Eligibility Criteria

**Eligible Applicants**
LEAs, or consortia of LEAs, as defined by section 9101 (26) of the ESEA.

- Cost Sharing or Matching: Not required.
- Participation by Private School Children and Teachers
The Department will:

- Screen applications submitted in accordance with the requirements set forth in the NIA and application package;
- Determine which applications are eligible to be reviewed based on whether they have met the established eligibility requirements; and
- Use independent reviewers from relevant backgrounds and professions.
Step One: Obtain a Data Universal Numbering System (DUNS) number from Dun & Bradstreet. Request a DUNS number for free in order to do business with the Federal government. Visit their website at http://fedgov.dnb.com/webform. It takes approximately 1-2 days to obtain a DUNS number.

Step two: Ensure that your organization is registered with the System for Award Management (SAM), which is located at www.sam.gov. In order to complete your SAM registration, you must have your organization’s Taxpayer ID Number (TIN) and taxpayer name.

Part 7: Assurances and Certifications
Part 8: Intergovernmental Review
Part 1: Preliminary Documents

- Application for Federal Assistance (SF 424)
- ED Supplemental Information for SF 424
  - Standard cover sheet that requires basic identifying information including name, address, e-mail address and DUNS number
  - Complete the Form SF 424 first
  - Provide all requested information
ED Budget Information Non-Construction Programs (ED Form 524)

ED Form 524 Section A: Provide a break-down of U.S. Department of Education funds

Note: You **must** provide all requested budget information for each year of the project (up to 60 months) and the total column in order to be considered for Federal funding.
The project abstract should not exceed **two double-spaced pages** and should include a concise description of the following information:

- Project objectives and activities
- Applicable competitive preference priorities
- Proposed project outcomes
- Number of participants to be served
- Number and location of proposed sites
Part 4: Project Narrative

- Guidance on Format
- Priorities
- Program Requirements
- Selection Criteria
• Table of Contents (one double-spaced page)

• Project Narrative

The application narrative responds to the selection criteria found in the application package and should follow the order of the selection criteria.
Applicants **must** limit the project narrative section to the equivalent of no more than **25** pages and adhere to the guidelines outlined in the application package.

The page limit **does not** apply to the:

- Cover sheet
- Budget section
- Assurances and certifications
- Abstract
- Resumes
- Bibliography
- Letters of support
LEAs applying for the SCTGs must respond to:

- Absolute Priority 1
- All of the Requirements
- Selection Criteria

LEAs must submit their application under CFDA# 84.184G
Applicants for the SCTG must meet Absolute Priority 1.

Priority 1 (Absolute): Grants to Local Educational Agencies (LEAs) to Implement Multi-Tiered Behavioral Frameworks to Improve School Climate.
Competitive Preference Priority 1

The Department will give competitive preference to an application by awarding additional points, depending on how well the application meets Competitive Priority Preference 1.

Priority 1 (Competitive Preference): Coordination with Other Related Activities (0-5 points)

Applicant must describe a credible, high-quality plan to coordinate related activities so as to enhance the overall impact of the multi-tiered behavioral frameworks implemented through the SCTG Program.
Priority 2 (Competitive Preference): Promise Zones (5 points)

Projects that are designed to serve and coordinate with a federally designated Promise Zone.

A list of designated Promise Zones and lead organizations can be found at: www.hud.gov/promisezones.
Program Requirements

Each grantee must implement a plan that:

• Builds capacity for implementing a sustained, school-wide multi-tiered behavioral framework.
• Enhances capacity by providing training and technical assistance to schools.
• Includes an assurance that the applicant will work with a technical assistance provider.
• Includes an LEA-wide assessment to determine whether there has been any disproportionate discipline of minority students or students with disabilities.
• Provides for the development of a detailed plan that will promote fair and effective disciplinary practices.
Application Requirement 1

(a) Describe the current LEA efforts to implement, as well as an existing need to implement, scale-up, and sustain a multi-tiered behavioral framework.

The applicant must present data demonstrating this need.
(b) Describe its plan to develop, improve, or enhance the capacity of the LEA and individual schools to provide effective training, technical assistance, and support to schools and staff on implementing a multi-tiered behavioral framework.
(c) Describe how the proposed project will address the needs of high-need schools. This includes: high-poverty schools, low-performing schools, persistently lowest achieving schools, and priority schools (all defined in the application package).
(e) Explain how its efforts to implement, expand, and sustain a multi-tiered behavioral framework will be linked to other school safety, school improvement, and school reform efforts.
Applicants for the School Climate Transformation Grants should respond to Selection Criteria (a) through (d).

The maximum score for all of the SCTG selection criteria is 100 points.
Selection Criterion (a): Significance  
(30 Points)

(i) The extent to which the proposed project is likely to build local capacity to provide, improve, or expand services that address the needs of the target population. (10 points)

(ii) The importance or magnitude of the results or outcomes likely to be attained by the proposed project. (10 points)

(iii) The likelihood that the proposed project will result in system change or improvement. (10 points)
Selection Criterion (b): Quality of Project Services (35 Points)

(i) the quality and sufficiency of strategies for ensuring equal access and treatment for eligible project participants who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability. (5 points)
(ii) The extent to which the goals, objectives, and outcomes to be achieved by the proposed project are clearly specified and measurable. (15 points)

(iii) The extent to which the products and services to be developed and provided by the proposed project involve the use of efficient strategies, including the use of technology, collaboration with appropriate partners, and the leveraging of non-project resources. (15 points)
Selection Criterion (c): Quality of the Management Plan (25 Points)

(i) The adequacy of the management plan to achieve the objectives of the proposed project on time and within budget, including clearly defined responsibilities, timelines, and milestones for accomplishing project tasks. (10 points)

(ii) The adequacy of mechanisms for ensuring high-quality products and services from the proposed project. (10 points)

(iii) How the applicant will ensure that a diversity of perspectives are brought to bear in the operation of the proposed project, including those of parents, teachers, the business community, a variety of disciplinary and professional fields, recipients or beneficiaries of services, or others, as appropriate. (5 points)
Selection Criterion (d): Quality of the Evaluation Plan (10 Points)

(i) The extent to which the methods of evaluation are thorough, feasible, and appropriate to the goals, objectives, and outcomes of the proposed project. (5 points)

(ii) The extent to which the methods of evaluation will provide performance feedback and permit periodic assessment of progress toward achieving intended outcomes. (5 points)
Part 5: Budget Narrative

The budget narrative should:

• Be consistent with the ED 524 Form
• Give an itemized budget breakdown for each year of the proposed project
• Show the basis for estimating the costs
• Show the relationship between the requested funds and project activities and outcomes
• Show the total amount that will be expended as shown in the ED 524 Form
• Enable reviewers and project staff to understand how the requested funds in the ED 524 Form will be used
The annual budget period will be October 1 – September 30.

For instance, the budget for year 1 should include the estimated costs for October 1, 2014 – September 30, 2015, and so forth.
Use of Funds

Program funds may be used for costs related to training, technical assistance, and capacity building, in addition to other allowable costs.
Indirect Costs

- The Department of Education (ED) reimburses a grantee for part of its indirect costs incurred in projects funded by the School Climate Transformation Grant – State Educational Agency Grants program (CFDA 84.184F).

- For this grant competition, you may charge indirect costs using the unrestricted negotiated rate with your cognizant federal agency (e.g., Department of Education, Department of Health and Human Services, Department of the Interior). Be sure to include evidence of a federally negotiated indirect cost rate.
Part 6: Other Attachment Forms

• Individual Resumes for Project Directors and Key Personnel
• Executive Order 12372
  – If applicable
• Indirect Cost Rate Agreement
• Promise Zones Letter of Support
  – If applicable
Part 7: Assurances and Certifications

- Assurances for Non-Construction Programs (SF 424B Form)
- Disclosure of Lobbying Activities (SF LLL Form)
- Certification Regarding Lobbying (ED 80-0013 Form)
- General Education Provisions Act (GEPA) Requirements – Section 427
Part 8: Intergovernmental Review

• One of the objectives of the Executive Order 12372 (Intergovernmental Review of Federal Programs) is to strengthen the distribution of responsibility between localities, States, and the Federal government by fostering intergovernmental partnerships.

• This idea includes supporting processes that State or local governments have devised for coordinating and reviewing proposed Federal financial grant applications.

• The process for doing this requires grant applicants to contact State Single Points of Contact for information on how this works.

• Further information about the State Single Point of Contact (SPOC) process and a list of names by State can be found at:  http://www.whitehouse.gov/omb/grants_spoc
Provide a brief statement that you have followed the procedures for procurement under 34 CFR Parts 74.40 - 74.48 and Part 80.36.

EDGAR is available online at: www.ed.gov/policy/fund/reg/edgarReg/edgar.html.
Successful applicants must submit an annual performance report and a final performance report with the most current financial and performance measure data to demonstrate their progress in meeting approved project objectives during the reporting period.
GPRRA Measures

1. Number and percentage of schools that report an annual decrease in office disciplinary referrals.
2. Number and percentage of schools that report an annual improvement in the attendance rate.
3. Number and percentage of schools that report an annual decrease in suspensions and expulsions, including those related to possession or use of drugs or alcohol.
4. Number and percentage of schools annually that are implementing the multi-tiered behavioral framework with fidelity.
