of the guaranty agency, a student who has previously received from the same lender a FISL loan that has not been repaid; or~~

~~(4) All students at a school located in the State if the Secretary finds that—~~

~~(i) No single guaranty agency program is reasonably accessible to students at that school as compared to students at other schools during a comparable period of time; and~~

~~(ii) Guaranteeing loans made in the State to students attending that school would significantly increase the access of students at that school to FFEL Program loans. The~~

Secretary may guarantee loans made to those students by a lender in that State if—

(A) The guaranty agency does not recognize the school as being eligible, but the school is eligible under the FISL program; or

(B) A majority of the persons enrolled at the school meet the conditions of student eligibility for FISL loans but are not recognized as eligible under the guaranty agency program.

(c) For purposes of paragraph (b) of this section, a lender is considered to be located in the same State as a school if the lender—

(1) Has an origination relationship with the school;

(2) Has a majority of its voting stock held by the school; or

(3) Has common ownership or management with the school and more than 50 percent of the loans made by that lender are made to students at that school.

(d) As a condition for guaranteeing loans under the Federal FFEL programs, the Secretary may require the lender to submit evidence of circumstances that would justify loan guarantees under the provisions of this section.

(e) With regard to a school lender that has entered into an agreement with the Secretary under §682.600, the Secretary denies loan guarantees on the basis of this section only if the Secretary first determines that all eligible students at that school who make a conscientious effort to obtain a loan from another lender will find a loan to be reasonably available. For purposes of this paragraph, the

determination of loan availability is based on studies and surveys that the Secretary considers satisfactory.

§ 682.501—Extent of Federal guarantee under the Federal GSL programs.

(a) *General.* Except as provided in paragraph (b) of this section, the Secretary's guarantee liability on any Federal GSL loan is 100 percent of the unpaid principal balance and, to the extent permitted under §682.512, accrued interest.

Formatted: Level 5, Indent: First line: 0"

(b) *Special provisions for State lenders.* (1) Except as described in paragraph (b)(2) of this section, the Secretary's guarantee liability is less than 100 percent under the following conditions:

(i) If the total of default claims under the Federal GSL programs paid by the Secretary to a State lender during any fiscal year reaches five percent of the amount of the Federal GSL loans in repayment at the end of the preceding fiscal year, the Secretary's guarantee liability on a claim subsequently paid during that fiscal year is 90 percent of the amount of the unpaid principal balance plus accrued interest.

(ii) If the total of default claims under the Federal GSL programs paid by the Secretary to a State lender during any fiscal year reaches nine percent of the amount of the Federal GSL loans in repayment at the end of the preceding fiscal year, the Secretary's guarantee liability on a claim subsequently paid during that fiscal year is 80 percent of

the amount of the unpaid principal balance plus accrued interest.

(iii) For purposes of this paragraph, the total default claims paid by the Secretary during any fiscal year do not include paid claims filed by the lender under the provisions of §682.412(e) or §682.509.

(2) The potential reduction in guarantee liability does not apply to a State lender during the first Federal fiscal year of its operation as a Federal GSL Program lender and during each of the four succeeding fiscal years.

(3) For the purposes of this section, the term “amount of the Federal GSL loans in repayment” means the original principal amount of all loans guaranteed by the Secretary less—

(i) The original principal amount of loans on which—

(A) Under the FISL program, the borrower has not yet reached the repayment period;

(B) Payment in full has been made by the borrower;

(C) The borrower was in deferment status at the time repayment of principal was scheduled to begin and remains in deferment status; or

(D) The Secretary has paid a claim filed under section 437 of the Act; and

(ii) The amount paid by the Secretary for default claims on loans, exclusive of paid claims filed by the lender under §682.412(e) or §682.509.

(4) For the purposes of this paragraph, payments by the Secretary on a loan that

the original lender assigned to a subsequent holder are considered payments made to the original lender.

(5) State lenders shall consolidate Federal GSL loans for the purpose of calculating the amount of the Secretary's guarantee liability under this section.

§ 682.502—The application to be a lender.

(a) To be considered for participation in the Federal GSL programs, a lender shall submit an application to the Secretary.

(b) In determining whether to enter into a guarantee agreement with an applicant, and, if so, what the terms of the agreement will be, the Secretary considers—

(1) Whether the applicant meets the definition of an “eligible lender” in section 435(d) of the Act and the definition of “lender” in §682.200;

(2) Whether the applicant is capable of complying with the regulations in this part as they apply to lenders;

(3) Whether the applicant is capable of implementing adequate procedures for making, servicing, and collecting loans;

(4) Whether the applicant has had prior experience with a similar Federal, State, or private nonprofit student loan program, and the amount and percentage of loans that are currently delinquent or in default under that program;

(5) The financial resources of the applicant; and

(6) In the case of a school that is seeking approval as a lender, its accreditation status.

(c) The Secretary may require an applicant to submit sufficient materials with its application so that the Secretary may fairly evaluate it in accordance with the criteria in this section.

(d)(1) If the Secretary decides not to approve the application for a guarantee agreement, the Secretary's response includes the reason for the decision.

(2) The Secretary provides the lender an opportunity for the lender to meet with a designated Department official if the lender wishes to appeal the Secretary's decision.

(3) However, the Secretary need not explain the reasons for the denial or grant the lender an opportunity to appeal if the lender submits its application within six months of a previous denial.

~~§ 682.503—The guarantee agreement.~~

(a)(1) To participate in the Federal GSL programs, a lender must have a guarantee agreement with the Secretary. The Secretary does not guarantee a loan unless it is covered by such an agreement.

(2) In general, under a guarantee agreement the lender agrees to comply with all laws, regulations, and other requirements applicable to its participation

as a lender in the Federal GSL programs. In return, the Secretary agrees to guarantee each eligible Federal GSL loan held by the lender against the borrower's default, death, total and permanent disability, or bankruptcy.

(3) The Secretary may include in an agreement a limit on the duration of the agreement and the number or amount of Federal GSL loans the lender may make or hold.

(b)(1) Except as otherwise approved by the Secretary, a guarantee agreement with a school lender limits the Federal GSL loans made by that school lender that will be covered by the Federal guarantee to those loans made to students, or to parents borrowing on behalf of students, who are—

(i) In attendance at that school;

(ii) In attendance at other schools under the same ownership as that school; or

(iii) Employees or dependents of employees, or whose parents are employees, of that school lender or other schools under the same ownership, under circumstances the Secretary considers appropriate for loan guarantees.

(2) The Secretary may on a school-by-school basis impose limits under paragraph (b)(1)(iii) of this section on a school lender that makes loans to students or to parents of students in attendance at other schools under the same ownership, or to employees, or to dependents or parents of employees, of those other schools.

~~§ 682.504—Issuance of Federal loan guarantees.~~

(a) A lender having a guarantee agreement shall submit an application to the Secretary for a Federal loan guarantee on each intended loan that the lender determines to be eligible for a guarantee. The application must be on a form prescribed by the Secretary. The Secretary notifies the lender whether the loan will be guaranteed and of the amount of the guarantee. No disbursement on a loan made prior to the Secretary's approval of that loan is covered by the guarantee.

(b) The Secretary issues a guarantee on a Federal GSL loan in reliance on the implied representations of the lender that all requirements for the initial eligibility of the loan for guarantee coverage have been met. As described in §682.513, the continuance of the guarantee is conditioned upon compliance by all holders of the loan with the regulations in this part.

{Authority: 20 U.S.C., 1078-1, 1078-2, 1078-3, 1079, 1082}

~~§ 682.505—Insurance premium.~~

(a) General. The Secretary charges the lender an insurance premium for each Federal GSL Program loan that is guaranteed, except that no insurance premium is charged on a Federal Consolidation loan, or on a Federal SLS or Federal PLUS loan made under §682.209(f).

(b) Rate. The rate of the insurance premium is one fourth of one percent per year of the

loan principal, excluding interest or other charges that may have been added to the principal.

(c) FISL loans—insurance premium calculation. ~~(1) The insurance premium for FISL loans is calculated by—~~

(i) Counting the number of months beginning with the month following the month in which each disbursement on the loan is to be made and ending 12 months after the borrower's anticipated graduation from the school for attendance at which the loan is sought;

(ii) Dividing one fourth of one percent of the principal amount of the loan by 12; and

(iii) Multiplying the result obtained in paragraph (c)(1)(i) of this section by that obtained in paragraph (c)(1)(ii) of this section.

~~(2) If the lender disburses the loan in multiple installments, the insurance premium is calculated for each disbursement from the month following the month that the disbursement is made.~~

(d) Federal PLUS and SLS Loans—insurance premium calculation. The insurance premium for a Federal PLUS or SLS loan is calculated by—

(1) Using the projected repayment period as a base;

(2) Amortizing the loan in equal monthly installments over the repayment period;

(3) Determining one fourth of one percent of each monthly declining principal balance; and

(4) Computing the total of monthly amounts calculated under paragraph (d)(3) of this section.

(e) Collection from lenders. (1) The Secretary may bill the lender for the insurance premium or may require the lender to pay the insurance premium to the Secretary at the time of disbursement of the loan. At the Secretary's discretion, the Secretary may alternatively collect the insurance premium by offsetting it against amounts payable by the Secretary to the lender.

(2) The Secretary's guarantee on a loan ceases to be effective if the lender fails to pay the insurance premium within 60 days of the date payment is due. However, the Secretary may excuse late payment of an insurance premium and reinstate the guarantee coverage on a loan if the Secretary is satisfied that at the time the premium is paid—

(i) The loan is not in default and the borrower is not delinquent in making installment payments; or

(ii) The loan is in default, or the borrower is delinquent, under circumstances where the borrower has entered the repayment period without the lender's knowledge.

(f) Collection from borrowers. The lender may pass along the cost of the insurance premium to the borrower. If it does so, the insurance premium must be deducted from each disbursement of the loan in an amount proportionate to that disbursement's contribution to the premium amount.

(g) Refund provisions. The insurance premium is not refundable by the Secretary

and need not be refunded by the lender to the borrower, even if the borrower prepays, defaults, dies, becomes totally and permanently disabled, or files a petition in bankruptcy.

§ 682.506—Limitations on maximum loan amounts.

(a) The Secretary does not guarantee a FISL, Federal SLS, or Federal PLUS loan in an amount that would—

(1) Result in an annual loan amount in excess of the student's estimated cost of attendance for the period of enrollment for which the loan is intended less—

(i) The student's estimated financial assistance; and

(ii) The student's expected family contribution for that period, in the case of a FISL loan; or

(2) Result in an annual or aggregate loan amount in excess of the permissible annual and aggregate loan limits described in § 682.204.

~~§ 682.507—Due diligence in collecting a loan.~~

~~(a) General.~~ (1) Except as provided in paragraph (a)(4) of this section, a lender shall exercise due diligence in the collection of a loan with respect to both a borrower and an authorized endorser. In order to exercise due diligence, a lender shall implement the procedures described in this section if a borrower fails to make an installment payment when due.

(2) If two borrowers are liable for repayment of a Federal PLUS or Federal Consolidation loan as co-makers, the lender must follow these procedures with respect to both borrowers.

(3) For purposes of this section, the borrower's delinquency begins on the day after the due date of an installment payment not paid when due, except that if the borrower entered the repayment period without the lender's knowledge, the delinquency begins 30 days after the day the lender receives notice that the borrower has entered the repayment period.

(4) In lieu of the procedures described in this section, a lender may use the due diligence procedures in §682.411 in collecting a Federal GSL loan.

~~(b) Initial delinquency.~~ If a borrower is delinquent in making a payment, the lender shall remind the borrower within 10 working days of the date the payment was due by means of a letter, notice, telephone

call, or personal contact. If payments do not begin or resume, the lender shall attempt to contact the borrower —

(1) At least six more times at regular intervals during the remainder of the six-month period that started on the date of delinquency for loans repayable in monthly installments; or

(2) At least eight more times during the remainder of the eight-month period that started on the date of delinquency for loans repayable in installments less frequent than monthly.

~~(c) Skip-tracing assistance.~~ (1) If a lender does not know the borrower's current address, the lender promptly shall attempt to locate the borrower through normal commercial collection activities, including contacting all individuals and entities named in the borrower's loan application. If these efforts are unsuccessful, the lender promptly shall attempt to learn the borrower's current address through use of the Department's skip-tracing assistance.

(2) If the lender does not know the borrower's address when a borrower is first delinquent in making a payment, but subsequently obtains the borrower's address prior to the date on which the loan goes into default, the lender shall attempt to contact the borrower in accordance with paragraph (b) of this section, with the first contact occurring within 15 days of the date the lender obtained knowledge of the borrower's address, and shall attempt to contact the borrower at least once during each succeeding 30-day period until default.

~~(d) Preclaims assistance.~~ When the borrower is 60 days delinquent in making a

payment, the lender shall request preclaims assistance from the Department of Education. This preclaims assistance consists of sending a series of letters to the borrower, urging the borrower to contact the lender and begin or resume payments.

(e) Final demand letter. A lender shall send a final demand letter to the borrower at least 30 days before the lender files a default claim. The lender shall allow the borrower at least 30 days to respond to the final demand letter. However, a lender need not send a final demand letter to a borrower whose address is unknown to the lender.

(f) Litigation. (1) If a loan is in default and the lender determines that the borrower or an endorser has the ability to repay the loan, the lender may bring suit against the borrower or the endorser to recover the amount of the unpaid principal and interest, together with reasonable attorneys' fees, late charges, and court costs.

(2) Prior to bringing suit the lender shall—

(i) Obtain the Secretary's approval; and

(ii) Notify the borrower or endorser in writing that it has received the Secretary's approval to bring suit on the loan, and that unless the borrower or endorser makes payments sufficient to bring the account out of default the lender will seek a judgment under which the borrower or endorser will be liable for payment of late charges, attorneys' fees, collection agency charges, court costs, and other reasonable collection costs in addition to the unpaid principal and interest on the loan. The lender shall mail the notice to the borrower

or endorser by certified mail, return receipt requested.

(3) The lender may bring suit if the borrower or endorser does not make payments sufficient to bring the account out of default within 10 days following the date of delivery of the notice described in paragraph (f)(2)(ii) of this section to the borrower or endorser indicated on the receipt.

(4) A lender may first apply the proceeds of any judgment against its attorneys' fees, court costs, collection agency charges, and other reasonable collection costs, whether or not the judgment provides for these fees and costs.

(2) The assignor and assignee shall provide the notice required by paragraph (b)(1) of this section separately. Each notice must indicate that a corresponding notice will be sent by the other party to the assignment.

(c) *The Secretary's approval.* The approval of the Secretary is required prior to the assignment of a note to an eligible lender that has not entered into a contract of insurance with the Secretary under §682.503.

(d) *Warranty.* (1) Nothing in this section precludes the buyer of a loan from obtaining a warranty from the seller covering certain future reductions by the Secretary in computing the amount of guaranteed loss, if any, on a claim filed on the loan.

(2) The documentation requirements for death, total and permanent disability, or bankruptcy claims in §682.402(g)(1) apply to the Federal GSL programs. For purposes of this section, references to the “guaranty agency” in §682.402(e)(1) mean the Secretary.

(c) *Assignment of note.* The Secretary's payment of a claim is contingent upon receipt from the lender of an assignment to the United States of America of all rights, title, and interest of the lender in the note underlying the claim.

(d) *Bankruptcy subsequent to default.* If the lender files a default claim on a loan and subsequently receives a notice of the first meeting of creditors in the proceeding of the borrower in bankruptcy, the lender shall promptly forward that notice to the Department of Education. Under these circumstances the lender shall not file a proof of claim with the bankruptcy court.

(e) *Claim filing deadlines.* To obtain payment of a claim, a lender shall comply with the following deadlines:

(1) *Default claims.* Unless the lender has already filed suit against the borrower in accordance with §682.507(f), it shall file a default claim on a loan with the Secretary within 90 days after a default has occurred on the loan. § 682.512—Determination of amount payable on a claim.

(a) *Default claims—(1) Amount payable.* The amount of loss to be paid on a default claim depends upon the date the Secretary received the application for a guarantee commitment on the loan. If the application was received—

(i) Prior to July 1, 1972, or from August 19, 1972 through February 28, 1973, the amount payable on a valid claim is equal to

the unpaid balance of the original principal loan amount disbursed; or

(ii) From July 1 through August 18, 1972, or after February 28, 1973, the amount payable on a valid claim is equal to the unpaid balance of the principal and interest in accordance with paragraph (a)(2) of this section. The unpaid principal amount of the loan may include capitalized interest to the extent authorized by §682.202(b).

(2) *Payment of interest.* If the guarantee covers unpaid interest, the payment of a valid claim covers the unpaid interest that accrues during the following periods:

(i) During the period before the claim is filed, not to exceed the period provided for in §682.511(e) for filing the claim.

(ii) During a period not to exceed 30 days following the return of the claim to the lender by the Secretary for additional documentation necessary for the claim to be approved by the Secretary.

(iii) During the period, after the claim is filed, that is required by the Secretary to approve the claim and to authorize payment or to return the claim to the lender for additional documentation.

(3) *Recovery of outstanding debts.* The Secretary may reduce the amount of loss due to the lender on a claim by the amount the Secretary determines is owed to the Secretary by the lender.

(b) *Death, total and permanent disability, or bankruptcy claims.* (1) In the case of a death or disability claim, the amount to be paid on a valid claim —

(i) Is equal to the unpaid balance of the original principal loan amount disbursed if the loan was disbursed prior to December 15, 1968; or

(ii) Is calculated in accordance with §682.402(h)(2) and (h)(3) if the loan was disbursed after December 14, 1968.

(2) In the case of a bankruptcy claim, the amount of loss is calculated in accordance with §682.402(f)(2) and (f)(3).

(3) For purposes of this section, references to the “guaranty agency” in §682.402(f)(3) mean the Secretary.

(c) *Special rules for a loan acquired by assignment.* If a claim is filed by a lender that obtained a loan by assignment, that lender is not entitled to any payment under this section greater than that to which a previous holder would have been entitled. For example, the Secretary deducts from the claim any amounts that are attributable to payments made by the borrower to a prior holder of the loan before the borrower received proper notice of the assignment of the loan.

§ 682.513—Factors affecting coverage of a loan under the loan guarantee.

and administered in accordance with the Act and applicable regulations.

(2) The Secretary deducts from a claim any amount that is not a legally enforceable obligation of the borrower, except to the extent that the defense of infancy applies.

(3) Except as provided in §682.509, the Secretary does not pay a claim unless—

(i) All holders of the loan have complied with the requirements of this part, including, but not limited to, those concerning due diligence in the making, servicing, and collecting of a loan;

(ii) The current holder has complied with the deadlines for filing a claim established in §682.511(e); and

(iii) The current holder complies with the requirements for submitting documents with a claim as established in §682.511(b).

(b) Except as provided in §682.509, the Secretary does not pay a death, disability, or bankruptcy claim for a loan after a default claim for that loan has been disapproved by the Secretary or if it would not be payable as a default claim by the Secretary.

(c) The Secretary's determination of the amount of loss payable on a default claim under this part, once final, is conclusive and binding on the lender that filed the claim.

Note: A determination of the Secretary under this section is subject to judicial review under 5 U.S.C. 706 and 41 U.S.C. 321–322.

§ 682.514—Procedures for receipt or retention of payments where the lender has violated program requirements for Federal GSL loans.

(a) The Secretary may waive the right to recover or refuse to make an interest benefits, special allowance, or claim payment, or may permit a lender to cure certain defects in a specified manner if, in the Secretary's judgment, the best interests of the United States so require.

(b) To receive payment on a default claim or to resume eligibility to receive interest benefits and special allowance on a loan as to which a lender has committed a violation of the requirements of this part regarding due diligence in collection or timely filing of claims, the lender shall meet the conditions described in appendix C to this part.

(a) *Records.* (1) A lender shall maintain current, complete, and accurate records of each loan that it holds, including, but not limited to, the records described in §682.414(a)(3)(ii). The records must be maintained in a system that allows ready identification of each loan's current status.

(2) A lender shall retain the records required for each loan for not less than five years following the date the loan is repaid in full by the borrower or the lender is

information. In providing reasonable access, the institution may not—

(i) Refuse to supply any relevant information;

(ii) Refuse to permit interviews with those personnel that do not include the presence of representatives of the lender's management; and

(iii) Refuse to permit personnel interviews with those personnel that are not recorded by the lender.

loan application about the borrower and, in the case of a parent borrower, the student for whom the loan is intended, is complete and accurate. Except as provided in 34 CFR part 668, subpart E, a school may rely in good faith upon statements made by the borrower and, in the case of a parent borrower of a PLUS loan, the student and the parent borrower.

(b) The information to be provided by the school about the borrower pertains to—

(1) The borrower's eligibility for a loan, as determined in accordance with §682.201 and §682.204;

(2) For a subsidized Stafford loan, the student's eligibility for interest benefits as determined in accordance with §682.301; and

(3) The schedule for disbursement of the loan proceeds, which must reflect the delivery of the loan proceeds as set forth in §682.604(c).

(c) Except as provided in paragraph **(e,f)** of this section, in certifying a loan, a school must certify a loan for the lesser of the borrower's request or the loan limits determined under §682.204.

(d) Before certifying a PLUS loan application for a graduate or professional student borrower, the school must determine the borrower's eligibility for a Stafford loan. If the borrower is eligible for a Stafford loan but has not requested the maximum Stafford loan amount for which the borrower is eligible, the school must—

(1) Notify the graduate or professional student borrower of the maximum Stafford

loan amount that he or she is eligible to receive and provide the borrower with a comparison of—

(i) The maximum interest rate for a Stafford loan and the maximum interest rate for a PLUS loan;

(ii) Periods when interest accrues on a Stafford loan and periods when interest accrues on a PLUS loan; and

(iii) The point at which a Stafford loan enters repayment and the point at which a PLUS loan enters repayment; and

(2) Give the graduate or professional student borrower the opportunity to request the maximum Stafford loan amount for which the borrower is eligible.

(e) A school may not certify a Stafford or PLUS loan, or a combination of loans, for a loan amount that—

(1) The school has reason to know would result in the borrower exceeding the annual or maximum loan amounts in §682.204; or

(2) Exceeds the student's estimated cost of attendance for the period of enrollment, less—

(i) The student's estimated financial assistance for that period; and

(ii) In the case of a Subsidized Stafford loan, the borrower's expected family contribution for that period.

(f)(1)(i) The minimum period of enrollment for which a school may certify a loan application is—

(A) At a school that measures academic progress in credit hours and uses a semester, trimester, or quarter system, or has terms that are substantially equal in length with no term less than nine weeks in length, a single term (e.g., a semester or quarter); or

(B) Except as provided in paragraphs (f)(1)(ii) or (iii) of this section, at a school that measures academic progress in clock hours, or measures academic progress in credit hours but does not use a semester, trimester, or quarter system and does not have terms that are substantially equal in length with no term less than nine weeks in length, the lesser of—

(1) The length of the student's program (or the remaining portion of that program if the student has less than the full program remaining) at the school; or

(2) The academic year as defined by the school in accordance with 34 CFR 668.3.

(ii) For a student who transfers into a school with credit or clock hours from another school, and the prior school certified or originated a loan for a period of enrollment that overlaps the period of enrollment at the new school, the new school may certify a loan for the remaining portion of the program or academic year. In this case the school may certify a loan for an amount that does not exceed the remaining balance of the student's annual loan limit.

(iii) For a student who completes a program at a school, where the student's last loan to complete that program had been for less than an academic year, and the student then begins a new program at

the same school, the school may certify a loan for the remainder of the academic year. In this case the school may certify a loan for an amount that does not exceed the remaining balance of the student's annual loan limit at the loan level associated with the new program.

(2) May not, for first-time borrowers, assign through award packaging or other methods, a borrower's loan to a particular lender;

(3) May refuse to certify a Stafford or PLUS loan or may reduce the borrower's determination of need for the loan if the reason for that action is documented and provided to the borrower in writing, provided that—

(i) The determination is made on a case-by-case basis; and

(ii) The documentation supporting the determination is retained in the student's file; and

(4) May not, under paragraph (f)(1), (2), and (3) of this section, engage in any pattern or practice that results in a denial of a borrower's access to FFEL loans because of the borrower's race, sex, color, religion, national origin, age, handicapped status, income, or selection of a particular lender or guaranty agency.

~~(2.g)~~ The maximum period for which a school may certify a loan application is—

~~(i1)~~ Generally an academic year, as defined by 34 CFR 668.3, except that a guaranty agency may allow a school to use a longer period of time, corresponding to the period to which the agency applies the

(#2) For a defaulted borrower who has regained eligibility under §682.401(b)(4), the academic year in which the borrower regained eligibility.

(3h) In certifying a Stafford or Unsubsidized Stafford SLS loan amount in accordance with §682.204—

(i1) A program of study must be considered at least one full academic year if—

(A.i) The number of weeks of instructional time is at least 30 weeks; and

(B.ii) The number of clock hours is at least 900, the number of semester or trimester hours is at least 24, or the number of quarter hours is at least 36.

(#2) A program of study must be considered two-thirds $\frac{2}{3}$ of an academic year if—

(A.i) The number of weeks of instructional time is at least 20 weeks; and

(B.ii) The number of clock hours is at least 600, the number of semester or trimester hours is at least 16, or the number of quarter hours is at least 24.

(#3) A program of study must be considered one-third $\frac{1}{3}$ of an academic year if—

(A.i) The number of weeks of instruction time is at least 10 weeks; and

(B.ii) The number of clock hours is at least 300, the number of semester or

trimester hours is at least 8, or the number of quarter hours is at least 12.

(4.i) In prorating a loan amount for a student enrolled in a program of study with less than a full academic year remaining, the school need not recalculate the amount of the loan if the number of hours for which an eligible student is enrolled changes after the school certifies the loan.

(g)(1) If a school measures academic progress in an educational program in credit hours and uses either standard terms (semesters, trimesters, or quarters) or nonstandard terms that are substantially equal in length, and each term is at least nine weeks of instructional time in length, a student is considered to have completed an academic year and progresses to the next annual loan limit when the academic year calendar period has elapsed.

(2) If a school measures academic progress in an educational program in credit hours and uses nonstandard terms that are not substantially equal in length or each term is not at least nine weeks of instructional time in length, or measures academic progress in credit hours and does not have academic terms, a student is considered to have completed an academic year and progresses to the next annual loan limit at the later of—

(i) The student's completion of the weeks of instructional time in the student's academic year; or

(ii) The date, as determined by the school, that the student has successfully

completed the academic coursework in the student's academic year.

(3) If a school measures academic progress in an educational program in clock hours, a student is considered to have completed an academic year and progresses to the next annual loan limit at the later of—

(ii) The date, as determined by the school, that the student has successfully completed the clock hours in the student's academic year.

(4) For purposes of this section, terms in a loan period are substantially equal in length if no term in the loan period is more than two weeks of instructional time longer than any other term in that loan period.

~~(h)(1) The minimum period of enrollment for which a school may certify a loan application is—~~

~~(i) At a school that measures academic progress in credit hours and uses a semester, trimester, or quarter system, a single academic term (e.g., a semester or quarter); or~~

~~(ii) At a school that measures academic progress in clock hours, or measures academic progress in credit hours but does not use a semester, trimester, or quarter system, the lesser of—~~

~~(A) The length of the student's program at the school; or~~

(i) 30 days after the date the school receives notification from the Secretary of an FFEL cohort default rate, calculated under subpart M of 34 CFR part 668, that causes the school to no longer meet the qualifications outlined in those paragraphs; or

(b) Releasing loan proceeds. (1)(i) Except as provided in §682.207(b)(1)(v)(C)(1) and (D), the proceeds of a Stafford or PLUS loan disbursed using electronic transfer of funds must be sent directly to the school by the lender.

(ii) Upon notification by a lender under §682.207(b)(2)(iv) that it has disbursed a loan directly to a borrower as provided under §682.207(b)(1)(v)(C)(1) and (D), the institution must immediately notify the lender if the student is no longer eligible to receive the disbursement.

(2)(i) Except in the case of a late disbursement under paragraph (e) of this section or as provided in paragraph (b)(2)(iii) or (iv) of this section, a school may release the proceeds of any disbursement of a loan only to a student, or a parent in the case of a PLUS loan, if the school determines the student has continuously maintained eligibility in accordance with the provisions of §682.201 from the beginning

of the loan period for which the loan was intended.

(ii) [Reserved]

(iii) If, after the proceeds of the first disbursement are transmitted to the student, the student becomes ineligible due solely to the school's loss of eligibility to participate in the Title IV programs, the school may transmit the proceeds of the second or subsequent disbursement to the borrower as permitted by §668.26.

(iv) If, prior to the transmittal of the proceeds of a disbursement to the student, the student temporarily ceases to be enrolled on at least a half-time basis, the school may transmit the proceeds of that disbursement and any subsequent disbursement to the student if the school subsequently determines and documents in the student's file—

(A) That the student has resumed enrollment on at least a half-time basis;

(B) The student's revised cost of attendance; and

(C) That the student continues to qualify for the entire amount of the loan, notwithstanding any reduction in the student's cost of attendance caused by the student's temporary cessation of enrollment on at least a half-time basis.

(c) Processing of the loan proceeds by the school. (1) Except as provided in paragraph (c)(3) of this section, if a school receives a borrower's loan proceeds, it shall hold the funds until the student has registered for classes for the period of enrollment for which the loan is intended

(ii) If the loan proceeds are disbursed by means of a check that requires the endorsement of both the borrower and the school, the school shall—

(A) In the case of the initial disbursement on a loan, endorse the check on its own behalf, and, after the student has registered, deliver it to the student subject to paragraph (d)(2) of this section, within 30 days of the school's receipt of the check; or

(B) Obtain the borrower's endorsement on the check, endorse the check on its own behalf and, after the student has registered, credit the student's account, in accordance with paragraph (d)(1) of this section, and deliver the remaining loan proceeds to the student, as specified in §668.164(e).

(3) If the loan proceeds are disbursed by electronic funds transfer to an account of the school in accordance with §682.207(b)(1)(ii)(B), or by master check in accordance with §682.207(b)(1)(ii)(C), the school must, unless authorization was provided in the loan application or MPN, obtain the student's, or in the case of parent a PLUS loan, the parent borrower's written authorization for the release of the

(b) Allocation of a refund or returned title IV, HEA program funds. In determining the portion of a refund or the return of title IV, HEA program funds upon a student's withdrawal for an academic period that is allocable to a FFEL loan received by the borrower for that academic period, the school must follow the procedures established in part 668 for allocating a refund or return of title IV, HEA program funds.

§ 682.608 [Reserved] Termination of a school's lending eligibility.

~~**(a) General.** The Secretary may terminate a school's eligibility to make loans under this part if the school reaches the 15 percent limit on loan defaults described in paragraph (b) of this section.~~

~~**(b) The 15 percent limit.** (1) The Secretary may terminate a school's~~

eligibility to make loans if at the end of each of the 2 most recent consecutive Federal fiscal years for which data are available, the total amount of loans described in paragraph (b)(1)(i) of this section is equal to or greater than 15 percent of the total amount of loans described in paragraph (b)(1)(ii) of this section as follows:

(i) The original principal amount of all loans the school has ever made that went into default during that period.

(ii) The original principal amount of all loans the school has ever made, including loans in deferment status that—

(A) Were in repayment status at the beginning of that period; or

(B) Entered repayment status during that period.

(2) In making the determination under this section, the Secretary considers the status of all FFEL loans made by the school whether the loans are held by the school or by a subsequent holder.

(c) *Exception based on hardship.* The Secretary does not terminate a school's lending eligibility under paragraphs (a) and (b) of this section if the Secretary determines that the termination would result in a hardship for the school or its students. The Secretary makes this determination if the school shows that—

(1) Termination is not justified in light of recent improvements the school has made in its collection capabilities that will reduce the school's loan default rate significantly within the next year. Examples of these improvements include—

(i) Adopting more efficient collection procedures; or

(ii) Employing increased collection staff; or

(2) Termination would cause a substantial hardship to the school's current or prospective students or their parents based on—

(i) The extent to which the school provides, and expects to continue to provide educational opportunities to economically disadvantaged students as measured by the percentage of students enrolled at the school who—

(A) Are in families that fall within the "low-income family" category used by the Bureau of the Census;

(B) Would not be able to enroll or continue their enrollment at that school without a loan from the school; and

(C) Would not be able to obtain a comparable education at another school;

(ii) The extent to which the school offers educational programs that—

(A) Are unique in the geographical area that the school serves; and

(B) Would not be available to some students if they or their parents could not obtain loans from the school; and

(iii) The quality of improvements the school has made in its—

(A) Management of student financial assistance programs; and

MEETING 2

~~(B) Conformance with sound business practices.~~

~~(d) Termination procedures. (1) The Secretary notifies the school of the proposed termination of its lending eligibility and provides an opportunity for a hearing before the Secretary terminates the school under this section.~~

~~(2) The Secretary or his designee begins a termination action by sending a notice to the school. The notice is sent by certified mail with return receipt requested. The notice—~~

~~(i) Informs the school of the intent to terminate the school's lending eligibility because of the school's default experience;~~

~~(ii) Specifies the proposed date the termination becomes effective; and~~

~~(iii) Informs the school that it has 15 days to—~~

~~(A) Submit any written material it wants considered in determining whether its lending eligibility should be terminated under paragraphs (a) and (b) of this section, including written material in support of a hardship exception under paragraph (c) of this section; or~~

~~(B) Request an oral hearing to show why the school's lending eligibility should not be terminated.~~

~~(3) If the school does not request an oral hearing but submits written material, the Secretary or the designated official considers that material and notifies the school as to whether the termination action will be taken.~~

~~(4) The Secretary or the designated official (presiding officer) schedules the date and place of a hearing for a school that has requested an oral hearing. The date of the hearing is at least 15 days from the date of receipt of the request. A presiding officer—~~

~~(i) Conducts the hearing;~~

~~(ii) Considers all written material presented before the hearing and any other material presented during the hearing; and~~

~~(iii) Determines if termination of the school's lending eligibility is warranted.~~

~~(5) The decision of the designated official is subject to review by the Secretary.~~

~~(e) Effects of termination. A school that has its lending eligibility terminated under this section may not—~~

~~(1) Make further loans under this part until it has entered into a new guarantee agreement with the Secretary; or~~

~~(2) Enter into a new guarantee agreement with the Secretary until at least one year after the school's lending eligibility has been terminated under this section.~~

~~(f) Schools under the same ownership. If a school makes loans to students or parents of students in attendance at other schools under the same ownership, the Secretary may make the determination required by this section by—~~

~~(1) Treating all of the schools as one school; or~~

~~(2) Treating each school on an individual basis.~~

§682.609 Remedial actions.

(a) The Secretary may require a school to repay funds paid to other program participants by the Secretary. The Secretary also may require a school to purchase from the holder of a FFEL loan that portion of the loan that is unenforceable, that the borrower was ineligible to receive, or for which the borrower was ineligible to receive interest benefits contrary to the school's certification, and to make arrangements acceptable to the Secretary for reimbursement of the amounts the Secretary will be obligated to pay to program participants respecting that loan in the future. The repayment of funds and purchase of loans may be required if the Secretary determines that the payment to program participants, the unenforceability of the loan, or the disbursement of loan amounts for which the borrower was ineligible or for which the borrower was ineligible for interest benefits, resulted in whole or in part from—

(1) The school's violation of a Federal statute or regulation; or

(2) The school's negligent or willful false certification.

(b) In requiring a school to repay funds to the Secretary or to another party or to purchase loans from a holder in connection with an audit or program review, the Secretary follows the procedures described in 34 CFR part 668, subpart H.

MEETING 2
FEBRUARY 13-17, 2012

(1) Receives reliable information that the lender or a third-party servicer with which the lender contracts is in violation of applicable laws, regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA pertaining to the lender's portfolio of loans;

(2) Determines that immediate action is necessary to prevent the likelihood of substantial losses by the Federal Government, parent borrowers, or students; and

(3) Determines that the likelihood of loss exceeds the importance of following the procedures for limitation, suspension, or termination.

(b) The Secretary begins an emergency action by notifying the lender or third-party servicer, by certified mail, return receipt requested, of the action and the basis for the action.

(c) The action becomes effective on the date the notice is mailed to the lender or third-party servicer.

(d)(1) An emergency action does not exceed 30 days unless a limitation, suspension, or termination proceeding is begun before that time expires.

(2) If a limitation, suspension, or termination proceeding is begun before the expiration of the 30-day period—

(i) The emergency action may be extended until completion of the proceeding, including any appeal to the Secretary; and

(ii) Upon the written request of the lender or third-party servicer, the Secretary may provide the lender or servicer with an opportunity to demonstrate that the emergency action is unwarranted.

§ 682.705 Suspension proceedings.

(a) *Scope.* (1) A suspension by the Secretary removes a lender's eligibility under the FFEL programs or a third-party servicer's ability to enter into contracts with eligible lenders, and the Secretary does not guarantee or reinsure a ~~new loan made by the lender or~~ new loan serviced by the servicer during a period not to exceed 60 days from the date the suspension becomes effective, unless—

(i) The lender or servicer and the Secretary agree to an extension of the suspension period, if the lender or third-party servicer has not requested a hearing; or

(ii) The Secretary begins a limitation or a termination proceeding.

(2) If the Secretary begins a limitation or a termination proceeding before the suspension period ends, the Secretary may extend the suspension period until the completion of that proceeding, including any appeal to the Secretary.

(b) *Notice.* (1) The Secretary, or a designated Departmental official, begins a

MEETING 2
FEBRUARY 13-17, 2012

suspension proceeding by sending the lender or servicer a notice by certified mail with return receipt requested.

(2) The notice—

(i) Informs the lender or servicer of the Secretary's intent to suspend the lender's or servicer's eligibility for a period not to exceed 60 days;

(ii) Describes the consequences of a suspension;

(iii) Identifies the alleged violations on which the proposed suspension is based;

(iv) States the proposed date the suspension becomes effective, which is at least 20 days after the date of mailing of the notice;

(v) Informs the lender or servicer that the suspension will not take effect on the proposed date, except as provided in paragraph (c)(9) of this section, if the Secretary receives at least five days prior to that date a request for an oral hearing or written material showing why the suspension should not take effect; and

(vi) Asks the lender or servicer to correct voluntarily any alleged violations.

~~(e) In any action to suspend a lender based on a violation of the prohibitions in section 435(d)(5) of the Act, if the Secretary, the designated Department official, or hearing official finds that the lender provided or offered the payments or activities listed in paragraph (5)(i) of the definition of lender in §682.200(b), the Secretary or the official applies a rebuttable presumption that the payments or activities were offered or provided to secure~~

~~applications for FFEL loans or to secure FFEL loan volume. To reverse the presumption, the lender must present evidence that the activities or payments were provided for a reason unrelated to securing applications for FFEL loans or securing FFEL loan volume.~~

§ 682.706 Limitation or termination proceedings.

(a) Notice. (1) The Secretary, or a designated Departmental official, begins a limitation or termination proceeding, whether a suspension proceeding has begun, by sending the lender or third-party servicer a notice by certified mail with return receipt requested.

(2) The notice—

(i) Informs the lender or servicer of the Secretary's intent to limit or terminate the lender's or servicer's eligibility;

(ii) Describes the consequences of a limitation or termination;

(iii) Identifies the alleged violations on which the proposed limitation or termination is based;

(iv) States the limits which may be imposed, in the case of a limitation proceeding;

MEETING 2
FEBRUARY 13-17, 2012

(v) States the proposed date the limitation or termination becomes effective, which is at least 20 days after the date of mailing of the notice;

(vi) Informs the lender or servicer that the limitation or termination will not take effect on the proposed date if the Secretary receives, at least five days prior to that date, a request for an oral hearing or written material showing why the limitation or termination should not take effect;

(vii) Asks the lender or servicer to correct voluntarily any alleged violations; and

(viii) Notifies the lender or servicer that the Secretary may collect any amount owed by means of offset against amounts owed to the lender by the Department and other Federal agencies.

(b) Hearing. (1) If the lender or servicer does not request an oral hearing but submits written material, the Secretary, or a designated Departmental official, considers the material and—

(i) Dismisses the proposed limitation or termination; or

(ii) Notifies the lender or servicer of the date the limitation or termination becomes effective.

(2) If the lender or servicer requests a hearing within the time specified in paragraph (a)(2)(vi) of this section, the Secretary schedules the date and place of the hearing. The date is at least 15 days after receipt of the request from the lender or servicer. No proposed limitation or termination takes effect until a hearing is held.

(3) The hearing is conducted by a presiding officer who—

(i) Ensures that a written record of the hearing is made;

(ii) Considers relevant written material presented before the hearing and other relevant evidence presented during the hearing; and

(iii) Issues an initial decision, based on findings of fact and conclusions of law, that may limit or terminate the lender's or servicer's eligibility if the presiding officer is persuaded that the limitation or termination is warranted by the evidence.

(4) The formal rules of evidence do not apply, and no discovery, as provided in the Federal Rules of Civil Procedure (28 U.S.C. appendix), is required.

(5) The presiding officer shall base findings of fact only on evidence presented at or before the hearing and matters given official notice.

(6) If a termination action is brought against a lender or third-party servicer and the presiding officer concludes that a limitation is more appropriate, the presiding officer may issue a decision imposing one or more limitations on a lender or third-party servicer rather than terminating the lender's or servicer's eligibility.

(7) In a termination action against a lender or third-party servicer based on a debarment under Executive Order 12549 or under the Federal Acquisition Regulation (FAR), 48 CFR part 9, subpart 9.4 that does not meet the standards described in 34 CFR 85.201(c), the presiding official finds that

MEETING 2
FEBRUARY 13-17, 2012

the debarment constitutes prima facie evidence that cause for debarment and termination under this subpart exists.

(8) The initial decision of the presiding officer is mailed to the lender or servicer.

(9) Any time schedule specified in this section may be shortened with the approval of the presiding officer and the consent of the lender or servicer and the Secretary or designated Departmental official.

(10) The presiding officer's initial decision automatically becomes the Secretary's final decision 20 days after it is issued and received by both parties unless the lender, servicer, or designated Departmental official appeals the decision to the Secretary within this period.

(c) Notwithstanding the other provisions of this section, if a lender or a lender's owner or officer or third-party servicer or servicer's owner or officer, respectively, is convicted of or pled *nolo contendere* or guilty to a crime involving the unlawful acquisition, use, or expenditure of FFEL program funds, that conviction or guilty plea is grounds for terminating the lender's or servicer's eligibility, respectively, to participate in the FFEL programs.

~~(d) In any action to limit or terminate a lender's eligibility based on a violation of the prohibitions in section 435(d)(5) of the Act, if the Secretary, the designated Department official or hearing official finds that the lender provided or offered the payments or activities described in paragraph (5)(i) of the definition of lender in §682.200(b), the Secretary or the official applies a rebuttable presumption that the payments or activities were offered or~~

~~provided to secure applications for FFEL loans. To reverse the presumption, the lender must present evidence that the activities or payments were provided for a reason unrelated to securing applications for FFEL loans or securing FFEL loan volume.~~

§ 682.707 Appeals in a limitation or termination proceeding.

(a) If the lender, third-party servicer, or designated Departmental official appeals the initial decision of the presiding officer in accordance with §682.706(b)(10)—

(1) An appeal is made to the Secretary by submitting to the Secretary and the opposing party within 15 days of the date of the appealing party's receipt of the presiding officer's decision, a brief or other written material explaining why the decision of the presiding officer should be overturned or modified; and

(2) The opposing party shall submit its brief or other written material to the Secretary and the appealing party within 15 days of its receipt of the brief or written material of the appealing party.

(b) The Secretary issues a final decision affirming, modifying, or reversing the initial decision, including a statement of the reasons for the Secretary's decision.

MEETING 2
FEBRUARY 13-17, 2012

(c) Any party submitting material to the Secretary shall provide a copy to each party that participates in the hearing.

(d) If the presiding officer's initial decision would limit or terminate the lender's or servicer's eligibility, it does not take effect pending the appeal unless the Secretary determines that a stay of the date it becomes effective would seriously and adversely affect the FFEL programs or student or parent borrowers.

(a) As part of a limitation or termination proceeding, the Secretary, or a designated Departmental official, may require a lender or third-party servicer to take reasonable corrective action to remedy a violation of applicable laws, regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA.

(b) The corrective action may include payment to the Secretary or recipients designated by the Secretary of any funds, and any interest thereon, that the lender, or, in the case of a third-party servicer, the servicer or the lender that has a contract with a third-party servicer, improperly received, withheld, disbursed, or caused to be disbursed. A third-party servicer may be held liable up to the amounts specified in §682.413(a)(2).

(c) If a final decision requires a lender, a lender that has a contract with a third-party servicer, or a third-party servicer to reimburse or make any payment to the Secretary, the Secretary may, without further notice or opportunity for a hearing, proceed to offset or arrange for another Federal agency to offset the amount due against any interest benefits, special allowance, or other payments due to the lender, the lender that has a contract with the third-party servicer, or the third-party servicer. (e) The Secretary reviews an agency's limitation, suspension, or termination of a lender's eligibility only when the guaranty agency's action is final, e.g., the lender is not entitled to any further appeals within the guaranty agency. A subsequent court challenge to an agency's action does not by itself affect the timing of the Secretary's review.

(f) The guaranty agency's notice to the Secretary regarding a termination action must include a certified copy of the administrative record compiled by the agency with regard to the action. The record must include certified copies of the following documents:

(1) The guaranty agency's letter initiating the action.

(3) The transcript of the agency's hearing.

(4) The decision of the agency's hearing officer.

(5) The decision of the agency on appeal from the hearing officer's decision, if any.

(6) The regulations and written procedures of the agency under which the action was taken.

(7) The audit or lender review report or documented basis that led to the action.

(8) All other documents relevant to the action.

(g) The guaranty agency's referral notice to the Secretary regarding a limitation or suspension action must include—

(1) The documents described in paragraph (f) of this section; and

(h)(1) Within 60 days of the Secretary's receipt of a referral notice described in paragraph (f) or (g) of this section, the Secretary makes an initial assessment, based on the agency's record, as to whether the agency's action appears to comply with section 428(b)(1)(U) of the Act.

(2) In the case of a referral notice described in paragraph (g) of this section, the Secretary also determines whether one or more of the circumstances described in paragraph (j) of this section exist.

(3) If the Secretary concludes that the agency's action appears to comply with section 428(b)(1)(U) of the Act and, if applicable, one or more of the circumstances described in paragraph (j) of this section exist, the Secretary notifies the lender that the Secretary will review the guaranty agency's action to determine whether to disqualify the lender from further participation in the FFEL programs and affords the lender an opportunity—

(i) To waive the review and be disqualified immediately; or

(ii) To request a review.

termination of eligibility of a lender under the FISL Program (34 CFR part 682, subpart G):

(i) In the case of an action by an agency that limits or suspends a lender's eligibility to participate in the agency's program, the agency shall provide the Secretary with a referral as described in paragraph (g) of this section only if—

(1) The lender has not corrected the violation. A violation is corrected if, among other things, the lender has satisfied fully all liabilities incurred by the lender as a result of the violation, including its liability to the Secretary, or the lender has arranged to satisfy those liabilities in a manner acceptable to the parties to whom the liabilities are owed;

(2) The lender has not provided satisfactory assurances to the agency of future compliance with program requirements; or

(3) The guaranty agency determines that special circumstances warrant disqualification of the lender from the FFEL programs for a significant period, notwithstanding the agency's decision not to terminate the lender's eligibility to participate in the agency's program.

§ 682.713—Disqualification review of limitation, suspension, and termination actions taken by guaranty agencies against a school.

(a) The Secretary reviews a limitation, suspension, or termination action taken by a guaranty agency against a school participating in the FFEL programs to determine if national disqualification is appropriate. § 682.800—Prohibition against discrimination as a condition for receiving special allowance payments.

[Reserved] Procedures for Curing Violations of the Due Diligence in Collection and Timely Filing of Claims Requirements Applicable to FISLP and Federal PLUS Program Loans and for Repayment of Interest and Special Allowance Overbillings [Bulletin L-77a]

Note: The following is a reprint of Bulletin L-77a, issued on January 7, 1983, with minor modifications made to reflect changes in the program regulations since that date. All references to “the date of this bulletin” refer to that date. All references made to the Federal Insured Student Loan Program (FISLP) shall be understood to include the Federal PLUS Program. The bulletin includes references to the 120- and 180-day default periods that used to apply to FFELP and PLUS Program loans. Public Law 99-272 established new default periods of 180 and 240 days (as set out in 34 CFR 682.200 of these regulations) for all new loans and many existing ones. Although the discussion in this appendix C refers to the 120- and 180-day default periods, it is equally applicable to the new 180- and 240-day default periods.

Introduction

This bulletin prescribes procedures for lenders to use (1) to cure violations of the requirements for due diligence in collection (“due diligence”) and timely filing of claims under the Federal Insured Student Loan Program (FISLP), and (2) to repay interest and special allowance overbillings made on loans evidencing such violations. See 34 CFR 682.507, 682.511.[‡] These procedures allow for the reinstatement of a lender's eligibility for interest and special allowance and claim payments on loans evidencing such violations, under specified circumstances. These procedures apply to loans for which the first day of the 120-day or 180-day default period occurred on or after October 21, 1979 (the effective date of the September 17, 1979 regulations), whether or not the loans have previously been submitted as claims to the Secretary.

The due diligence and timely filing requirements governing the FISLP were established in response to requests from some lenders for more detailed regulatory guidance on the proper handling of FISLP loans. Despite the promulgation of these provisions, a number of lenders have failed to exercise the requisite care in their treatment of these loans, thereby increasing the risk of default thereon and, in many cases, prejudicing the Secretary's ability to collect from the borrowers. At the time the current due diligence and timely filing rules were issued, the Secretary anticipated that violations of these rules would be so infrequent as to permit requests for cures to be handled individually. However, the unexpectedly high incidence of violations of these rules has made continued case-by-case

MEETING 2
FEBRUARY 13-17, 2012

treatment of all cure requests administratively unmanageable. After carefully considering the views of lenders and other program participants, the Secretary has decided to exercise his authority under 20 U.S.C. 1082(a)(5), (6), and institute uniform procedures by which lenders with loans involving violations of the due diligence or timely filing requirements may cure these violations.

Due Diligence

Collection activity is required to begin immediately upon delinquency by the borrower in honoring the repayment obligation. This holds true whether or not the borrower received a repayment schedule or signed a repayment agreement. Under 34 CFR 682.200, default on a FISLP loan occurs when a borrower fails to make a payment when due, provided this failure persists for 120 days for loans payable in monthly installments, or for 180 days for loans payable in less frequent installments. If, however, the lender has added the optional provision to the promissory note requiring the borrower to execute a repayment agreement not later than 120 days prior to the expiration of the grace period, the loan entered repayment prior to September 4, 1985 (see 50 FR 35970), the lender sends the agreement to the borrower 150 days or more before the end of the grace period, and the agreement is not executed before the end of the grace period, default occurs at that time. One exception to this rule is as follows: If the holder of the loan is not the lender that made the loan, the holder may choose to forego enforcement of the optional 120-day provision in the note.

The 120/180 day default period applies regardless of whether payments were missed consecutively or intermittently. For example, if the borrower, on a loan payable in monthly installments, makes his January 1st payment on time, his February 1st payment two months late (April 1st), his March 1st payment three months late (June 1st), and makes no further payments, the default period begins on February 1st, with the first delinquency, and ends on August 1st, when the April 1st payment becomes 120 days past due. The lender must treat the payment made on April 1st as the February 1st payment, since the February 1st payment had not been made prior to that time. Similarly, the lender must treat the payment made on June 1st as the March 1st payment, since the March payment had not been made prior to that time.

Note: Lenders are strongly encouraged to exercise forbearance, *prior* to default, for the benefit of borrowers who have missed payments intermittently but have otherwise indicated willingness to repay their loans. See 34 CFR 682.211. The forbearance process helps to reduce the incidence of default, and serves to emphasize for the borrower the importance of compliance with the repayment obligation.

Timely Filing

The 90-day filing period applicable to FISLP default claims is set forth in 34 CFR 682.511(e) (1) and (3). The 90-day filing period begins at the end of the 120/180 day default period. The lender must file a default claim on a loan in default by the end of the filing period, unless the borrower brings the account current before the end

MEETING 2
FEBRUARY 13-17, 2012

of the filing period. In such a case, the lender may choose not to file a claim on the loan at that time.

In addition, for any loan less than 210 days delinquent on the date of this bulletin, the lender need not file a claim on that loan before the 210th day of delinquency (120-day default period plus 90-day filing period) if the borrower brings the account less than 120 days delinquent before such 210th day. Thus, in the above example, if the borrower makes the April 1st payment on August 2nd, the 90-day filing period continues to run from August 1st, unless the loan was less than 210 days delinquent on the date of this bulletin. If the loan was less than 210 days delinquent on the date of this bulletin, then the August 2nd payment makes the loan 91 days delinquent, and the lender may, but need not file a default claim on the loan at that time. If, however, that loan again becomes 120 days delinquent, the lender must file a default claim within 90 days thereafter (unless the loan is again brought to less than 120 days delinquent prior to the end of that 90-day period). In other words, for any loan less than 210 days delinquent on the date of this bulletin, the Secretary will permit a lender to treat payments made during the filing period as "curing" the default if such payments are sufficient to make the loan less than 120 days delinquent.

If a lender fails to comply with either the due diligence or timely filing requirements, the affected loan ceases to be insured; that is, the lender loses its right to receive interest benefits, special allowance and claim payments thereon. Some examples of violations of the due

diligence requirements are set out in section I.C. below.

I. Cure Procedures

A. Definitions

The following definitions apply to terms used throughout Section I of this bulletin.

Full payment means payment by the borrower, or another person (other than the lender) on the borrower's behalf, in an amount at least as great as the monthly payment amount required under the existing terms of the loan, exclusive of any forbearance agreement in force at the time of the default. (For example, if the original repayment schedule or agreement called for payments of \$30 per month, but a forbearance agreement was in effect at the time of default that allowed the borrower to pay \$15 per month for a specified time, and the borrower defaulted in making the reduced payments, a "full payment" would be \$30, or two \$15 payments in accordance with original repayment schedule or agreement.)

Reinstatement with respect to insurance coverage means the reinstatement of the lender's right to receive default, death, disability, or bankruptcy claim payments for the unpaid principal balance of the loan and for unpaid interest accruing on the loan after the date of reinstatement. Upon reinstatement of insurance, the borrower regains the right to receive forbearance or deferments, as appropriate. For purposes of this bulletin, "reinstatement" with respect to insurance on a loan does not include reinstatement of the lender's right to receive interest and special allowance payments on that loan. Reinstatement of

MEETING 2
FEBRUARY 13-17, 2012

the lender's right to receive interest and special allowance payments is addressed in section I.B.1, below.

B. General

1. Resumption of Interest and Special Allowance Billing on Loans Involving Due Diligence or Timely Filing Violations. For any loan on which a cure is attempted under this bulletin, the lender may resume billing for interest and special allowance on the loan only for periods following the earlier of (1) its receipt of the equivalent of three full payments thereon, after the date of this bulletin or the date of the violation, whichever is later, or (2) receipt by the borrower of an authorized deferment, after reinstatement of insurance coverage.

2. Reservation of the Secretary's Right to Strict Enforcement. While this bulletin allows cures to be attempted for particular violations in specified ways, the Secretary retains the option of refusing to permit or recognize cures in cases where, in the Secretary's judgment, a lender has committed an excessive number of severe violations of the due diligence or timely filing rules, and in cases where the best interests of the program otherwise require strict enforcement of these requirements. More generally, this bulletin states the Secretary's general policy and is not intended to limit in any way the authority and discretion afforded the Secretary by statute or regulations.

3. Applicability of the Cure Procedures to Particular Classes of Loans. The cure procedures outlined in this bulletin apply only to a loan for which the first day of the 120/180 day default period that ended with default by the borrower occurred on or

after October 21, 1979, and which involve violations *only* of the due diligence and/or timely filing requirements.

The cure procedures applicable to loans involving due diligence violations also apply to loans involving violations of both the timely filing and due diligence requirements.

4. Excusal of Certain Due Diligence Violations. A lender whose claim was previously denied *solely* for violation of the timely filing rule, and who is permitted to cure that violation under the procedures set out in this bulletin, will not be required to utilize the procedures for curing due diligence violations, or to repay interest and special allowance improperly received from the Secretary as a result of a due diligence violation for periods prior to the timely filing violation. This applies even if, upon submission of the "cured" claim, the Secretary discovers that evidence of due diligence violations appeared in the file of the previously rejected claim.

The Secretary will also excuse a due diligence violation by a lender if the account was brought current by the borrower (or another, other than the lender, on the borrower's behalf) prior to the 120th/180th day of the delinquency period during which the violation occurred.

5. Treatment of Accrued Interest on "Cured" Claims— a. Due Diligence Violations. For any default claim involving "cured" violations of the due diligence rules, the Secretary will not reimburse the lender for any unpaid interest accruing after the first day of the 120/180 day period that culminated in default, and prior to the date of reinstatement of insurance coverage.

MEETING 2
FEBRUARY 13-17, 2012

For any loan involving “cured” due diligence violations, the lender may capitalize unpaid interest accruing on the loan from the commencement of the 120/180 day default period to the date of the reinstatement of insurance coverage. See sections I.C. and D. below. However, if the lender later files a claim on that loan, the lender must deduct this capitalized interest from the amount of the claim. This deduction must be reflected in column 15 on the ED Form 1207, Lender’s Application for Insurance Claim on Federal Insured Student Loan, filed with the claim evidencing the cure.

b. Timely Filing Violations. For any default claim involving “cured” violations of the timely filing rules, the Secretary will not reimburse the lender for unpaid interest accruing after the end of the 120/180 day default period that culminated in default, and prior to the date of reinstatement of insurance coverage.

For any default claim involving a “cured” timely filing violation, if insurance coverage is later reinstated, the lender may capitalize unpaid interest accruing on the loan from the commencement of the original 120/180 day default period to the date of the reinstatement of insurance coverage. See sections I.C. and D. below. However, if the lender later files a claim, on that loan, the lender must deduct this capitalized interest from the amount of the claim, except that the lender need not deduct from the claim unpaid interest that accrued on the loan during the original 120/180 day default period. This deduction must be reflected in Column 15 of the ED Form 1207, Lender’s Application for Insurance Claim on Federal

Insured Student Loan, filed with the claim evidencing the cure.

Some timely filing cures will not reinstate insurance coverage. For treatment of accrued interest in such cases, see Section I.D.1.c.

6. Documents to be Submitted with “Cured” Claims. The Secretary requests that any lender submitting a claim on a loan involving “cured” violations identify the claim as such with a note in the claim file stapled to the new ED Form 1207.

For all “cured” claims, the lender must submit:

- For loans on which a claim was previously rejected, all documents sent by the regional office with the original claim (when the claim was rejected and returned to the lender), including without limitation, the original ED Form 1207 and all documents showing the reason(s) for the original rejection;
- All documents ordinarily required in connection with the submission of a default claim, including, without limitation, the promissory note, which must bear a valid assignment to the United States of America;
- A new ED Form 1207; and
- All documents showing that the lender has complied with the applicable cure procedures and requirements.

C. Cures for Violations of the Due Diligence in Collection Requirements (34 CFR 682.507)

A violation of the due diligence in collection rules occurs when a lender fails

MEETING 2
FEBRUARY 13-17, 2012

to meet requirements found in 34 CFR 682.507. For example, a violation occurs if the lender fails to:

- Remind the borrower of the date a missed payment was due within 15 days of delinquency;
- Attempt to contact the borrower and any endorser at least 3 times at regular intervals during the rest of the 120/180 day default period;
- Request preclaims assistance from the Department of Education;
- Request skip tracing assistance from the Secretary, if required, or
- Send a final demand letter to the borrower exercising the option to accelerate the due date for the outstanding balance of the loan, unless the lender does not know the borrower's address as of the 90th day of delinquency.

1. Reinstatement of Insurance Coverage. In the case of a due diligence violation, the lender may utilize either of the two procedures described below for obtaining reinstatement of insurance coverage on the loan. After the date of this bulletin, or after the date of the violation, whichever is later:

(a) The lender obtains a new repayment agreement signed by the borrower which complies with the ten and fifteen year repayment limitations set out in 34 CFR 682.209(a)(7); or

(b) The lender obtains 3 full payments. If the borrower later defaults, the lender must submit evidence of these payments (e.g., copies of the checks) with the claim.

2. Borrower's Deemed Current As of Date of Cure. On the date the lender receives a signed copy of the new repayment agreement, or receives the third (curing) payment, insurance coverage on the loan is reinstated, and the borrower shall be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to FISLP borrowers. If the borrower later becomes delinquent in repayment, the lender shall follow the collection procedures set out in 34 CFR 682.507, and the timely filing requirements set out in 34 CFR 682.511.

D. Cures for Violations of the Timely Filing Requirements (34 CFR 682.511)

1. Default Claims.—a. Reinstatement of Insurance Coverage. In order to obtain reinstatement of insurance coverage on a loan in the case of a timely filing violation, the lender must first locate the borrower after the date of this bulletin, or after the date of the violation, whichever is later (see section I.D.1.d. for description of acceptable evidence of location). Then, the lender must send to the borrower, at the address at which the borrower was located, (i) a new repayment agreement, to be signed by the borrower, which complies with the ten and fifteen year repayment limitations set out in 34 CFR 682.209(a)(7), along with (ii) a collection letter indicating in strong terms the seriousness of the borrower's delinquency and its potential effect on his or her credit rating if repayment is not commenced or resumed.

If, within 30 days after the lender sends these items, the borrower fails to make a full payment or to sign and return the new repayment agreement, the lender shall,

MEETING 2
FEBRUARY 13-17, 2012

within 5 working days thereafter, send the borrower a copy of the attached "48 hour" collection letter, on the lender's letterhead. (See attachment A.)

b. Borrower Deemed Current Under Certain Circumstances. If, within 45 days after the lender sends the new repayment agreement to the borrower for signature, the borrower makes a full payment or signs and returns the new repayment agreement, insurance coverage on the loan is reinstated. The borrower shall be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to FISLP borrowers. If the borrower later becomes delinquent in repayment, the lender shall follow the collection steps in 34 CFR 682.507 and the timely filing requirements in 34 CFR 682.511.

c. Borrower Deemed in Default Under Certain Circumstances. If the borrower does not make a full payment, or sign and return the new repayment agreement, within 45 days after the lender sends the new repayment agreement, the lender shall deem the borrower to be in default. The lender shall then file a default claim on the loan accompanied by acceptable evidence of location (see I.D.I.d below), within 30 days after the end of such 45-day period. Although insurance coverage is not reinstated on loans involving these circumstances, the Secretary will honor default claims submitted in accordance with this paragraph on the outstanding principal balance of such loans, and on unpaid interest accruing on the loan during the 120/180 day default period.

d. Acceptable Evidence of Location. Only the following documentation is acceptable as evidence that the lender has located the borrower:

(i) Postal receipt signed by the borrower not more than 25 days prior to the date on which the lender sent the new repayment agreement, indicating acceptance of correspondence from the lender by the borrower at the address shown on the receipt; or

(ii) A completed "Certification of Borrower Location" form (Attachment B).

2. Death, Disability, and Bankruptcy Claims. Lenders may immediately resubmit any death or disability claim which was rejected solely for failure to meet the 60 day timely filing requirements (see 34 CFR 685.511(e)(2)). However, the Secretary will not pay any such claim if, before the date the lender determined that the borrower died or was totally and permanently disabled, the lender had violated the due diligence or timely filing requirements applicable to default claims with respect to that loan. Interest that accrued on the loan after the expiration of the 60-day filing period remains uninsured by the Secretary, and the lender must repay all interest and special allowance received on the loan for periods after the expiration of the 60-day filing period.

The Secretary has determined that, in the vast majority of cases, the failure of a lender to comply with the timely filing requirement applicable to *bankruptcy* claims causes irreparable harm to the Secretary's ability to contest the discharge of the loan by the court, or to otherwise collect from the borrower. Therefore, the

MEETING 2
FEBRUARY 13-17, 2012

Secretary has decided not to permit cures for violations of the timely filing requirement applicable to bankruptcy claims, except when the lender can demonstrate that the bankruptcy action has concluded and that the loan has not been discharged in bankruptcy. In that case, the lender shall treat the loan as in default. The Secretary will honor a default claim later filed on such a loan only if the lender has met the cure requirements in section I.C. above for due diligence violations.

II. Repayment of Interest and Special Allowance on Loans Evidencing Violations of the Due Diligence or Timely Filing Requirements

A. General Rule

It has always been the Secretary's interpretation of the FISLP statute and regulations that a lender's right to receive interest and special allowance payments on a FISLP loan terminates immediately following the lender's violation of the due diligence or timely filing requirements. This applies whether or not the lender has filed a claim on the loan. In other words, lenders may receive interest and special allowance only on loans which are insured by the Secretary. Since these violations result in the termination of insurance, they also result in the termination of FISLP benefits.

B. Cessation of Billing on Loans Evidencing Violations of the Due Diligence or Timely Filing Requirements

Any lender currently billing the Secretary for interest and special allowance on a loan that the lender knows involves a due diligence or timely filing violation must cease doing so immediately. However,

lenders are not required at this time to review their loan portfolios for due diligence and timely filing violations.

C. Determination of Amounts of Interest and Special Allowance That Must Be Repaid

1. Due Diligence Violations. In the case of due diligence violations, it is often difficult to ascertain the precise date on which a violation occurred. For the administrative ease of the Secretary and lenders, the Secretary has decided to waive his right to recoup interest and special allowance payments made to a lender for periods between the date of a due diligence violation and the end of the 120/180 day default period. However, any lender that has received interest or special allowance payments from the Secretary for periods after the end of the 120/180 day default period on a loan that the lender *knows* involves a due diligence violation must promptly repay those amounts.

2. Timely Filing Violations. In the case of timely filing violations, the lender loses its right to receive interest and special allowance payments as of the expiration of the applicable timely filing period. Therefore, any lender that has received interest or special allowance payments from the Secretary for periods following the end of the applicable timely filing period on a loan that the lender knows involves a timely filing violation must repay those amounts.

3. Situations in Which a Lender May Have Received Interest Benefits for Periods During Which a Loan was Uninsured. Because most due diligence violations, and timely filing violations, occur after termination of the grace period, interest

MEETING 2
FEBRUARY 13-17, 2012

payments are ordinarily not affected by such violations. However, there are three types of situations in which a lender may have received interest payments from the Secretary to which it was not entitled due to a due diligence or timely filing violation:

a. Promissory notes that include a requirement that the borrower sign a repayment agreement no later than 120 days prior to the expiration of the grace period. In such cases, a due diligence violation may occur during the grace period, when the lender may otherwise have been eligible to receive interest benefits. However, the lender need not repay that interest to the Secretary. See II.C.1. above.

b. Deferment Periods. A due diligence violation may occur prior to a deferment period when the lender would otherwise have been eligible to receive interest benefits.

c. Loans Made Prior to December 15, 1968. A loan disbursed prior to December 15, 1968, and which qualified for payment of Federal interest benefits at the time the loan was disbursed, qualifies for payment of a 3 percent interest subsidy on the unpaid principal balance during the entire repayment period, provided the loan remains insured. In the case of such a loan, a due diligence or timely filing violation terminates the lender's eligibility for the 3 percent payments.

D. Procedures for Repayment of Federal Interest Benefits and Special Allowance Received by a Lender for Periods During Which a Loan Was Uninsured

A lender must make the repayments of interest and/or special allowance discussed

in II.C. above, by way of an adjustment during the two quarters immediately following the discovery of the violation. These adjustments must be reported on the normal Lender's Interest and Special Allowance Request and Report (ED Form 799). Lenders are requested not to send a check with the adjustment; the overpaid amount will be deducted by the Secretary from the lender's next regular interest and special allowance payment. For five years after any loan for which an adjustment is made is repaid in full, the lender shall retain a record of the basis for the adjustment showing the amount(s) of the overbilling(s), and the date it used for cessation of interest or special allowance eligibility in calculating the overbilled amount. See 34 CFR 682.515(a)(2).

reinsurance is lost on the later of (a) 3 years from the last date the claim could have been filed for claim payment with the guaranty agency for a claim that was not filed; or (b) 3 years from the date the guaranty agency rejected the claim, for a claim that was filed. These deadlines are extended by periods during which collection activities are suspended due to the filing of a bankruptcy petition.

Introduction

(1) This letter sets forth the circumstances under which the Secretary, pursuant to sections 432(a)(5) and (6) of the Higher Education Act of 1965 and 34 CFR 682.406(b) and 682.413(f), will waive certain of the Secretary's rights and claims with respect to Stafford Loans, PLUS, Supplemental Loans for Students (SLS), and Consolidation Program loans made under a guaranty agency program that involve violations of Federal regulations pertaining to due diligence in collection or timely filing. (These programs are collectively referred to in this letter as the FFEL Program.) This policy applies to due diligence violations on loans for which the first day of delinquency occurred on or after March 10, 1987 (the effective date of the November 10, 1986 due diligence regulations) and to timely filing violations occurring on or after December 26, 1986, whether or not the affected loans have been submitted as claims to the guaranty agency.

(2) The Secretary has been implementing a variety of regulatory and administrative actions to minimize defaults in the FFEL Program. As a part of this effort, the Secretary published final regulations on November 10, 1986, requiring lenders and

Appendix D to Part 682—Policy for Waiving the Secretary's Right To Recover or Refuse To Pay Interest Benefits, Special Allowance, and Reinsurance on Stafford, Plus, Supplemental Loans for Students, and Consolidation Program Loans Involving Lenders' Violations of Federal Regulations Pertaining to Due Diligence in Collection or Timely Filing of Claims [Bulletin 88–G–138]

Note: The following is a reprint of Bulletin 88–G–138, issued on March 11, 1988, with modifications made to reflect changes in the program regulations. For a loan that has lost reinsurance prior to December 1, 1992, this policy applies only through November 30, 1995. For a loan that loses reinsurance on or after December 1, 1992, this policy applies until 3 years after the default claim filing deadline. For the purpose of determining the 3-year deadline,

MEETING 2
FEBRUARY 13-17, 2012

guaranty agencies to undertake specific due diligence activities to collect delinquent and defaulted loans, and establishing deadlines for the filing of claims by lenders with guaranty agencies. In recognition of the time required for agencies and lenders to modify their internal procedures, the Secretary delayed for four months the date by which lenders were required to comply with the new due diligence requirements. Thus, §682.411 of the regulations, which established minimum due diligence procedures that a lender must follow in order for a guaranty agency to receive reinsurance on a loan, became effective for loans for which the first day of delinquency occurred on or after March 10, 1987. The regulations make clear that compliance with these minimum requirements, and with the new timely filing deadlines, is a condition for an agency's receiving or retaining reinsurance payments made by the Secretary on a loan. *See* 34 CFR 682.406(a)(3), (a)(5), (a)(6), and 682.413(b). The regulations also specify that a lender must comply with §682.411 and with the applicable filing deadline as a condition for its right to receive or retain interest benefits and special allowance on a loan for certain periods. *See* 34 CFR 682.300(b)(2)(vii), 682.302(d)(1)(iv), 682.413(a)(1).

(3) The Department has received inquiries regarding the procedures by which a lender may cure a violation of §682.411 regarding diligent loan collection, or of the 90-day deadline for the filing of default claims found in §682.406(a)(3) and (a)(5), in order to reinstate the agency's right to reinsurance and the lender's right to interest benefits and special allowance. Preliminarily, please note that, absent an

exercise of the Secretary's waiver authority, a guaranty agency may not receive or retain reinsurance payments on a loan on which the lender has violated the Federal due diligence or timely filing requirements, even if the lender has followed a cure procedure established by the agency. Under §§682.406(b) and 682.413(f), the Secretary—not the guaranty agency—decides whether to reinstate reinsurance coverage on a loan involving such a violation or any other violation of Federal regulations. A lender's violation of a guaranty agency's requirement that affects the agency's guarantee coverage also affects reinsurance coverage. *See* §§682.406(a)(7) and 682.413(b). As §§682.406(a)(7) and 682.413(b) make clear, a guaranty agency's cure procedures are relevant to reinsurance coverage only insofar as they allow for cure of violations of requirements established by the agency affecting the loan insurance it provides to lenders. In addition, all those requirements must be submitted to the Secretary for review and approval under 34 CFR 682.401(d).

(4) References throughout this letter to “due diligence and timely filing” rules, requirements, and violations should be understood to mean only the Federal rules cited above, unless the context clearly requires otherwise.

A. Scope

This letter outlines the Secretary's waiver policy regarding certain violations of Federal due diligence or timely filing requirements on a loan insured by a guaranty agency. Unless your agency receives notification to the contrary, or the

MEETING 2
FEBRUARY 13-17, 2012

lender's violation involves fraud or other intentional misconduct, you may treat as reinsured any otherwise reinsured loan involving such a violation that has been cured in accordance with this letter.

B. Duty of a Guaranty Agency To Enforce Its Standards

As noted above, a lender's violation of a guaranty agency's requirement that affects the agency's guarantee coverage also affects reinsurance coverage. Thus, as a general rule, an agency that fails to enforce such a requirement and pays a default claim involving a violation is not eligible to receive reinsurance on the underlying loan. However, in light of the waiver policy outlined below, which provides more stringent cure procedures for violations occurring on or after May 1, 1988 than for pre-May 1, 1988 violations, some guaranty agencies with more stringent policies than the policy outlined below for the pre-May 1 violations have indicated that they wish to relax their own policies for violations of agency rules during that period. While the Secretary does not encourage any agency to do so, the Secretary will permit an agency to take either of the following approaches to its enforcement of its own due diligence and timely filing rules for violations occurring before May 1, 1988.

(1) The agency may continue to enforce its rules, even if they result in the denial of guarantee coverage by the agency on otherwise reinsurable loans; or

(2) The agency may decline to enforce its rules as to any loan that would be reinsured under the retrospective waiver policy outlined below. In other words, for violations of a guaranty agency's due

diligence and timely filing rules occurring before May 1, 1988, a guaranty agency is authorized, but not required, to retroactively revise its own due diligence and timely filing standards to treat as guaranteed any loan amount that is reinsured under the retrospective enforcement policy outlined in section I.C.1. However, for any violation of an agency's due diligence or timely filing rules occurring on or after May 1, 1988, the agency must resume enforcing those rules in accordance with their terms, in order to receive reinsurance payments on the underlying loan. For these post-April 30 violations, and for any other violation of an agency's rule affecting its guarantee coverage, the Secretary will treat as reinsured all loans on which the agency has engaged in, and documented, a case-by-case exercise of reasonable discretion allowing for guarantee coverage to be continued or reinstated notwithstanding the violation. But any agency that otherwise fails, or refuses, to enforce such a rule does so without the benefit of reinsurance coverage on the affected loans, and the lenders continue to be ineligible for interest benefits and special allowance thereon.

C. Due Diligence

Under 34 CFR 682.200, default on a FFEL Program loan occurs when a borrower fails to make a payment when due, provided this failure persists for 270 days for loans payable in monthly installments, or for 330 days for loans payable in less frequent installments. The 270/330-day default period applies regardless of whether payments were missed consecutively or intermittently. For example, if the borrower, on a loan payable in monthly

MEETING 2
FEBRUARY 13-17, 2012

installments, makes his January 1st payment on time, his February 1st payment two months late (April 1st), his March 1st payment 3 months late (June 1st), and makes no further payments, the delinquency period begins on February 2nd, with the first delinquency, and default occurs on December 27th, when the April payment becomes 270 days past due. The lender must treat the payment made on April 1st as the February 1st payment, since the February 1st payment had not been made prior to that time. Similarly, the lender must treat the payment made on June 1st as the March 1st payment, since the March payment had not been made prior to that time.

Note: Lenders are strongly encouraged to exercise forbearance, prior to default, for the benefit of borrowers who have missed payments intermittently but have otherwise indicated willingness to repay their loans. See 34 CFR 682.211. The forbearance process helps to reduce the incidence of default, and serves to emphasize for the borrower the importance of compliance with the repayment obligation.

D. Timely Filing

(1) The 90-day filing period applicable to FFEL Program default claims is described in 34 CFR 682.406(a)(5). The 90-day filing period begins at the end of the 270/330-day default period. The lender ordinarily must file a default claim on a loan in default by the end of the filing period. However, the lender may, but need not, file a claim on that loan before the 360th day of delinquency (270-day default period plus 90-day filing period) if the borrower brings the account less than 270 days delinquent

before the 360th day. Thus, in the above example, if the borrower makes the April 1st payment on December 28th, that payment makes the loan 241 days delinquent, and the lender may, but need not, file a default claim on the loan at that time. If, however, the loan again becomes 270 days delinquent, the lender must file a default claim within 90 days thereafter (unless the loan is again brought to less than 270 days delinquent prior to the end of that 90-day period). In other words, the Secretary will permit a lender to treat payments made during the filing period as curing the default if those payments are sufficient to make the loan less than 270 days delinquent.

(2) Section I of this letter outlines the Secretary's waiver policy for due diligence and timely filing violations. As noted above, to the extent that it results in the imposition of a lesser sanction than that available to the Secretary by statute or regulation, this policy reflects the exercise of the Secretary's authority to waive the Secretary's rights and claims in this area. Section II discusses the issue of the due date of the first payment on a loan and the application of the waiver policy to that issue. Section III provides guidance on several issues related to due diligence and timely filing as to which clarification has been requested by some program participants.

I. Waiver Policy

A. Definitions

The following definitions apply to terms used throughout this letter:

MEETING 2
FEBRUARY 13-17, 2012

Full payment means payment by the borrower, or another person (other than the lender) on the borrower's behalf, in an amount at least as great as the monthly payment amount required under the existing terms of the loan, exclusive of any forbearance agreement in force at the time of the default. (For example, if the original repayment schedule or agreement called for payments of \$50 per month, but a forbearance agreement was in effect at the time of default that allowed the borrower to pay \$25 per month for a specified time, and the borrower defaulted in making the reduced payments, a full payment would be \$50, or two \$25 payments in accordance with the original repayment schedule or agreement.) In the case of a payment made by cash, money order, or other means that do not identify the payor that is received by a lender after the date of this letter, that payment may constitute a full payment only if a senior officer of the lender or servicing agent certifies that the payment was not made by or on behalf of the lender or servicing agent.

Earliest unexcused violation means:

(a) In cases when reinsurance is lost due to a failure to timely establish a first payment due date, the earliest unexcused violation would be the 46th day after the date the first payment due date should have been established.

(b) In cases when reinsurance is lost due to a gap of 46 days, the earliest unexcused violation date would be the 46th day following the last collection activity.

(c) In cases when reinsurance is lost due to three or more due diligence violations of 6 days or more, the earliest unexcused

violation would be the day after the date of default.

(d) In cases when reinsurance is lost due to a timely filing violation, the earliest unexcused violation would be the day after the filing deadline.

Reinstatement with respect to reinsurance coverage means the reinstatement of the guaranty agency's right to receive reinsurance payments on the loan after the date of reinstatement. Upon reinstatement of reinsurance, the borrower regains the right to receive forbearance or deferments, as appropriate. Reinstatement with respect to reinsurance on a loan also includes reinstatement of the lender's right to receive interest and special allowance payments on that loan.

Gap in collection activity on a loan means:

(a) The period between the initial delinquency and the first collection activity;

(b) The period between collection activities (a request for preclaims assistance is considered a collection activity);

(c) The period between the last collection activity and default; or

(d) The period between the date a lender discovers a borrower has "skipped" and the lender's first skip-tracing activity.

Note: The concept of "gap" is used herein simply as one measure of collection activity. This definition applies to loans subject to the FFEL and PLUS programs regulations published on or after November 10, 1986. For those loans, not all gaps are violations of the due diligence rules.

MEETING 2
FEBRUARY 13-17, 2012

Violation with respect to the due diligence requirements in §682.411 means the failure to timely complete a required diligent phone contact effort, the failure to timely send a required letter (including a request for preclaims assistance), or the failure to timely engage in a required skip-tracing activity. If during the delinquency period a gap of more than 45 days occurs (more than 60 days for loans with a transfer), the lender must satisfy the requirement outlined in I.D.1. for reinsurance to be reinstated. The day after the 45-day gap (or 60 for loans with a transfer) will be considered the date that the violation occurred.

Transfer means any action, including, but not limited to, the sale of the loan, that results in a change in the system used to monitor or conduct collection activity on a loan from one system to another.

B. General

1. Resumption of Interest and Special Allowance Billing on Loans Involving Due Diligence or Timely Filing Violations. For any loan on which a cure is required under this letter in order for the agency to receive any reinsurance payment, the lender may resume billing for interest and special allowance on the loan only for periods following its completion of the required cure procedure.

2. Reservation of the Secretary's Right to Strict Enforcement. While this letter describes the Secretary's general waiver policy, the Secretary retains the option of refusing to permit or recognize cures, or of insisting on strict enforcement of the remedies established by statute or regulation, in cases where, in the

Secretary's judgment, a lender has committed an excessive number of severe violations of due diligence or timely filing rules and in cases where the best interests of the United States otherwise require strict enforcement. More generally, this bulletin states the Secretary's general policy and is not intended to limit in any way the authority and discretion afforded the Secretary by statute or regulation.

3. Interest, Special Allowance, and Reinsurance Repayment Required as a Condition for Exercise of the Secretary's Waiver Authority. The Secretary's waiver of the right to recover or refuse to pay reinsurance, interest benefits, or special allowance payments, and recognition of cures for due diligence and timely filing violations, are conditioned on the following:

a. The guaranty agency and lender must ensure that the lender repays all interest benefits and special allowance received on loans involving violations occurring prior to May 1, 1988, for which the lender is ineligible under the waiver policy for the "retrospective period" described in section I.C.1., or under the waiver policy for timely filing violations described in section I.E.1., by an adjustment to one of the next three quarterly billings for interest benefits and special allowance submitted by the lender in a timely manner after May 1, 1988. The guaranty agency's responsibility in this regard is satisfied by receipt of a certification from the lender that this repayment has been made in full.

b. The guaranty agency, on or before October 1, 1988, must repay all reinsurance received on loans involving violations occurring prior to May 1, 1988, for which

MEETING 2
FEBRUARY 13-17, 2012

the agency is ineligible under the waiver policy for the “retrospective period” described in section I.C.1., or under the waiver policy for timely filing violations described in section I.E.1. Pending completion of the repayment described above, a lender or guaranty agency may submit billings to the Secretary on loans that are eligible for reinsurance under the waiver policy in this letter until it learns that repayment in full will not be made, or until the deadline for a repayment has passed without it being made, whichever is earlier. Of course, a lender or guaranty agency is prohibited from billing the Secretary for program payments on any loan amount that is not eligible for reinsurance under the waiver policy outlined in this letter. In addition to the repayments required above, any amounts received in the future in violation of this prohibition must immediately be repaid to the Secretary.

4. Applicability of the Waiver Policy to Particular Classes of Loans. The policy outlined in this letter applies only to a loan for which the first day of the 180/240-day or 270/330-day default period (as applicable) that ended with default by the borrower occurred on or after March 10, 1987, or, in the case of a timely filing violation, December 26, 1986, and that involves violations only of the due diligence or timely filing requirements or both. For a loan that has lost reinsurance prior to December 1, 1992, this policy applies only through November 30, 1995. For a loan that loses reinsurance on or after December 1, 1992, this policy applies until 3 years after the default claim filing deadline.

5. Excuse of Certain Due Diligence Violations. Except as noted in section II, if a

loan has due diligence violations but was later cured and brought current, those violations will not be considered in determining whether a loan was serviced in accordance with 34 CFR 682.411.

Guarantors must review the due diligence for the 180/240 or 270/330-day period (as applicable) prior to the default date ensuring the due date of the first payment not later made is the correct payment due date for the borrower.

6. Excuse of Timely Filing Violations Due to Performance of a Guaranty Agency's Cure Procedures. If, prior to May 1, 1988, and prior to the filing deadline, a lender commenced the performance of collection activities specifically required by the guaranty agency to cure a due diligence violation on a loan, the Secretary will excuse the lender's timely filing violation if the lender completes the additional activities within the time period permitted by the guaranty agency and files a default claim on the loan not more than 45 days after completing the additional activities.

7. Treatment of Accrued Interest on “Cured” Claims. For any loan involving any violation of the due diligence or timely filing rules for which a “cure” is required under section I.C. or I.E., for the agency to receive a reinsurance payment, the Secretary will not reimburse the guaranty agency for any unpaid interest accruing after the date of the earliest unexcused violation occurring after the last payment received before the cure is accomplished, and prior to the date of reinstatement of reinsurance coverage. The lender may capitalize unpaid interest accruing on the loan from the date of the earliest unexcused violation to the date of the reinstatement of reinsurance coverage.

MEETING 2
FEBRUARY 13-17, 2012

However, if the agency later files a claim for reinsurance on that loan, the agency must deduct this capitalized interest from the amount of the claim. Some cures will not reinstate coverage. For treatment of accrued interest in those cases, see section I.E.1.c.

C. Waiver Policy for Violations of the Federal Due Diligence in Collection Requirements (34 CFR 682.411)

A violation of the due diligence in collection rules occurs when a lender fails to meet the requirements found in 34 CFR 682.411. However, if a lender makes all required calls and sends all required letters during any of the delinquency periods described in that section, the lender is considered to be in compliance with that section for that period, even if the letters were sent before the calls were made. The special provisions for transfers apply whenever the violation(s) and, if applicable, the gap, were due to a transfer, as defined in section I.A.

1. Retrospective Period. For one or more due diligence violations occurring during the period March 10, 1987–April 30, 1988—

a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if no gap of 46 days or more (61 days or more for a transfer) exists.

b. If a gap of 46–60 days (61–75 days for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period are limited to amounts accruing through the date of default.

c. If a gap of 61 days or more (76 days or more for a transfer) exists, the borrower must be located after the gap, either by the agency or the lender, in order for reinsurance on the loan to be reinstated. (See section I.E.1.d., for a description of acceptable evidence of location.) In addition, if the loan is held by the lender or after March 15, 1988, the lender must follow the steps described in section I.E.1., or receive a full payment or a new signed repayment agreement, in order for the loan to again be eligible for reinsurance. The lender must repay all interest benefits and special allowance received for the period beginning with its earliest unexcused violation, occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

2. Prospective Period. For due diligence violations occurring on or after May 1, 1988 based on due dates prior to October 6, 1998—

a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if there is no violation of Federal requirements of 6 days or more (21 days or more for a transfer.)

b. If there exist not more than two violations of 6 days or more each (21 days or more for a transfer), and no gap of 46 days or more (61 days or more for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the date of default. However, the lender must complete all required activities before the

MEETING 2
FEBRUARY 13-17, 2012

claim filing deadline, except that a preclaims assistance request must be made before the 240th day of delinquency. If the lender fails to make this request by the 240th day, the Secretary will not pay any accrued interest, interest benefits, and special allowance for the most recent 180 days prior to default. If the lender fails to complete any other required activity before the claim filing deadline, accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the 90th day before default.

c. If there exist three violations of 6 days or more each (21 days or more for a transfer) and no gap of 46 days or more (61 days or more for a transfer), the lender must satisfy the requirements outlined in I.E.1., or receive a full payment or a new signed repayment agreement in order for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

d. If there exist more than three violations of 6 days or more each (21 days or more for a transfer) of any type, or a gap of 46 days (61 days for a transfer) or more and at least one violation, the lender must satisfy the requirement outlined in section I.D.1., for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's

earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

3. *Post 1998 Amendments.* For due diligence violations based on due dates on or after October 6, 1998—

a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if there is no violation of Federal requirements of 6 days or more (21 days or more for a transfer).

b. If there exist not more than two violations of 6 days or more each (21 days or more for a transfer), and no gap of 46 days or more (61 days or more for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the date of default. However, the lender must complete all required activities before the claim filing deadline, except that a default aversion assistance request must be made before the 330th day of delinquency. If the lender fails to make this request by the 330th day, the Secretary will not pay any accrued interest, interest benefits, and special allowance for the most recent 270 days prior to default. If the lender fails to complete any other required activity before the claim filing deadline, accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the 90th day before default.

MEETING 2
FEBRUARY 13-17, 2012

c. If there exist three violations of 6 days or more each (21 days or more for a transfer) and no gap of 46 days or more (61 days or more for a transfer), the lender must satisfy the requirements outlined in I.E.1. or receive a full payment or a new signed repayment agreement in order for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

d. If there exist more than three violations of 6 days or more each (21 days or more for a transfer) of any type, or a gap of 46 days (61 days for a transfer) or more and at least one violation, the lender must satisfy the requirement outlined in section I.D.1. for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished and ending with the date, if any, that reinsurance on the loan is reinstated.

D. Reinstatement of Reinsurance Coverage for Certain Egregious Due Diligence Violations.

1. *Cures.* In the case of a loan involving violations described in section I.C.2.d. or I.C.3.d., the lender may utilize either of the two procedures described in section I.D.1.a or I.D.1.b. for obtaining reinstatement of reinsurance coverage on the loan.

a. After the violations occur, the lender obtains a new repayment agreement signed by the borrower. The repayment agreement must comply with the repayment period limitations set out in 34 CFR 682.209(a)(8) and 682.209(h)(2); or

b. After the violations occur, the lender obtains one full payment. If the borrower later defaults, the guaranty agency must obtain evidence of this payment (e.g., a copy of the check) from the lender.

2. *Borrower Deemed Current as of Date of Cure.* On the date the lender receives a new signed repayment agreement or the curing payment under section I.D.1., reinsurance coverage on the loan is reinstated, and the borrower must be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to borrowers who are not in default. The lender must then follow the collection and timely filing requirements applicable to the loan.

E. Cures for Timely Filing Violations and Certain Due Diligence Violations

1. *Default Claims.*

a. *Reinstatement of Insurance Coverage.* Except as noted in section I.B.6., in order to obtain reinstatement of reinsurance coverage on a loan in the case of a timely filing violation, a due diligence violation described in section I.C.2.c. or I.C.3.c., or a due diligence violation described in section I.C.1.c. where the lender holds the loan on or after March 15, 1988, the lender must first locate the borrower after the gap, or after the date of the last violation, as applicable. (See section I.E.1.d. for description of acceptable evidence of

MEETING 2
FEBRUARY 13-17, 2012

location.) Within 15 days thereafter, the lender must send to the borrower, at the address at which the borrower was located, (i) a new repayment agreement, to be signed by the borrower, that complies with the ten-year repayment limitations in 34 CFR 682.209(a)(7), along with (ii) a collection letter indicating in strong terms the seriousness of the borrower's delinquency and its potential effect on his or her credit rating if repayment is not commenced or resumed. If, within 15 days after the lender sends these items, the borrower fails to make a full payment or to sign and return the new repayment agreement, the lender must, within 5 days thereafter, diligently attempt to contact the borrower by telephone. Within 5–10 days after completing these efforts, the lender must again diligently attempt to contact the borrower by telephone. Finally, within 5–10 days after completing these efforts, the lender must send a forceful collection letter indicating that the entire unpaid balance of the loan is due and payable, and that, unless the borrower immediately contacts the lender to arrange repayment, the lender will be filing a default claim with the guaranty agency.

b. Borrower Deemed Current Under Certain Circumstances. If, at any time on or before the 30th day after the lender completes the additional collection efforts described in section I.E.1.a., or the 270th day of delinquency, whichever is later, the lender receives a full payment or a new signed repayment agreement, reinsurance coverage on the loan is reinstated on the date the lender receives the full payment or new agreement. The borrower must be deemed by the lender to be current in repaying the loan and entitled to all rights

and benefits available to borrowers who are not in default. In the case of a timely filing violation on a loan for which the borrower is deemed current under this paragraph, the lender is ineligible to receive interest benefits and special allowance accruing from the date of the violation to the date of reinstatement of reinsurance coverage on the loan.

c. Borrower Deemed in Default Under Certain Circumstances. If the borrower does not make a full payment, or sign and return the new repayment agreement, on or before the 30th day after the lender completes the additional collection efforts described in section I.E.1.a., or the 270th day of delinquency, whichever is later, the lender must deem the borrower to be in default. The lender must then file a default claim on the loan, accompanied by acceptable evidence of location (*see* section I.E.1.d.), within 30 days after the end of the 30-day period. Reinsurance coverage, and therefore the lender's right to receive interest benefits and special allowance, is not reinstated on a loan involving these circumstances. However, the Secretary will honor reinsurance claims submitted in accordance with this paragraph on the outstanding principal balance of those loans, on unpaid interest as provided in section I.B.7., and for reimbursement of eligible supplemental preclaims assistance costs. In the case of a timely filing violation on a loan for which the borrower is deemed in default under this paragraph, the lender is ineligible to receive interest benefits and special allowance accruing from the date of the violation.

MEETING 2
FEBRUARY 13-17, 2012

d. Acceptable Evidence of Location. Only the following documentation is acceptable as evidence that the lender has located the borrower:

(1) A postal receipt signed by the borrower not more than 15 days prior to the date on which the lender sent the new repayment agreement, indicating acceptance of correspondence from the lender by the borrower at the address shown on the receipt; or

(2) Documentation submitted by the lender showing—

(i) The name, identification number, and address of the lender;

(ii) The name and Social Security number of the borrower; and

(iii) A signed certification by an employee or agent of the lender, that—

(A) On a specified date, he or she spoke with or received written communication (attached to the certification) from the borrower on the loan underlying the default claim, or a parent, spouse, sibling, roommate, or neighbor of the borrower;

(B) The address and, if available, telephone number of the borrower were provided to the lender in the telephone or written communication; and

(C) In the case of a borrower whose address or telephone number was provided to the lender by someone other than the borrower, the new repayment agreement and the letter sent by the lender pursuant to section I.E.1.a., had not been returned undelivered as of 20 days after the date those items were sent, for due diligence

violations described in section I.C.1.c. where the lender holds the loan on the date of this letter, and as of the date the lender filed a default claim on the cured loan, for all other violations.

2. Death, Disability, and Bankruptcy Claims. The Secretary will honor a death or disability claim on an otherwise eligible loan notwithstanding the lender's failure to meet the 60-day timely filing requirement (See 34 CFR 682.402(g)(2)(i)). However, the Secretary will not reimburse the guaranty agency if, before the date the lender determined that the borrower died or was totally and permanently disabled, the lender had violated the Federal due diligence or timely filing requirements applicable to that loan, except in accordance with the waiver policy described above. Interest that accrued on the loan after the expiration of the 60-day filing period remains ineligible for reimbursement by the Secretary, and the lender must repay all interest and special allowance received on the loan for periods after the expiration of the 60-day filing period. The Secretary has determined that, in the vast majority of cases, the failure of a lender to comply with the timely filing requirement applicable to bankruptcy claims (§682.402(g)(2)(iv)) causes irreparable harm to the guaranty agency's ability to contest the discharge of the loan by the court, or to otherwise collect from the borrower. Therefore, the Secretary has decided not to excuse violations of the timely filing requirement applicable to bankruptcy claims, except when the lender can demonstrate that the bankruptcy action has concluded and that the loan has not been discharged in bankruptcy or, if previously discharged, has been the subject

MEETING 2
FEBRUARY 13-17, 2012

of a reversal of the discharge. In that case, the lender must return the borrower to the appropriate status that existed prior to the filing of the bankruptcy claim unless the status has changed due solely to passage of time. In the latter case, the lender must place the borrower in the status that would exist had no bankruptcy claim been filed. If the borrower is delinquent after the loan is determined nondischargeable, the lender should grant administrative forbearance to bring the borrower's account current as provided in §682.211(f)(4) and §682.402(f)(5)(ii) and (f)(6). The Secretary will not reimburse the guaranty agency for interest for the period beginning on the filing deadline for the bankruptcy claim and ending on the date the loan becomes eligible again for reinsurance. Reinsurance is reinstated on the date the bankruptcy action concludes and the loan is not discharged or on the date a previous discharge is reversed.

II. *Due Date of First Payment.* Section 682.411(b)(1) refers to the "due date of the first missed payment not later made" as one way to determine the first day of delinquency on a loan. Section 682.209(a)(3) states that, generally, the repayment period on an FFEL Program loan begins some number of months after the month in which the borrower ceases at least half-time study. Where the borrower enters the repayment period with the lender's knowledge, the first payment due date may be set by the lender, provided it falls within a reasonable time after the first day of the month in which the repayment period begins. In this situation, the Secretary generally permits a lender to allow the borrower up to 45 days from the first day of repayment to make the first

payment (unless the lender establishes the first day of repayment under §682.209(a)(3)(ii)(E)).

1. In cases where the lender learns that the borrower has entered the repayment period after the fact, current §682.411 treats the 30th day after the lender receives this information as the first day of delinquency. In the course of discussion with lenders, the Secretary has learned that many lenders have not been using the 30th day after receipt of notice that the repayment period has begun ("the notice") as the first payment due date. In recognition of this apparently widespread practice, the Secretary has decided that, both retrospectively and prospectively, a lender should be allowed to establish a first payment due date within 60 days after receipt of the notice, to capitalize interest accruing up to the first payment due date, and to exercise forbearance with respect to the period during which the borrower was in the repayment period but made no payment. In effect, this means that, if the lender sends the borrower a coupon book, billing notice, or other correspondence establishing a new first payment due date, on or before the 60th day after receipt of the notice, the lender is deemed to have exercised forbearance up to the new first payment due date. The new first payment due date must fall no later than 75 days after receipt of the notice (unless the lender establishes the first day of repayment under §682.209(a)(3)(ii)(E)). In keeping with the 5-day tolerance permitted under section I.C.2.a., for the "prospective period," or section I.C.3.a., for the "post 1998 amendment period," a lender that sends the above-described material on or before the 65th day after receipt of the notice will

MEETING 2
FEBRUARY 13-17, 2012

be held harmless. However, a lender that does so on the 66th day will have failed by more than 5 days to send both of the collection letters required by §682.411(c) to be sent within the first 30 days of delinquency and will thus have committed two violations of more than five days of that rule.

2. If the lender fails to send the material establishing a new first payment due date on or before the 65th day after receipt of the notice, it may thereafter send material establishing a new first payment due date falling not more than 45 days after the materials are sent and will be deemed to have exercised forbearance up to the new first payment due date. However, all violations and gaps occurring prior to the date on which the material is sent are subject to the waiver policies described in section I for violations falling in either the retrospective or prospective periods. This is an exception to the general policy set forth in section I.B.5., that only violations occurring during the most recent 180 or 270 days (as applicable) of the delinquency period on a loan are relevant to the Secretary's examination of due diligence.

Please Note: References to the "65th day after receipt of the notice" and "66th day" in the preceding paragraphs should be amended to read "95th day" and "96th day" respectively for lenders subject to §682.209(a)(3)(ii)(E).

III. Questions and Answers

The waiver policy outlined in this letter was developed after extensive discussion and consultation with participating lenders and guaranty agencies. In the course of these discussions, lenders and agencies

raised a number of questions regarding the due diligence rules as applied to various circumstances. The Secretary's responses to these questions follow.

Note: The answer to questions 1 and 4 are applicable only to loans subject to §682.411 of the FFEL and PLUS program regulations published on or after November 10, 1986.

1. Q: Section 682.411 of the program regulations requires the lender to make "diligent efforts to contact the borrower by telephone" during each 30-day period of delinquency beginning after the 30th day of delinquency. What must a lender do to comply with this requirement?

A: Generally speaking, one actual telephone contact with the borrower, or two attempts to make such contact on different days and at different times, will satisfy the "diligent efforts" requirement for any of the 30-day delinquency periods described in the rule. However, the "diligent efforts" requirement is intended to be a flexible one, requiring the lender to act on information it receives in the course of attempting telephone contact regarding the borrower's actual telephone number, the best time to call to reach the borrower, etc. For instance, if the lender is told during its second telephone contact attempt that the borrower can be reached at another number or at a different time of day, the lender must then attempt to reach the borrower by telephone at that number or that time of day.

2. Q: What must a lender do when it receives conflicting information regarding the date a borrower ceased at least half-time study?

MEETING 2
FEBRUARY 13-17, 2012

A: A lender must promptly attempt to reconcile conflicting information regarding a borrower's in-school status by making inquiries of appropriate parties, including the borrower's school. Pending reconciliation, the lender may rely on the most recent credible information it has.

address through skip-tracing, or when a delinquent borrower leaves deferment or forbearance status.

[64 FR 58636, Oct. 29, 1999, as amended at 66 FR 34765, June 29, 2001]

3. Q: If a loan is transferred from one lender to another, is the transferee held responsible for information regarding the borrower's status that is received by the transferor but is not passed on to the transferee?

A: No. A lender is responsible only for information received by its agents and employees. However, if the transferee has reason to believe that the transferor has received additional information regarding the loan, the transferee must make a reasonable inquiry of the transferor as to the nature and substance of that information.

4. Q: What are a lender's due diligence responsibilities where a check received on a loan is dishonored by the bank on which it was drawn?

A: Upon receiving notice that a check has been dishonored, the lender must treat the payment as having never been made for purposes of determining the number of days that the borrower is delinquent at that time. The lender must then begin (or resume) attempting collection on the loan in accordance with §682.411, commencing with the first 30-day delinquency period described in §682.411 that begins after the 30-day delinquency period in which the notice of dishonor is received. The same result occurs when the lender successfully obtains a delinquent borrower's correct
