September 24, 2010

The Honorable Don Carcieri
Office of the Governor
Rhode Island State House
Providence, RI 02903

Dear Governor Carcieri,

Once again, congratulations on being selected as a winner of the Race to the Top competition. I appreciate your State's participation in the September 16 meeting hosted by the Department and look forward to working with you over the next four years as you implement your bold education reform agenda.

I am pleased to provide the enclosed grant award notification (GAN) for your State's Race to the Top funds under section 14006 (State Incentive Grants) of the American Recovery and Reinvestment Act (ARRA). These funds are being awarded on the basis of your approved budget of \$75,000,000.

This award is subject to the attached grant conditions related to administering the grant, monitoring sub-recipients, and maintaining adequate financial controls. In addition, the grant is subject to ARRA conditions in such areas as reporting and wage rate requirements. As part of the conditions of receiving Race to the Top funding, Rhode Island may draw down no more than twelve and a half percent of the grant at this time, which equals \$9,375,000. (Twelve and a half percent is equivalent to one year of the State's portion of the funding.) Funds may be drawn down only as they are needed, and their use must be consistent with the implementation of Rhode Island's Race to the Top plan and in support of accomplishing its proposed milestones.

The remaining balance of the award will be available after the U.S. Department of Education receives and reviews (a) the final scopes of work for all of Rhode Island's participating local educational agencies (LEAs), and (b) a detailed scope of work for Rhode Island's project that is consistent with its approved application. As we have communicated previously, the required scopes of work must be submitted no later than November 22, 2010.
